way God operates to enable us fulfill individual purposes The totality of good choices brings one to God's perfect destiny On the other hand the result of making wrong choices brings failure and ultimate destruction The book goes deeper in teaching the processes involved in decision making as a tripartite being I trust as you read you would be blessed with the grace to choose what is right in the sight of God so you can walk in His will to fulfill your perfect destiny The book makes reference to biblical characters discussing their choice making processes and the actualization or nonactualization of their divine destiny and purposes based on their choices The book also discusses how managing human feelings and senses influence decisions because life is matter of choices not chances *Too Few to Matter* Joane Martel,2023-11-15T00:00:00-05:00 By focusing on the incarceration of women in Canada and Quebec this book reveals that imprisonment as a penal device is surprisingly tenacious Choices Sara Thomas,2008-10 Choices is a truly inspiring book with a very positive tone to it that would inspire and motivate its readers to view life's situations and circumstances from a positive angle This book is a must read for every professional and every individual who wants to be a better decision maker better parent and better at everything they do The book urges us to pay close attention to our choices that determine our future who we are and who we become It reveals how our choices affect our lives and the lives of those around us The Book reveals how everything in life success failure losses gains and life's issues are all the outcome of our own choices A true original the thoughts presented in this book are right on target The book combines non-fiction with fiction in a very effective manner while encompassing such a wide range of topics The first half of the book deals with a very practical approach of how to overcome barriers and strategize our life to make the most out of it followed by a few humorous yet touching illustrations of the consequences of our poor choices represented by the life of Laloo Laddoo-wala While Bubbly is yet another character many of us will relate to The book has a compelling philosophical tone to it and it ends on a very spiritual note that will touch its readers at a very personal level
