between personal and public spheres the perceptual categories of history and memory and the reconstruction of the female identity the study also includes historical introductions and sociological commentary that provides an extensive and captivating picture of the cultural production in 1950s Italy a period that has not yet been extensively studied

The Moon and the Bonfires Cesare Pavese, 2002-10-31 Winner of the 2003 PEN Book of the Month Club Translation Prize A NEW YORK REVIEW BOOKS ORIGINAL The nameless narrator of *The Moon and the Bonfires* Cesare Pavese's last and greatest novel returns to Italy from California after the Second World War He has done well in America but success hasn't taken the edge off his memories of childhood when he was an orphan living at the mercy of a bitterly poor farmer He wants to learn what happened in his native village over the long terrible years of Fascism perhaps he even thinks he will settle down And yet as he uncovers a secret and savage history from the war a tale of betrayal and reprisal sex and death he finds that the past still haunts the present *The Moon and the Bonfires* is a novel of intense lyricism and tragic import a masterpiece of twentieth century literature that has been unavailable to American readers for close to fifty years Here it appears in a vigorous new English version by R W Flint whose earlier translations of Pavese's fiction were acclaimed by Leslie Fiedler as absolutely lucid and completely incantatory
