The scene is dramatically lit, with strong highlights and deep shadows. A large, thin, dark 'X' is superimposed over the entire image, running from corner to corner.

**The Path to Salvation in Luke's Gospel** MiJa Wi,2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues

and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do

**Acts of the Apostles** Ronald J. Allen, 2013-05-01 Acts of the Apostles helps the preacher identify possibilities for sermons based on texts and themes in the book of Acts While offering a basic exegetical framework for interpreting passages in Acts in their historical literary rhetorical and theological contexts this volume also suggests ways in which the preacher can relate passages and motifs from Acts to the congregation and world today It also is useful in classes that seek to link text and sermon and for congregational Bible study Throughout his commentary Ron Allen examines the relationship of Acts to the Gospel of Luke discussing parallel passages between the two volumes and observing how themes in the Gospel carry forward into Acts He notes how particular passages contribute to developing themes and to how the awareness of such a theme can contribute to the preacher's work with a particular passage An appendix will posit several sermon series that the preacher could develop on the book of Acts making the book especially useful to ministers who do not follow the lectionary

**Bible studies: the Internat. Sunday sch. lessons for 1889 (-1894).** George Frederick Pentecost, 1889      **John the Baptist as a Rewritten Figure in Luke-Acts** Christina Michelsen Chauchot, 2021-03-14 John the Baptist as a Rewritten Figure in Luke Acts compares the Gospel of Luke's account of John's ministry with those of Matthew Mark and John to make the case for the hypertextual relationship between the synoptic gospels The book is divided into three parts Part I situates the Gospel of Luke within the broader context of biblical rewritings and makes the general case that a rewriting strategy can be detected in Luke while Parts II and III combined offer a more detailed and specific argument for Luke's refiguring of the public ministry of John the Baptist through the use of omitted new adapted and reserved material While the two source hypothesis typically presupposes the independence of Luke and Matthew in their rewritings of Mark and Q Chauchot argues that Luke was heavily reliant on Matthew as suggested by the L M hypothesis Approaching the Baptist figure in the synoptic

gospels from a literary critical perspective Chauchot examines test cases of detailed comparative analysis between them to argue that the Gospel of Luke makes thematic changes upon John the Baptist and is best characterized as a highly creative reshaping of Matthew and Mark Making a contribution to current research in the field of New Testament exegesis the book is key reading for students scholars and clergy interested in New Testament hermeneutics and Gospel writing
