Collectors Edition Matthew Arnold is one of my favorite poets and I think that this collection showcases some of his best work. The poems are mostly his older and longer works so I wouldn't recommend this for someone who likes short poems; some in here are pages long.

Selected Poems of Matthew Arnold Edited, with Intro and Notes Matthew Arnold, 2012-01

Unlike some other reproductions of classic texts:

- 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos.
- 2 In books where there are images such as portraits, maps, sketches, etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Selected Poems of Matthew Arnold Matthew Arnold, 2015-06-12

Excerpt from *Selected Poems of Matthew Arnold*: In making this collection, which is intended primarily for school use, we have tried to keep three things in view. The poems chosen should exhibit Matthew Arnold's special qualities; they should not in subject or in treatment be such as the young could not appreciate, and they should give pupils something to think about in connexion with other poetry and other subjects of study. Poems like *Mycerinus* and *Stanzas from the Grande Chartreuse* are fine as they are, but hardly answer the second test. The short lyrics, as is natural with poems of that type, are noteworthy rather for beauty of expression than for substance. *Sohrab and Rustum* and *Balder Dead*, the first poems in our selection, being avowedly modelled on Homer, we have thought it useful to quote in illustration a few passages of which the imitation is specially close. These are taken mainly from the *Iliad*, and for the translations we have relied on the prose version published by Messrs Lang Leaf. Any imperfections that remain are intentionally left to preserve the state of such historical works.

Selected Poems Matthew Arnold, 1993

A selection of poems by Matthew Arnold. This book is part of a series aimed at the general reader rather than the specialist and as such carries no critical or explanatory apparatus. Other poets featured in this series include Christina Rossetti, John Keats, and Gerard Manley Hopkins.

Selected Poems of Matthew Arnold (Classic Reprint) Matthew Arnold, 2017-06-30

Excerpt from *Selected Poems of Matthew Arnold*: Yes, while on earth a thousand discords ring, Man's senseless uproar mingling with his toil, Still do thy quiet ministers move on, Their glorious tasks in silence perfecting. Still working, blaming still our vain turmoil, Labourers that shall not fail when man is gone.

Selected Letters of Matthew Arnold Matthew Arnold, 1993 Selected Letters of Matthew Arnold is a collection of 216 letters by the Victorian poet and critic Matthew Arnold 1822–88. The letters are arranged chronologically and grouped under four headings that represent stages in Arnold's adult life and career: The Young Poet 1844–51, The Married Poet and Inspector of Schools 1851–57, The Professor of Poetry and Literary Critic 1857–67, and The Critic of Society and Religion 1867–88. In these letters Arnold, who wrote no autobiography, tells the story of his life and expresses his intimate views on a variety of subjects. In order to include the largest possible selection of interesting letters from both previously published and unpublished sources, some of the letters are given in part while others are given in their complete form. Along with the most important letters from the 1895 edition by G. W. E. Russell, principally made up of letters to family members, and the 1932 edition of letters to Author Hugh Clough by Howard F. Lowry, this new collection incorporates many significant letters from other sources, including 49 previously unpublished letters. Most of the Russell and Lowry letters have been newly edited using the manuscript collections at Yale University and Balliol College, Oxford.
