

The M Club Manual

Missions, Memos, Mandates, Mottos, and More

Sick and tired? Join the Club! We are magical marvels of martyrdom, masters en masse, and matriarchs. We are 40 million strong and we're coming over there!

This is a public announcement to inform America of a new, not-to-be-ignored women's club. Well, not really a new club, because it has been around for as long as women have been taking care of business, families, and, of course, each other. Club members have a few things in common:

- We are sick and tired (mostly tired) of things in general going to hell in a handbasket.
- We are intelligent, savvy women who know right from wrong.
- Sometimes we have to "come over there" to help another member. Often we go "over there" in a big group so we can make an impression.
- We help other M Club members because we want to and we are able.

Any woman who is feeling overlooked or harangued can appeal to her sister-members of The M Club to help shift perspectives, take the reins, and, well, take care of business. Women will love to give this incredibly funny and frank manual as a present or keep it around the home or office for their own reference and fun.

KATHRYN SULTZBAUGH was a reporter, magazine writer, and aerospace technical writer when she said to herself one day, "I am sick and tired of writing about space!" She formed The M Club because she believes women are magical, mysterious, mighty, marvelous, and a majority. Kathryn lives with her husband and three sons in a log home she built with her family in Ohio.
