installation art the psychological effect of installations on both artists and viewers and the role the museum has played in
fostering the creative process A foreword by Sheena Wagstaff and essays by Robert Hobbs Rita Carter and Buzz Spector add
depth to this remarkable collection BOOK JACKET The Creative Underground Paul Clements, 2016-09-13 Paul Clements
champions the creative underground and expressions of difference through visionary avant garde and resistant ideas This is
represented by an admixture of utopian literature manifestos and lifestyles which challenge normality and attempt to
reinvent society as practiced for example by radicals in bohemian enclaves or youth subcultures He showcases a range of art
and participatory cultural practices that are examined sociopolitically and historically employing key theoretical ideas which
highlight their contribution to aesthetic thinking political ideology and public discourse A reevaluation of the arts and
progressive modernism can reinvigorate culture through active leisure and post work possibilities beyond materialism and its
constraints thereby presenting alternatives to established understandings and everyday cultural processes The book teases
out the difficult relationship between the individual culture and society especially in relation to autonomy and marginality
while arguing that the creative underground is crucial for a better world as it offers enchantment vitality and hope
