Mark Turney President West Africa School of Theology **John Calvin** John W. de Gruchy, 2013-07-05 2009 is the 500th anniversary of the birth of Calvin the Reformed theologian whose legacy has played such an important role in the shaping of modern South Africa The popular understanding of him as grim moralist proponent of predestination and a

tyrannical God is a caricature but one that does spring from aspects of Calvin's legacy. In this book De Gruchy attempts to restate the Reformed tradition as a transforming force, one that opposed slavery and apartheid and that participated in the struggle for liberation and transformation in this country. De Gruchy considers Christian humanism to be an alternative to both Christian fundamentalism and secularism, as being a Christian is all about being truly human in common with the rest of humanity and has come to the conclusion that there is much to retrieve and celebrate in the Reformed tradition that is of importance for the ecumenical church and global society in the 21st century. The evangelical element in the title refers to the literal meaning of the word 'good news' which is at the heart of being both Christian and human. On the Writing of New Testament Commentaries Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28. The essays in *On the Writing of New Testament Commentaries* survey relevant questions related to the writing of commentaries on the books of the New Testament.

Reformed Ethics, Volume 1 : Volume 1 (Reformed Ethics) Herman Bavinck, 2019-06-18. Herman Bavinck's four-volume *Reformed Dogmatics* is one of the most important theological works of the twentieth century. Leading Bavinck expert John Bolt edited that work which has received wide acclaim. Now Bolt brings forth a recently discovered manuscript from Bavinck in print for the first time which serves as a companion to *Reformed Dogmatics*. *Reformed Ethics* mines the moral teachings of the early church and medieval and Puritan spirituality while addressing a variety of topics, offering readers Bavinck's mature reflections on ethical issues. This book is the first of three planned volumes. Matthew Through the Centuries Ian Boxall, 2018-11-26. The reception of the Gospel of Matthew over two millennia: commentary and interpretation. *Matthew Through the Centuries* offers an overview of the reception history of one of the most prominent gospels in Christian worship. Examining the reception of Matthew from the perspectives of a wide range of interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley, this insightful commentary explains the major trends in the reception of Matthew in various ecclesial, historical and cultural contexts. Focusing on characteristically Matthean features, detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel. Broad exploration of areas such as liturgy, literature, drama, film, hymnody, political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo-Christian civilization. Known as the Church's Gospel, Matthew's text has been the subject of apologetic and theological controversy for hundreds of years. It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship. Matthew has influenced divergent political, spiritual and cultural figures such as Francis of Assisi, John Ruskin, Leo Tolstoy, Dietrich Bonhoeffer and Mahatma Gandhi. Matthew's interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes, communal prayer and liturgical prescriptions for the Eucharist and baptism. A significant addition to the acclaimed Blackwell Bible Commentaries series, *Matthew Through the Centuries* is an indispensable resource for both students and experts in areas including religious and biblical studies, literature, history, politics and those interested in the influence of the Bible on Western culture. **The Prodigal Son in**

English and American Literature Alison M. Jack, 2019 This groundbreaking study focuses on the reconfiguring of the character of the Prodigal Son and his family as they appear in drama novels and poetry in English from the fifteenth to the twenty first centuries English Women, Religion, and Textual Production, 1500-1625 Micheline White, 2016-05-13 Contributing to the growing interest in early modern women and religion this essay collection advances scholarship by introducing readers to recently recovered or little studied texts and by offering new paradigms for the analysis of women's religious literary activities Contributors underscore the fact that women had complex multi dimensional relationships to the religio political order acting as activists for specific causes but also departing from confessional norms in creative ways and engaging in intra as well as extra confessional conflict The volume thus includes essays that reflect on the complex dynamics of religious culture itself and that illuminate the importance of women's engagement with Catholicism throughout the period The collection also highlights the vitality of neglected intertextual genres such as prayers meditations and translations and it focuses attention on diverse forms of textual production such as literary writing patronage epistolary exchanges public reading and epitaphs Collectively English Women Religion and Textual Production 1500 1625 offers a comprehensive treatment of the historical literary and methodological issues preoccupying scholars of women and religious writing

The Gospel of John Charles Raith II, 2017-03-16 The Gospel of John Theological Ecumenical Readings brings together leading Catholic Orthodox and Evangelical theologians to read and interpret John's Gospel from within their ecclesial tradition while simultaneously engaging one another in critical dialogue Combining both theological exegesis and ecumenical dialogue each chapter is uniquely structured with a main essay by a Catholic Orthodox or Evangelical theologian on a section of John's Gospel followed by two responses from theologians of the other two traditions The chapter concludes with a final response from the main author Readers are thus provided with not only a deep and engaging reading of the Gospel of John but also the unfolding of a rich theological ecumenical dialogue centered on an authority for all Christians namely the Gospel of John
