## **Moses Of Oxford A Jewish Vision Of A University And Its Life:**

**Moses of Oxford** Shmuel Boteach,1994      **Our Friend "The Enemy"** Thomas Weber,2008 At once a book about Oxford and Heidelberg University and about the character of European society on the eve of the World War I **Our Friend The Enemy** challenges the idea that pre 1914 Europe was bound to collapse      **The Jewish Year Book** ,2001      **A New Vision of Southern Jewish History** Mark K. Bauman,2019-05-14 Winner of the 2023 Southern Jewish Historical Society Book Award Essays from a prolific career that challenge and overturn traditional narratives of southern Jewish history Mark K Bauman one of the foremost scholars of southern Jewish history working today has spent much of his career as he puts it rewriting southern Jewish history in ways that its earliest historians could not have envisioned or anticipated and doing so by specifically targeting themes and trends that might not have been readily apparent to those scholars **A New Vision of Southern Jewish History** Studies in Institution Building Leadership Interaction and Mobility features essays collected from over a forty year career including a never before published article The prevailing narrative in southern Jewish history tends to emphasize the role of immigrant Jews as merchants in small southern towns and their subsequent struggles and successes in making a place for themselves in the fabric of those communities Bauman offers assessments that go far beyond these simplified frameworks and draws upon varieties of subject matter time periods locations tools and perspectives over three decades of writing and scholarship **A New Vision of Southern Jewish History** contains Bauman s studies of Jewish urbanization acculturation and migration intra and inter group relations economics and business government civic affairs transnational diplomacy social services and gender all complicating traditional notions of southern Jewish identity Drawing on role theory as informed by sociology psychology demographics and the nature and dynamics of leadership Bauman traverses a broad swath often urban of the southern landscape from Savannah Charleston and Baltimore through Atlanta New Orleans Galveston and beyond the country to Europe and Israel Bauman s retrospective volume gives readers the opportunity to review a lifetime of work in a single publication as well as peruse newly penned introductions to his essays The book also features an Additional Readings section designed to update the historiography in the essays      **A Psychoanalytic History of the Jews** Avner Falk,1996 This includes the evolution of the Hebrew religion as a projective response to the inner conflicts produced by the human family the sociopsychological development of the Israelite kingdoms in Canaan the fascinating duality of Jewish life in the Diaspora and the emotional ties of the Jews to their idealized motherland from the Babylonian exile to modern political Zionism      **The Despoliation of Egypt** Joel Stevens Allen,2008 This work examines the role played by the biblical motif of the despoliation of Egypt in the understanding Gentiles had of Jews and how Jews defended themselves their heroes and their God in the face of anti Jewish slander It also examines the manner in which Christians learned from their rabbinic counterparts how to defend Moses and his God against the gnostic challenge Beginning with Philo and based on haggadic additions the embarrassment of the episode was healed through

allegory and became a critically important biblical justification for the Christian appropriation of the Egyptian treasures of their Greco Roman cultural heritage This work describes how Christians borrowed exegetical traditions from rabbis not only to defend their sacred texts against gnostic attacks but to justify their interest in and appropriation of non Christian philosophy in their theological understandings

**Missionaries, Converts, and Rabbis** David B. Ruderman, 2020-05-01 An examination of the life and work of Alexander McCaul and his impact on Jewish Christian relations In *Missionaries Converts and Rabbis* David B Ruderman considers the life and works of prominent evangelical missionary Alexander McCaul 1799 1863 who was sent to Warsaw by the London Society for the Promotion of Christianity Amongst the Jews He and his family resided there for nearly a decade which afforded him the opportunity to become a scholar of Hebrew and rabbinic texts Returning to England he quickly rose up through the ranks of missionaries to become a leading figure and educator in the organization and eventually a professor of post biblical studies at Kings College London In 1837 McCaul published *The Old Paths* a powerful critique of rabbinic Judaism that once translated into Hebrew and other languages provoked controversy among Jews and Christians alike Ruderman first examines McCaul in his complexity as a Hebraist affectionately supportive of Jews while opposing the rabbis He then focuses his attention on a larger network of his associates both allies and foes who interacted with him and his ideas two converts who came under his influence but eventually broke from him two evangelical colleagues who challenged his aggressive proselytizing among the Jews and lastly three Jewish thinkers two well known scholars from Eastern Europe and a rabbi from Syria who refuted his charges against the rabbis and constructed their own justifications for Judaism in the mid nineteenth century *Missionaries Converts and Rabbis* reconstructs a broad transnational conversation between Christians Jews and those in between opening a new vista for understanding Jewish and Christian thought and the entanglements between the two faith communities that persist in the modern era Extending the geographical and chronological reach of his previous books Ruderman continues his exploration of the impact of Jewish Christian relations on Jewish self reflection and the phenomenon of mingled identities in early modern and modern Europe

