**The Freedom of a Christian Ethicist** Brian Brock, Michael Mawson, 2016-01-14 What is the significance of the Protestant Reformation for Christian ethical thinking and action Can core Protestant commitments and claims still provide for compelling and viable accounts of Christian living This collection of essays by leading international scholars explores the relevance of the Protestant Reformation and its legacy for contemporary Christian ethics Martin Luther Michael A. Mullett, 2014-09-15 An engaging and comprehensive new edition of this established biography provides students with an understanding of the European Reformation through the life of its key mover Martin Luther Working chronologically through Luther s life Michael A Mullett explains and analyses Luther s background the development of his Reformation theology in the 95 Theses the Diet of Worms and the creation of Lutheranism This fully revised and updated new edition includes a chapter on the legacy and memory of Luther through the centuries since his death looking to his influence on modern Germany and the wider world A comprehensive chronology at the start of the book traces the important dates in Luther s personal and political life This is a vivid scholarly and empathetic biography of Martin Luther which will be essential reading for all students of the European Reformation early modern history and religious history *Recovering the Ecumenical Bonhoeffer* Javier A. Garcia, 2019-10-14 In *Recovering the Ecumenical Bonhoeffer* Javier Garcia explores the possibilities for Dietrich Bonhoeffer s theology to revitalize interest in the ecumenical movement and Christian unity today Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent in roads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project In this context Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer s thought Garcia assesses the future of ecumenical engagement in a secular age Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day Distinguishing the Church Greg Peters, Matt Jenson, 2019-06-27 As the Protestant Reformers did so twenty first century Christians also recognize the need to distinguish between the true and false church Thus they find themselves looking closely at the modern church to determine whether it is a true and faithful church Today s Christians know that proper criteria are necessary to discern the true church The most common criteria wrote John Calvin are that the Word of God is rightly preached and heard and that the sacraments are administered according to Christ s institution Moreover Martin Luther said that suffering is a telltale sign of God s people while Anabaptist and Reformed Christians included discipline among the distinguishing marks of the church These standards take on particular poignancy today The global church continues to live under severe persecution and the American church characterized by a lack of

discipline has been wounded by its own sins of chasing sex and power In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the Reformational marks of the church in order to help reform Christ's bride With contributions from Edward W Klink III Duane Litfin J Stephen Yuille J V Fesko Keith D Stanglin Greg Cochran Jeremy M Kimble Guy Waters Justin L McLendon **Luther on the Christian Life** Carl R. Trueman, 2015-02-28 Martin Luther's historical significance can hardly be overstated Known as the father of the Protestant Reformation no single figure has had a greater impact on Western Christianity except perhaps Augustine In *Luther on the Christian Life* historian Carl Trueman introduces readers to the lively Reformer taking them on a tour of his historical context theological system and approach to the Christian life Whether exploring Luther's theology of protest ever present sense of humor or misunderstood view of sanctification this addition to Crossway's *Theologians on the Christian Life* series highlights the ways in which Luther's eventful life shaped his understanding of what it means to be a Christian Ultimately this book will help modern readers go deeper in their spiritual walk by learning from one of the great teachers of the faith Part of the *Theologians on the Christian Life* series *Did the Reformers Misread Paul?* Aaron O'Kelley, 2014-02-01 In this study Aaron O Kelley argues that the new perspective on Paul rests on a faulty hermeneutical presupposition namely that covenantal nomism could not have served as a foil for Paul in the development of a doctrine of justification that resembles that of the Reformation **COMMENDATIONS** Carefully researched and argued Aaron O Kelley's monograph offers a refreshing engagement of New Testament scholarship from the perspective of historical and systematic theology Kevin W McFadden Cairn University USA *The Spirit and the Letter* Paul S. Fiddes, Günter Bader, 2013-08-01 Paul's statement that letter kills but the spirit gives life 2 Corinthians 3:6 has had an extraordinary impact on Christian thought through the ages It has been read both as affirming the saving power of the new covenant in comparison to the old and as a key to hidden spiritual meanings in the text of scripture It is however an ambiguous phrase followed by a tangled story This book explores the Pauline distinction both in its original context and in its aftermath in the early church the Reformation and modern Biblical Studies It then considers a postmodern reversal where ideas of Spirit are often seen as deadly and the openness of the letter or text as life affirming and draws conclusions for Spirit in the world *Tears into Wine* Eric Chafe, 2015-05-01 Although beloved by performers and audiences alike music scholars have generally viewed J S Bach's *Ich hatte viel Bekümmernis in meinem Herzen* Cantata 21 as one of the composer's weaker compositions In *Tears into Wine* renowned Bach scholar Eric Chafe challenges the scholarly consensus arguing that Cantata 21 is an exceptionally carefully designed work and that it displays a convergence of musical structure and theological purpose that is paradigmatic of Bach's sacred work as a whole **The Place of Judas Iscariot in Christology** Anthony Cane, 2017-07-05 Exploring the significance of Judas Iscariot for Christian theology and the difficult issues surrounding Judas Anthony Cane shows that focusing on the tension between providential and tragic interpretations of Judas in the New Testament and in subsequent writing about Judas is the key to

