the Labrador Wild Dillon Wallace,2018-08-11 *The Lure of the Labrador Wild* By Dillon Wallace 1905 e we knew Hubbard never knew A perceptible current a questioning word the turn of a paddle would have set us right No current was noticed no word was spoken and the paddle sent us straight toward those blue hills yonder where Suffering and Starvation and Death were hidden and waiting for us How little we expected to meet these grim strangers then That July day came back to me as if it had been but the day before I believe I never missed Hubbard so much as at that moment I never felt his loss so keenly as then An almost irresistible impulse seized me to go on into our old trail and hurry to the camp where we had left him that stormy October day and find if he were not after all still there and waiting for me to come back to him We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The Long Labrador Trail Dillon Dillon Wallace,2018-05-09 In the summer of 1903 when Leonidas Hubbard Jr went to Labrador to explore a section of the unknown interior it was my privilege to accompany him as his companion and friend The world has heard of the disastrous ending of our little expedition and how Hubbard fighting bravely and heroically to the last finally succumbed to starvation Before his death I gave him my promise that should I survive I would write and publish the story of the journey In *The Lure of The Labrador Wild* that pledge was kept to the best of my ability While Hubbard and I were struggling inland over those desolate wastes where life was always uncertain we entered into a compact that in case one of us fall the other would carry to completion the exploratory work that he had planned and begun Providence willed that it should become my duty to fulfil this compact and the following pages are a record of how it was done Not I but Hubbard planned the journey of which this book tells and from him I received the inspiration and with him the training and experience that enabled me to succeed It was his spirit that led me on over the wearisome trails and through the rushing rapids and to him and to his memory belong the credit and the honor of success *The Lure of the Labrador Wild* Dillon

Lure Of The Labrador Wild Dillon Wallace,2020-08-12 How would you like to go to Labrador Wallace It was a snowy night in late November 1901 that my friend Leonidas Hubbard Jr asked me this question All day he and I had been tramping through the snow among the Shawangunk Mountains in southern New York and when the shades of evening fell we had built a lean to of boughs to shelter us from the storm Now that we had eaten our supper of bread and bacon washed down with tea we lay before our roaring campfire luxuriating in its glow and warmth Hubbard s question was put to me so abruptly that it rather startled me Labrador I exclaimed Now where in the world is Labrador **The Lure of the Labrador Wild, Vol. 6**
