Matthew Spirituality For The 80s And 90s:

Matthew Leonard Doohan,1993-01-01 **Matthew** Leonard Doohan,1985 **Exploring the Spirituality of the Gospels** Patrick J. Hartin,2011-05-01 Within each of the four gospels there is a foundational spirit a spirituality of the gospels That is to say each gospel contains rich images and values central to the Vision of the person of Jesus and to the path toward spiritual transformation in his image In this volume Patrick Hartin first looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin then follows with examples of people who have appropriated the transformative power of these particular spiritualities from Saint Antony and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and Vision **Matthew** Leonard Doohan,2016-08-31 **Matthew A Gospel for a Divided Community** is a work of biblical theology with special interest in spirituality There are very few books available today that approach scripture with the specific interests of spirituality Generally Bible commentaries are exegesis of the text without application or interpretation to real life issues **Matthew** is a work of biblical spirituality In approaching the Gospel of **Matthew** the author deals with all the usual questions of books on the Bible where it was written by whom why when how However in approaching these topics Dr Doohan focuses on the implications for Christians living today For example when he deals with **Matthew** he is not so much interested in historical information as he is in **Matthew** s attitudes and approaches to life which are very relevant and challenging to us today **John** Leonard Doohan,2016-08-31 **John A Daring Vision of Faith** delivers a unique understanding of the good news Dr Doohan calls **John** s Gospel a challenging and refreshing foundational document for Christian faith because it calls to a deep mysticism and avoids the clutter of petty laws and power struggles so typical of inauthentic religion **John** s Gospel has always been characterized as coming from the fruits of reflection and deep prayer and it cannot be comprehended unless one enters into a deep mystical state The author aids the reader in entering this spiritual state required to truly know **John** s gospel of Christ **Contemporary Catholic Theology** Michael A. Hayes,Liam Gearon,1999-03-01 The contents of this volume offer the reader a broad insight into Catholic theology Established as an indispensable introduction to six areas of study The Old Testament The New Testament The Person of Jesus The Church Christian Morality and The Sacraments This collection provides key texts from some of the most distinguished writers in Catholic theology today Contributors include Philippe BTguerie and Claude Duchesneau Christopher Butler Raymond Brown S S Joseph A Fitzmyer S J Gideon Goosen and Margaret Tomlinson John H Hayes Monika Hellwig Aidan Kavanagh O S B Dermot A Lane Enda Lyons Vincent MacNamara Richard P McBrien Enda McDonagh Joseph Martos Robert Murray S J Denis F O Callaghan Timothy E O Connell John F O Grady Jean Pierre PrTvost Thomas P Rausch S J Jeffrey S Siker Daniel L Smith Christopher Francis Sullivan S J *Pentecostalism in Context* Wonsuk Ma,Robert P. Menzies,2008-01-04 *Pentecostalism in Context* is a collection of essays produced by Pentecostal scholars from North America

Europe and Asia The essays produced in their various geographical and cultural contexts reflect the rich diversity that characterizes the Pentecostal movement Biblical theological and missiological issues relevant to the Pentecostal movement are treated The book thus represents a valuable resource for those seeking to understand better the key intellectual currents within this dynamic and influential movement The essays are offered in honor of William Menzies a leading Pentecostal scholar and Chancellor of Asia Pacific Theological Seminary Baguio City Philippines *Mark Leonard Doohan, 2016-08-31*

Mark is one of the most daring figures of the early church but at the same time he is not easily labeled He is the first to assemble the oral traditions about Jesus thereby showing his fidelity and devotion to the past But he is equally forceful in challenging his own church's accumulated traditions especially those he does not see as authentically representative of the events of Jesus's life and ministry He respectfully documents the authority of church leaders and still feels free to challenge them At times it is difficult to know what to make of Mark One point is clear no Christian of any time can read this gospel without being challenged by it *Acts of the Apostles Leonard Doohan, 2016-08-31*

The author of Acts is a wonderful catechist and pastoral leader an exciting person who demonstrates a creative responsibility for the faith and approaches critical issues with insight At a major turning point in the history of early Christianity Luke interprets Jesus's message for new times and new conditions Thus he provides an example for present day communities to follow in their constant efforts to be faithful while presenting Jesus's message in ways that are relevant to changing times and cultures Acts is a wonderful book to read for any disciple but especially for anyone involved in the ongoing renewal of church life today **The**

Corinthian Correspondence Helen Doohan, 2016-08-18 The Corinthian correspondence and the community it reflects are exciting and exasperating interesting and complex The letters offer us a window of opportunity to view Paul's personal and pastoral presence in his growing relationship with this church Struggling with his own history the history of the community and the newness of the Gospel he preaches Paul identifies an approach that balances tradition and innovation theological foundations and principles of action The passion persuasion and purpose of the apostle permeate these letters and no one is unaware that the Lord Jesus is the center of his Gospel message and of his life Paul offers insight into the commitment of early apostles disciples and ministers in the Corinthian community He personally experiences the dying and rising of Christ in his work with this community giving a ring of truth to his own assessment of Christian life and ministry Only faith transforms adversity into an opportunity for growth and Paul's faith and perseverance offer hope to those of us who continue to experience the paradoxes of Christian life and ministry
