Regan, 2016-01-12 Pamela C Regan's The Mating Game A Primer on Love Sex and Marriage Third Edition is the only introductory text about human mating relationships aimed specifically at a university audience Encompassing a wide array of disciplines this comprehensive review of theory and empirical research takes an integrated perspective on the fundamental human experiences of attraction and courtship mate selection and marriage and love and sex Strongly grounded in methodology and research design the book offers relevant examples and anecdotes along with ample pedagogy that will spark debate and discussion on provocative and complex topics **The Mating Game** Lana

Ferguson, 2025-12-02 Two wolf shifters reluctant to love discover there's no fighting the call of the wild in this steamy romance by USA Today bestselling author Lana Ferguson Contractor Tess Covington has spent her entire life as a regular non shifter human so after she lands in the Denver ER with flu like symptoms it comes as a complete shock to be told that no she's not sick she's actually a late presenting omega wolf shifter With her family in dire financial straits and a contract for her own television show on the line she can't afford not to complete the renovation job she came for And given that her newly emerged wolf is in danger of going into heat she'll just have to do her best to follow the doctor's advice to keep away from alpha shifters Alpha wolf Hunter Barrett has spent most of his adult life living by a routine and a big part of that involves staying clear of omegas after having one stomp on his heart So when the tiny contractor shows up at his place smelling like the one thing he's determined to avoid he thinks it must be some sort of cosmic joke But with his lodge on the verge of failing and this sweet smelling omega his only hope to turn things around he's left with few other options than to grin and bear it Set on avoiding each other as much as possible they find things unexpectedly starting to heat up between them enough to thaw even the frostiest of hearts Though even with the pair going head over paws for each other there's no changing that their fling has an expiration date The more time they spend together the more they realize they're playing a dangerous game one where the only thing on the line is their hearts **The Mating Game** Melissa Snark, 2021-11-09 Two dominant male

wolves must enter a romantic competition for mating rights with the alpha female The winner will claim The Heart of the Iron Stone Pack and take the throne to rule as the Wolf King Single mother Theresa Russo struggles to protect her only child in a treacherous world full of dangerous lies and even more startling truths She has a secret crush on her best friend but their romance is forbidden No one must know no one must suspect until everything changes Unexpectedly Theresa discovers that she commands the wolf magic touch needed to heal the broken pack The current overbearing alpha male rules with an iron fist and encourages rivalry within the pack He has the power to force Theresa into an arranged marriage Need rules her body as she comes into heat but how can she choose only one mate when her body craves both the virile beta and the man she loves Zachary Hunter will do anything to claim his fated mate anything except killing his friend Robert Blane is just as determined to ascend to alpha Both their beasts howl to mark her flesh and bond with her soul but only one can survive to
