

reserved for the penitent. And the reason is because a pious man has always lived a good and pure life, he has never had an evil thought or done an evil deed. But the wicked, who have committed sins and then do penance, have to subdue their evil inclinations in order not to repeat the sin which they have done formerly.

The pious man continued his studies three years and then returned home in peace.

164. THE WICKED OFFICIAL WHO INSULTED R. SAMUEL HAID AND LATER REPENTED AND BECAME A JEW

Samuel the Pious once acted as *Hazzan* & *Speyer* on the Day of Atonement. There came into the synagogue a wicked man, who was fit material for the stake. When he saw the pious man praying with so much devotion, he thought himself and said to his companions in the synagogue: "I cannot allow him to go on, must do some shameful thing to the reader, for he is praying very earnestly and is always lifting his eyes heavenward and praying to his God with great devotion." Thereupon the wicked man went to the reader's face, hoping to confuse him in his prayer, but the pious man did not allow himself to be confused and continued praying. The

the wicked man saw that he could not confuse the *Hazzan*, he was filled with regret at having spat in the pious man's face and said to his servants: "I have done a great wrong in having insulted the Jew so grievously, for I see that he is a holy man and his singing is so sweet and pleasant, I fear I have committed a great sin." And he grieved much over what he had done.

The next day, after the Day of Atonement, the wicked man went to the pious one and asked him why he had been praying so devoutly the day before. The pious man replied: "Why do you ask me? You have offered me such an insult as I have never experienced from any man before in all my life, not to speak of your contemptuous behavior generally in the synagogue yesterday, and that too on such a holy day as we had. For yesterday was the day which God Almighty has appointed for us to spend wholly in the synagogue, the day when God forgives our sins, as is written in our holy Scriptures. I laughed in my heart at your insults, for I have faith in my Almighty God and know that He will forgive our sins because of the insults which you have offered me and the great misfortunes which we suffer at your hands all the time and receive without complaint. This is why I prayed with such joy and devotion."

The Hebrew Folktale in Premodern Morality Literature Vered Tohar,2023-11-14 Recontextualizing early modern Musar folktales to reveal a new reading of premodern Jewish texts This pioneering exploration shows that in the early modern world printed works on morality and ethics served as an important conveyor of classic Jewish folktales and as an important channel of leisure reading in premodern Jewish culture Utilizing a corpus of over 400 Musartales author Vered Tohar carefully opens a path to understand the thematic and poetic features of those tales This innovative reframing of early modern Musar texts reveals a new history of Jewish folklore and emphasizes the continuity of Hebrew literature from medieval to modern era Tohar classifies these stories which she calls the Musar folktales into four genres adapted from classic poetic studies tragedy comedy parable or social exemplum and theological allegory As parables of vice and virtue the works featured here were originally printed and circulated in early modern Jewish communities and each contained themes of love and hate good and evil loyalty and betrayal or life and death Beyond their traditional function of ethical and moral edification Tohar advances the Musar texts as an archive of Hebrew tales and their ideological traditions This innovative reframing of early modern Musar texts reveals a new history of Jewish folklore and a new way to read those texts **The Story of the Jewish People** Jack M. Myers,1925 *Conversion, Circumcision, and Ritual Murder in Medieval Europe* Paola Tartakoff,2020-01-17 A investigation into the thirteenth century Norwich circumcision case and its meaning for Christians and Jews In 1230 Jews in the English city of Norwich were accused of having seized and circumcised a five year old Christian boy named Edward because they wanted to make him a Jew Contemporaneous accounts of the Norwich circumcision case as it came to be called recast this episode as an attempted ritual murder Contextualizing and analyzing accounts of this event

and others with special attention to the roles of children Paola Tartakoff sheds new light on medieval Christian views of circumcision She shows that Christian characterizations of Jews as sinister agents of Christian apostasy belonged to the same constellation of anti Jewish libels as the notorious charge of ritual murder Drawing on a wide variety of Jewish and Christian sources Tartakoff investigates the elusive backstory of the Norwich circumcision case and exposes the thirteenth century resurgence of Christian concerns about formal Christian conversion to Judaism In the process she elucidates little known cases of movement out of Christianity and into Judaism as well as Christian anxieties about the instability of religious identity Conversion Circumcision and Ritual Murder in Medieval Europe recovers the complexity of medieval Jewish Christian conversion and reveals the links between religious conversion and mounting Jewish Christian tensions At the same time Tartakoff does not lose sight of the mystery surrounding the events that spurred the Norwich circumcision case and she concludes the book by offering a solution of her own Christians and Jews she posits understood these events in fundamentally irreconcilable ways illustrating the chasm that separated Christians and Jews in a world in which some Christians and Jews knew each other intimately

The Many Ways Jews Loved Constance Harris,2020-07-06 While acknowledging the ways in which persecution inevitably affects a community this book deviates from most Jewish studies to survey the ways in which Jewish history has been shaped by the everyday experience of

love It examines erotic poetry sensual art and literature and biblical and rabbinic stories about lust It reviews the ways in which Jewish law has both encouraged and regulated sexual interaction and studies the diversity of Jewish attitudes toward such relationships found in a vast array of works whose authors and artists often speak to the confusion and failure of love while also finding a purpose in its pursuance It tells the stories of those people who revel in love and of others who remember love and grieve in its absence

Tales in Context Rella Kushelevsky, 2017-11-13 A folkloric research project on Sefer ha ma asim In the thirteenth century an anonymous scribe compiled sixty nine tales that became Sefer ha ma asim the earliest compilation of Hebrew tales known to us in Western Europe The author writes that the stories encompass descriptions of herbs that cure leprosy a fairy princess with golden tresses using magic charms to heal her lover s wounds and restore him to life a fire breathing dragon a two headed creature and a giant s daughter for whom the rind of a watermelon containing twelve spies is no more than a speck of dust In Tales in Context Sefer ha ma asim in Medieval Northern France Rella Kushelevsky enlightens the stories meanings and reflects the circumstances and environment for Jewish lives in medieval France Although a selection of tales was previously published this is the first publication of a Hebrew English annotated edition in its entirety revealing fresh insight The first part of Kushelevsky s work Cultural Literary and Comparative Perspectives presents the thesis that Sefer ha ma asim is a product of its time and place and should therefore be studied within its literary and cultural surroundings Jewish and vernacular in northern France An investigation of the scribe s techniques in reworking his Jewish and non Jewish sources into a medieval discourse supports this claim The second part of the manuscript consists of the tales themselves in Hebrew and English translation including brief comparative comments or citations The third part An Analytical and Comparative Overview offers an analysis of each tale as an individual unit contextualized within its medieval framework and against the background of its parallels Elisheva Baumgarten s epilogue adds social and historical background to Sefer ha ma asim and discusses new ways in which it and other story compilations may be used by historians for an inquiry into the everyday life of medieval Jews The tales in Sefer ha ma asim will be of special value to scholars of folklore and medieval European history and literature as well as those looking to enrich their studies and shelves