understanding his significance Building on the work of Karl Barth and Donald MacKinnon Cane s argument sheds light not simply on the way Judas is understood but on the way Jesus and the whole economy of salvation are understood This book also highlights implications for the way in which issues relating to anti-Semitism and evil and suffering are most effectively explored

**Hans-Georg Gadamer** Karl Simms,2015-03-24 Hans Georg Gadamer s theory of hermeneutics is one of the most important modern theories of interpretation and understanding and at its heart is the experience of reading literature In this clear and comprehensive guide to Gadamer s thought Karl Simms presents an overview of Gadamer s life and works outlining his importance to hermeneutic theory and its place in literary studies explains and puts into context his key ideas including dialogue phronesis play tradition and horizon shows how Gadamer s ideas have been influential in the interpretation of literary texts explains Gadamer s debates with key contemporaries and successors such as Habermas Ricoeur and Derrida provides detailed suggestions for further reading With a significance that crosses disciplinary boundaries from cultural studies literary theory and philosophy through to history music and fine arts Gadamer s pioneering work on hermeneutic theory remains of crucial importance to the study of texts in the humanities *Hermeneutics, Intertextuality and the Contemporary Meaning of Scripture* Ross Cole,Paul Petersen,2013-12-31 Did Matthew twist the Scriptures Where did Satan come from My Reading Questions and issues like these are presented in this selection of papers and presentations from a Bible conference at Avondale College on the broad topic of intertextuality More than 100 scholars and administrators convened and shared their research as well as their personal perspectives on how to read and apply holy Scripture in the 21st century This anthology contains a representative sample of their studies and reflections

**Since We are Justified by Faith** Michael Parsons,2014-07-08 An accessible and academic reading of the doctrine of justification by faith It is often assumed that the Reformation taught justification by faith as if there was a monolithic view of the doctrine Since We Are Justified By Faith is a collection of important essays that dispel this myth demonstrating the diverse theologies of that period Experts in the field including Cameron MacKenzie Aaron OKelly Jeff Fisher Kirk MacGregor Mary Patton Baker Karin Spiecker Stetina David Hall Bonnie Pattison Timothy Shaun Price Andre Gazal and Chris Ross write on the theologies of Luther Melancthon Oecolampadius Marpeck Calvin and the English reformers to give a nuanced reading of the doctrine in sixteenth century Protestant theology

[Ancient Near Eastern Literature and the Hebrew Scriptures about the Fatherhood of God](#) David Tasker,2004 Ancient Near Eastern Literature and the Hebrew Scriptures About the Fatherhood of God discusses some of the main father god concepts of the people of the Ancient Near East then examines the eighteen occurrences of God s fatherhood specifically mentioned in Hebrew Scripture From these sources the book develops a theology of God s fatherhood that honors both ancient and modern scrutiny Although many studies have explored the subject of the fatherhood of God mostly from the perspective of nonbiblical disciplines and through the lens of Greco Roman mythology this book takes into account the wealth of material from the ancient Near East the birthplace of the Hebrew