**The Jewish Legal Tradition** Ari Mermelstein, Suzanne Last Stone, Yair Lorberbaum, 2025-02-28 This book provides an in depth exploration of the Jewish legal tradition or halakhah through the lens of modern legal philosophy The interdisciplinary approach of the book makes complex ideas accessible offering insights into how Jewish legal thought both parallels and diverges from modern legal theory By examining primary sources through a contemporary legal theoretical framework the volume offers a pedagogical approach to halakhah Readers will gain a nuanced understanding of the deep structure of Jewish law through the rigorous application of modern legal philosophy The book s structured approach dividing chapters into conceptual discussions primary source analyses and synthetic reflections provides a comprehensive guide for exploring Jewish legal thought The collection not only enhances the study of halakhah but also contributes to broader discussions in legal theory and philosophy making it a valuable resource for diverse audiences The book is intended for scholars and

students of Jewish law legal theory and Jewish studies It is also designed for law schools Judaic studies programs and lay readers interested in the philosophical dimensions of religious legal systems      *The Specter of the Jews* Ari

Finkelstein,2018-11-06 In the generation after Constantine the Great elevated Christianity to a dominant position in the Roman Empire his nephew the Emperor Julian sought to reinstate the old gods to their former place of prominence in the face of intense opposition from the newly powerful Christian church In early 363 c e while living in Syrian Antioch Julian redoubled his efforts to hellenize the Roman Empire by turning to an unlikely source the Jews With a war against Persia on the horizon Julian thought it crucial that all Romans propitiate the true gods and gain their favor through proper practice To convince his people he drew on Jews whom he characterized as Judeans using their scriptures institutions practices and heroes sometimes as sources for his program and often as models to emulate In *The Specter of the Jews* Ari Finkelstein examines Julian s writings and views on Jews as Judeans a venerable group whose religious practices and values would help delegitimize Christianity and surprisingly shape a new imperial Hellenic pagan identity      *The Apocalyptic Letter to the Galatians* James M. Scott,2021-05-18 One apocalyptic reading of Paul s letter to the Galatians has been attempted before and is now widely accepted but that reading is not based on a thorough engagement with Jewish apocalyptic traditions of the Second Temple period In this book James M Scott argues that there is an essential continuity between Galatians and Paul s Jewish past and that Paul uses the apocalyptic Epistle of Enoch 1 Enoch 92 105 as a literary model for his own letter Scott first contextualizes the Epistle of Enoch using the entire Enochic corpus and explores the extensive similarities and some significant differences between the Enochic tradition and early Stoicism Then he turns to deal specifically with Paul s letter to the Galatians showing that despite their obvious differences the two apocalyptic letters have some remarkable features in common as well This approach to the interpretation of Galatians fundamentally stands to change the way biblical scholars understand Paul s letter and the gospel that he preached Paul is within Judaism if the net for what is included in Judaism is wide enough to encompass the Enochic tradition      **A-L** Alan Soble,2006      *Magic in the Ancient Eastern Mediterranean*

Nina Nikki,Kirsi M.J. Valkama,2020-12-14 *Magic in the Ancient Eastern Mediterranean* Cognitive Historical and Material Perspectives brings together articles with the shared conviction that the category of magic remains useful in religious studies and provides new insights to biblical and related texts and artifacts Historically magic has been considered in both scholarly and popular discourse to be questionable obscure and potentially subversive 19th century scholars of religion viewed magical beliefs and practices as primitive and inferior compared to Judeo Christian forms of worship which were considered true religion More recently the category has been defended especially by scholars of the cognitive science of religion who find it useful for delineating a set of beliefs and practices fundamental to all forms of religion The volume joins current scholarship in refraining from using the concept as an othering device and in arguing that it can still serve as a helpful analytical tool In addition to analyzing the discourse on magic in both ancient literature and modern scholarship the articles provide individual

examples of how literary and material culture attest to the existence of magical beliefs and practices in sources from the Ancient Near East to the Byzantine Period The book is divided into three parts The contributions in the first part approach magic from the theoretical perspective of cognitive studies ritual studies and cultural evolution while the rest of the book focuses on how magic and magicians are understood in ancient sources The second part discusses a specific set of textual material dealing with blessings and curses The third part of the volume discusses the world of various destructive celestial beings from which one and one's loved ones had to be defended as well as the multitude of protective beings such as angels

