More Than Seduction:

More Than Seduction Cheryl Holt, 2025-06-25 Mrs Anne Smythe's Healing Spa and Bathing Emporium is a haven for fashionable women who believe the waters have aphrodisiac properties Yet the prim proprietress never thinks of testing that theory until grievously injured Captain Stephen Chamberlin is deposited on her doorstep Every minute the war hero spends under her roof courts scandal It isn't long before she discovers that having such a man at her mercy arouses her in ways she never thought possible as their therapeutic sessions in the hot springs have become steamy trysts Anne wishes would never end Stephen thought he had reached his lowest point when the war rendered him an invalid He's proven wrong when his sister and best friend leave him in the care of the tantalizing Mrs Anne Smythe Yet as the healing waters work their magic so does the widow Smythe Beneath her unflappable exterior lies an alluring woman warm witty and refreshingly open to sensual experimentation But when mutual pleasure turns to forbidden love can two people outwit the forces that would see them torn apart

Seduction, Sophistry, and the Woman with the Rhetorical Figure Michelle Ballif, 2001 Ballif questions why the profession wants to retain these beliefs in the face of vociferous arguments from new rhetorics that the discipline no longer posits a foundational self or truth and in the face of the poststructuralist critique which has demonstrated that founding truth is always accomplished by first positing and then negating an other As an alternative to this negative and violent rhetorical process Ballif suggests a turn to sophistry as embodied in the figure of Woman one with the power to seduce us literally to

Higgins, 1993-07-15 Rape does not have to happen The fact that it does and in the United States a rape is reported every six minutes indicates that we live in a rape prone culture where rape or the threat of rape functions as a tool for enforcing sexual difference and hierarchy Rape and Representation explores how cultural forms construct and reinforce social attitudes and behaviors that perpetuate sexual violence The essays proceed from the observation that literature not only reflects but also contributes to what a society believes about itself Fourteen essays by authors in the fields of English American and African

American German African Brazilian Classical and French literatures and film present a wide range of texts from different historical periods and cultures Contributors demythologize patriarchal representation in literature and art in order to show how it makes rape seem natural and inevitable Contributors include the editors John J Winkler Patricia Klindiest Joplin Susan Winnett Ellen Rooney Copp lia Kahn Eileen Julien Marta Peixoto Kathryn Gravdal Carla Freccero Nellie V McKay Nancy A Jones and Froma I Zeitlin Their work raises pressing and often difficult questions for feminist criticism **Bureau**

Publication ,1925 **Improper Advances** Karen Dubinsky,1993-09-15 This book provides a study of women men and sexual crime in rural and northern Ontario expanding the terms of current debates about sexuality and sexual violence Karen Dubinsky relies on criminal case files a revealing but largely untapped source for social historians to retell individual stories of sexual danger crimes such as rape abortion seduction murder and infanticide Her research supports many feminist analyses of sexual violence that crimes are expressions of power that courts are prejudiced by the victim s background and that most assaults occur within the victim s homes and communities But she refuses to view women solely as victims and sex as a tool of oppression demonstrating that these women actively distinguished between wanted and unwanted sexual encounters and that they attempted to punish coercive sex despite obstacles in the court system and the community

Consent Alan Reed,Michael Bohlander,Nicola Wake,Emma Smith,2016-10-14 This volume presents a leading contribution to the substantive arena relating to consent in the criminal law In broad terms the ambit of legally valid consent in extant law is contestable and opaque and reveals significant problems in adoption of consistent approaches to doctrinal and theoretical underpinnings of consent This book seeks to provide a logical template to focus the debate The overall concept addresses three specific elements within this arena embracing an overarching synergy between them This edifice engages in an examination of UK provisions with specialist contributions on Irish and Scottish law and in contrasting these provisions against alternative domestic jurisdictions as well as comparative contributions addressing a particularised research grid for consent The comparative chapters provide a wider background of how other legal systems treat a variety of specialised issues relating to consent in the context of the criminal law The debate in relation to consent principles continues for academics practitioners and within the criminal justice system Having expert descriptions of the wider issues surrounding the particular discussion and of other legal systems approaches serves to stimulate and inform that debate This collection will be a major source of reference for future discussion *Critical Social Theory* Tim Dant,2004-01-15 Critical theory has left an indelible mark on postwar social thought But what are the relations between critical theory and the cultural turn How did critical theory inform later French critical theorists such as Lefebvre Barthes and Baudrillard This accomplished and accessible book Demonstrates the origins of critical theory in the Marxian analysis of the capitalist mode of production and Freudian psychoanalysis Clearly explains the main achievements of critical theory Elucidates how critical theory defines culture as a system that constrains and alienates the individual Explores the potential for social change and personal

emancipation in the critical heritage The author locates the importance of myth and reason the significance of sexuality the place of work the difference between art and entertainment the nature of everyday life and the relationship between knowledge and action The result is a lucid and informative text which will appeal to all students interested in the critical traditions of social thought **Official Gazette** Philippines, 1914