Scriptures **Singing the Ethos of God** Brian Brock,2007-04-02 Noting that academic biblical scholars and Christian ethicists have been methodologically estranged for some decades now Brian Brock seeks to reframe the whole Bible and ethics discussion in terms of this question What role does the Bible play in God s generation of a holy people and how do we participate in that regeneration Brock first examines various major contemporary thinkers on the Bible and Christian ethics including John Howard Yoder Brevard Childs John Webster and Dietrich Bonhoeffer He then undertakes major discussions of Augustine and Martin Luther unpacking their interpretation of the Psalms Finally Brock articulates the processes of renewal in God s people His close study of a few individual psalms shows how we enter the world of praise in which all human life is comprehended within God s work and is thus renewed Immersion in the exegetical tradition of the Christian faith Brock argues must be the heart and soul of theology and ethics

**How To Do Christian Ethics** Brian Brock,Nadine Hamilton,Daniel R. Patterson,2025-05-29 Discover how pressing contemporary moral issues can be approached and discussed in a distinct and coherently theological fashion This book displays a more direct approach that has the distinct advantage of being approachable dramatic and contemporary It introduces the reader to the grammar of Christian moral reasoning and expands upon its intricate inner workings By demonstrating ways in which a Christian believer or congregation can think through specific moral issues the volume serves a church desiring to witness God s love in genuine and contextually truthful ways Each chapter approaches its subject matter by demonstrating how the sources of Christian moral reasoning Scripture and church doctrine can be imaginatively brought to bear on contemporary moral perplexities The form of teaching practices here makes tangible the ways in which the Christian gospel clearly and even penetratingly illumines our contemporary moral contexts

**Scripture and Cosmology** Kyle Greenwood,2015-09-03 Kyle Greenwood introduces readers to ancient Near Eastern cosmology and the ways in which the Bible speaks within that context He then traces the way the Bible was read through Aristotelian and Copernican cosmologies and discusses how its ancient conceptions should be understood in light of Scripture s authority and contemporary science

**Beyond the Visible Church** Florian Klug,2024-01-27 In Beyond the Visible Church theologian Florian Klug investigates the Abel motif hermeneutically throughout Christian church history By showing how the biblical motif of Abel was read and used by representative theologians like Augustine Bonaventure Martin Luther Yves Congar and others of each epoch Klug builds the story of the Church s self conception and shows how it has evolved over time By tracing this theological and ecclesiological history and how the motif formed theologians and the Church over time Klug shows readers a new way to conceive and understand God s universal will for salvation By deconstructing and reconstructing the historical occurrences of these ideas Klug demonstrates that the Church s self conception is not yet complete This unique and ground breaking study opens new ways forward for Catholic ecclesiology hope for today s universal Church

[Dietrich Bonhoeffer's Christological](#)

Reinterpretation of Heidegger Nik Byle, 2021-10-01 Dietrich Bonhoeffer was the intellectual progeny of the competing liberal and dialectical theological camps of his time Yet he found both camps incapable of properly accounting for Christ s relation to time and history which both grounds their conflict and generates further theological problems both theoretical and practical In this book Nik Byle argues that Bonhoeffer was able to mine Martin Heidegger s Being and Time for material theologically useful for moving beyond this impasse Bonhoeffer sifts through Heidegger s analysis of human existence and finds a number of moves and concepts useful to theology These include Heidegger s emphasis on anthropology over epistemology his position that one must begin with concrete existence and that human existence is fundamentally temporal Bonhoeffer must however reject other hallmark concepts such as authenticity and Heidegger s entire anthropocentric method that would threaten the legitimate theological use of Heidegger Making the appropriate theological alterations Bonhoeffer applies the useful elements from Heidegger to his Christocentric theology Essentially Christ and the church become fundamentally temporal and historical in the same way that human existence is for Heidegger This sets a new foundation for Bonhoeffer s Christology with concomitant effects in his ecclesiology sacramentalism theological anthropology and epistemology Catalog of Copyright Entries.
