M Lewis Stepping Into The Light:

Soil Health on the Farm, Ranch, and in the Garden Kenneth E. Spaeth Jr., 2020-11-07 This book explores the importance of soil health in croplands rangelands pasturelands and gardens and presents new methods and technologies for assessing soil dynamics and health in these different land types Through perspectives of agriculture soil management and ecological sustainability the book provides accurate and up to date information on soil health assessment and maintenance that is often missing from current literature on conservation and environmental management and preservation The book is written in a clear and concise format and will appeal to non scientists interested in soil health as well as professional farmers ranchers and gardeners The book begins by discussing soil health from a historical perspective and in terms of how it is covered in the news currently Then the author addresses the ecological implications of soil health in farming ranching and gardening and comprehensively details the physical chemical and biological properties of soil as they apply in various land types The book then examines soil health assessment using new diagnostic and analytic technologies and how these new innovations will be necessary going forward to maintain and improve soil health

True Grit Stephanie Schrader, James Glisson, Alexander Nemerov, 2019-10-22 An engaging look at early twentieth century American printmaking which frequently focused on the crowded chaotic and gritty modern city In the first half of the twentieth century a group of American artists influenced by the painter and teacher Robert Henri aimed to reject the pretenses of academic fine art and polite society Embracing the democratic inclusiveness of the Progressive movement these artists turned to making prints which were relatively inexpensive to produce and easy to distribute For their subject matter the artists mined the bustling activity and stark realities of the urban centers in which they lived and worked Their prints feature sublime towering skyscrapers and stifling city streets jazzy dance halls and bleak tenement interiors intimate and anonymous everyday scenes that addressed modern life in America True Grit examines a rich selection of prints by well known figures like George Bellows Edward Hopper Joseph Pennell and John Sloan as well as lesser known artists such as Ida Abelman Peggy Bacon Miguel Covarrubias and Mabel Dwight Written by three scholars of printmaking and American art the essays present nuanced discussions of gender class literature and politics contextualizing the prints in the rapidly changing milieu of the first decades of twentieth century America
