## **Lynne Reid Banks:**

**Return of the Indian** Lynne Reid Banks, 1990      The Return of the Indian Lynne Reid Banks, 2010-05-26 It's been over a year since Omri discovered in *The Indian in the Cupboard* that with the turn of a key he could magically bring to life the three inch high Indian figure he placed inside his cupboard. Omri and his Indian Little Bear create a fantastic world together until one day Omri realizes the terrible consequences if Little Bear ever got trapped in his giant world. Reluctantly Omri sends the Indian back through the cupboard giving his mother the magic key to wear around her neck so that he will never be tempted to bring Little Bear back to life. But one year later full of exciting news Omri gives way to temptation when he finds that his mother has left the magic key lying on the bathroom sink. A whole new series of adventures awaits Omri as he discovers that his Indian has been critically wounded during the French and Indian Wars and desperately needs Omri's help. Now helplessly caught between his own life and his cupboard life of war and death Omri must act decisively if he is to save Little Bear and his village from being completely destroyed. What began as a harmless game has turned into a horrible nightmare, a nightmare in which Omri is irrevocably involved and from which he may never escape.      **Secret of the Indian** Lynne Reid Banks, 1991      The Mystery of the Cupboard Lynne Reid Banks, 2001-01-01 In the fourth book in Banks's acclaimed INDIAN IN THE CUPBOARD saga Omri and his family move to an old farmhouse where he finds an ancient notebook that reveals a family secret and the mysterious origins of his magical cupboard.      The Indian in the Cupboard Lynne Reid Banks, 1989      *The Indian in the Cupboard* Lynne Reid Banks, 1988 *The Indian in the Cupboard* is the first of five gripping books about Omri and his plastic North American Indian Little Bull who comes alive when Omri puts him in a cupboard. For Omri it is a dream come true when the plastic American Indian he locks into the old cupboard comes to life. Little Bull is everything an Indian brave should be: proud, fearless, and defiant. But being in charge of a real live human being is a heavy responsibility as Omri soon discovers. And when his best friend Patrick is let in on the secret he soon realises that life-changing decisions lie ahead.      **The Farthest-away Mountain** Lynne Reid Banks, 1992 A girl embarks on a dangerous adventure to fulfill her three desires: to visit the farthest away mountain to meet a gargoyle and to find a prince for a husband.

*Writing On The Wall* Lynne Reid Banks, 2010-12-14 Tracy wasn't surprised that her dad disapproved of Kev with his hair in spikes, his Dayglo socks, and all the rest of his punk gear. But she liked the way he looked and enjoyed going round with him. Besides, she was determined to have a good time before she had to get some boring job and settle down like her sister Mary. That was why the trip to Holland seemed such a great idea. Of course it was Kev who suggested it and Tracy knew that her parents would never let her go off with Kev just the two of them. On the other hand, if there was a whole bunch of them going, including her friend Karen and some of the others from school, Dad might just say yes. As things turned out, persuading Dad to say yes was only the beginning of her troubles. In fact, so much went wrong that it was hard afterwards to remember the good bits and it wasn't until the whole awful business was over that Tracy realised she should have seen what was going