*Using Our Outside Voice* Greg Carey, 2020-05-05 In *Using Our Outside Voice* Greg Carey contends that responsible public biblical interpretation requires the ability to enter a conversation about the Bible to understand the various arguments in play and to offer informed opinions that others can understand This role demands not only basic knowledge but also identifiable skills habits and dispositions Carey does not suggest that public interpreters of the Bible are more insightful or more correct than are other people But public biblical interpretation involves participating in reasoned conversations about the Bible and its significance People appeal to the Bible for all sorts of reasons The work of public biblical interpretation involves a level of accountability both scholarly and moral Carey encourages interpreters to develop proficiency in historical cultural and literary modes of interpretation as well as to cultivate familiarity with a broad range of interpretive options including those from diverse cultural locations and historical points of view Many interpreters work within the context of particular faith traditions and are accountable for engaging those traditions in meaningful constructive ways Public interpreters also are accountable for the ethical implications of their work *Using Our Outside Voice* is ideal for students in biblical studies and those who teach preach and interpret the Bible

**The Protection of Cultural Heritage During Armed Conflict** Noelle Higgins, 2020-04-13 This book analyses the current legal framework seeking to protect cultural heritage during armed conflict and discusses proposed and emerging paradigms for its better protection Cultural heritage has always been a victim of conflict with monuments and artefacts frequently destroyed as collateral damage in wars throughout history In addition works of art have been viewed as booty by victors and stolen in the aftermath of conflict However deliberate destruction of cultural sites and items has also occurred and the intentional destruction of cultural heritage has been a hallmark of recent conflicts in the Middle East and North Africa where we have witnessed unprecedented systematic attacks on culture as a weapon of war In Iraq Syria Libya Yemen and Mali extremist groups such as ISIS and Ansar Dine have committed numerous acts of iconoclasm deliberately destroying heritage sites and looting valuable artefacts symbolic of minority cultures This study explores how the international law framework can be fully utilised in order to tackle the destruction of cultural heritage and analyses various paradigms which have recently been suggested for its better protection including the Responsibility to Protect paradigm and the peace and security paradigm This volume will be an essential resource for scholars and practitioners in the areas of public international law especially international

humanitarian law and cultural heritage law      Studies in Modern Jewish and Hindu Thought M. Chatterjee, 1997-01-28 The book compares modern Jewish and Hindu thought through discussing selected writers with reference to common issues treated by them issues which are still relevant today The writers are Mahatma Gandhi Max Nordau A D Gordon Martin Buber Sri Aurobindo Rav Kook and Rabindranath Tagore The issues include the following the critique of civilisation the concept of labour self definition vis a vis east and west the pursuit of realisation either individually or collectively the use of evolution as a resource concept and the critique of nationalism which ran parallel to its pursuit      **Bible and Cinema** Adele

Reinhartz, 2013-10-08 This is a comprehensive introduction to the ways in which the Bible has been used and represented in mainstream cinema Adele Reinhartz considers the pervasive use of the Bible in feature films and the medium of film as part of the Bible's reception history The book examines how films draw on the Old and New Testament and the figure of Jesus Christ in various direct and indirect ways to develop their plots characters and themes As well as movies that set out explicitly to retell biblical stories in their ancient context it explores the ways in which contemporary fictional feature films make use of biblical narrative Topics covered include how filmmakers make use of scripture to address and reflect their own time and place the Bible as a vehicle through which films can address social and political issues reflect human experiences and emotions explore existential issues such as evil and death and express themes such as destruction and redemption the role of the Bible as a source of ethics and morality and how this connection is both perpetuated and undermined in a range of contemporary Hollywood films films that create an experience of transcendence and the ways in which the Bible figures in that experience Reinhartz offers insightful analysis of numerous films including The Ten Commandments and The Shawshank Redemption paying attention to visual and aural elements as well as plot character and dialogue Students will find this an invaluable guide to a growing field      **The Politics of Jewishness in Contemporary World Literature** Isabelle

Hesse, 2016-02-11 Reading a wide range of novels from post war Germany to Israeli Palestinian and postcolonial writers The Politics of Jewishness in Contemporary World Literature is a comprehensive exploration of changing cultural perceptions of Jewishness in contemporary writing Examining how representations of Jewishness in contemporary fiction have wrestled with such topics as the Holocaust Israeli Palestinian relations and Jewish diaspora experiences Isabelle Hesse demonstrates the colonial turn taken by these representations since the founding of the Jewish state Following the dynamics of this turn the book demonstrates new ways of questioning received ideas about victimhood and power in contemporary discussions of postcolonialism and world literature      *Patristic Spirituality*, 2022-09-19 How does one grow holy in such times This question drove the early Christian imagination no less than it does today Patristic Spirituality Classical Perspectives on Ascent to the Divine features numerous studies offering an itinerary for early Christian believers wishing to enter into the divine presence Readers will discover an array of perennial early Christian wisdom into the practical challenges of ascent a work of God in Christ transforming and incorporating us says Lewis Ayres See how early Christians cultivated the life of
