Reading Lyrics Robert Gottlieb, Robert Kimball, 2000-11-21 A comprehensive anthology bringing together more than one thousand of the best American and English song lyrics of the twentieth century an extraordinary celebration of a unique art form and an indispensable reference work and history that celebrates one of the twentieth century's most enduring and cherished legacies Reading Lyrics begins with the first masters of the colloquial phrase including George M Cohan Give My Regards to Broadway P G Wodehouse Till the Clouds Roll By and Irving Berlin whose versatility and career span the period from Alexander's Ragtime Band to Annie Get Your Gun and beyond The Broadway musical emerges as a distinct dramatic form in the 1920s and 1930s its evolution propelled by a trio of lyricists Cole Porter Ira Gershwin and Lorenz Hart whose explorations of the psychological and emotional nuances of falling in and out of love have lost none of their wit and sophistication Their songs including Night and Day The Man I Love and Bewitched Bothered and Bewildered have become standards performed and recorded by generation after generation of singers The lure of Broadway and Hollywood and the performing genius of such artists as Al Jolson Fred Astaire Ethel Waters Judy Garland Frank Sinatra and Ethel Merman inspired a remarkable array of talented writers including Dorothy Fields A Fine Romance I Can't Give You Anything but Love Frank Loesser Guys and Dolls Oscar Hammerstein II from the groundbreaking Show Boat of 1927 through his extraordinary collaboration with Richard Rodgers Johnny Mercer Yip Harburg Andy Razaf No! Coward and Stephen Sondheim Reading Lyrics also celebrates the work of dozens of superb craftsmen whose songs remain known but who today are themselves less known writers like Haven Gillespie whose Santa Claus Is Coming to Town may be the most widely recorded song of its era Herman Hupfeld not only the composer lyricist of As Time Goes By but also of Are You Makin' Any Money and When Yuba Plays the Rumba on the Tuba the great light versifier Ogden Nash Speak Low I'm a Stranger Here Myself and yes The Sea Gull and the Sea Gull Don Raye Boogie Woogie Bugle Boy Mister Five by Five and of course Milkman Keep Those Bottles Quiet Bobby Troup Route 66 Billy Strayhorn not only for the omnipresent Lush Life but for Something to Live For and A Lonely Coed Peggy Lee not only a superb singer but also an original and appealing lyricist and the unique Dave Frishberg I'm Hip Peel Me a Grape Van Lingo Mungo The lyricists are presented chronologically each introduced by a succinct biography and the incisive commentary of Robert Gottlieb and Robert Kimball

Alec Wilder in Spite of Himself Desmond Stone, 1996-04-25 Alec Wilder wrote songs and lyrics of unsurpassed beauty and originality and his work won the respect and admiration of such important musical figures as Frank Sinatra Peggy Lee Mitch Miller Gunther Schuller and many others Yet Wilder seemed almost to court obscurity Both in the music he composed and in the way he lived his life Wilder valued the unique and eccentric over the established and easily

acceptable And though he authored the definitive American Popular Song which critics praised as singular Studs Terkel pioneering Whitney Balliett rewarding Milton Babbitt and a joy to anyone who really cares about American popular music Max Morath his own contribution to that music has remained until now too little known and far too little appreciated Desmond Stone s engaging and lively biography brings Alec Wilder s life and music into the spotlight where it belongs Ranging from Wilder s childhood in Rochester New York to his rise as a major writer of popular songs in the 1940s to his relationships with Frank Sinatra and the cabaret singer Mabel Mercer Stone gives us rich insight into the creative process and profound influence of this highly unorthodox composer We see the impulses and musical concerns that led to such standards as I ll Be Around and It s So Peaceful in the Country We also get an inside view of how he wrote his monumental American Popular Song which remains the most significant study of America s great songwriters More important we get a vivid sense of a haunting incorruptible melodist whose unique personality was mirrored in his music Man and composer dared to be different When Wilder in the late 1930s wrote his famous Octets the music world did not know what to make of these irreverent highly original pieces Yet they had a seminal influence on jazz chamber music in America Wilder would go on to compose hundreds of instrumental numbers Whether he was writing concert pieces for an unprecedented and highly unusual group of instruments or mixing jazz classical and popular idioms in a single song or dashing off a sonata for a friend Wilder followed the dictates of his own creativity rather than the expectations of the musical establishment Such independence and unpredictability earned him the hostility of many critics but the enduring respect of the musicians he wrote for Here then is a fascinating private portrait of a man who lived a nomad s life who loved riding trains so much he kept a timetable in his pocket at all times a man whose only home was a small room he maintained at the Algonquin Hotel in Manhattan where he often held court in the lobby a man with a serious drinking problem as well as the kindest and most generous of friends Essential reading for anyone interested in American popular music Alec Wilder in Spite of Himself provides a much needed account of this complex colorful and highly original life The Many Worlds of Music ,1966
