Finkelstein, 1989 Covers the life and career of the U S Army five star general from his early life in various military outposts to a career in two World Wars *General of the Army Douglas MacArthur, January 26, 1880-April 5, 1964* Douglas MacArthur, 1964 **Duty, Honor, Country** Douglas MacArthur, David Lawrence, George C. Kenney, 2011-10-01 The Biography of General of the Army, Douglas MacArthur Sydney L. Mayer, 1982 *General MacArthur Speeches and Reports 1908-1964* , 2000-06-14 The two year search for General Douglas MacArthur s speeches and reports was truly a labor of love My Administrative Assistant Ellen Schaefer and I culled over 1 000 sources including memories biographies histories military magazines such as the Army and Air Force Journals unit histories commercial magazines and newspapers Magazines included such publications as National Geographic Life Magazine and many esoteric less circulated literature such as Military Magazine Retired Officers Magazine Air Force Magazine and so many others We received guidance and assistance from such sources as the U S Military Academy the Engineering School at Ft Leavenworth the Command and General Staff School at Leavenworth the Army War College the MacArthur Archives Director James Zobel the Library of Congress the War Department the sources seemed endless We do believe we were able to capture all the major public speeches and reports covering MacArthur s truly productive years from 1908 through 1964 Contains more than 125 speeches reports It will be interesting to note MacArthur established his personality early in his military career and never veered from this His admonition from his Mother when MacArthur was a student at West Point was never cheat never lie never tattle Adhering to this edict MacArthur offered to resign from the Academy rather than answer questions from the Academy panel investigating hazing and harassment by a group of fellow students MacArthur continued to develop his hard line against political and military intrigue by resolving to always do what he believed right even if he knew no one was watching Further he was determined never to refuse to carryout the order of a senior officer never be insubordinate to constituted authority Douglas MacArthur Douglas MacArthur, 1964 *Frontline General: Douglas MacArthur* Jules Archer, 2017-01-10 At twenty six Douglas MacArthur was military aide to President Theodore Roosevelt and his courageous

leadership of the Rainbow Division in World War I made him a general At the same time his reluctance to heed any authority but his own gained him a reputation of arrogance and insubordination that was to shadow his entire career As MacArthur helped guide defeated Japan to democracy it was remarked that he himself tolerated no democratic questioning of his commands When he was summoned from Japan to take command of the desperately beleaguered forces in Korea the conflict between duty and pride brought his career to a dramatic conclusion With brilliant generalship he saved his army from defeat only to be removed from his post when he refused to obey the president himself Douglas MacArthur's deeds were of heroic proportion but he is and will continue to be one of America's most controversial figures General of the Army Douglas MacArthur's Address to Congress, April 19, 1951, Washington, D.
