years prior to Enoch thus allowing Enoch to prophesize a new heaven That prophecy became the foundation for St John s Book of Revelations which is shown to be a description of a series of cataclysms attributed to Sgr West The book offers a new theory for explaining geo polar migration That theory suggests small shifts in the location of the earth s center of gravity underlie each migration but that there are multiple causes for the shifts     Atlantis and Syracuse Gunnar Rudberg,2012-10-15 Syracuse was the place where Plato tried to approach his ideal state in reality and failed because of the decadence and unjustness of the city and its ruler Indeed Syracuse shares many similarities with Plato s Atlantis Like Atlantis it was situated on a large and fertile island in the west a city of abundant wealth and power As in Atlantis the ruler s castle and magnificent temples were gathered on a small island As in Atlantis there were several harbors quarries and walls encircling the city And like Atlantis Syracuse waged war with Athens But what sounds like a hot trail to decipher the enigma of Plato s Atlantis lay forgotten for a long time As early as 1917 far ahead of his time Gunnar Rudberg wrote this most coherent scientific analysis The world did not however take notice of a Swedish text Translated now for the first time Rudberg s thesis is still a very good read on Plato s Atlantis presenting not only one of the most credible solutions for Plato s Atlantis but also offering an introduction to Atlantis research in general the work confronts today s prevailing hypotheses with valuable criticism Also included is a remarkable classification scheme of ancient and modern Atlantis hypotheses
