Philosophy Feminism At The Border

Mariana Ortega

Philosophy Feminism At The Border:

Philosophy & Feminism Andrea Nye,1995 In complex and lucid prose Nye then moves methodically through the major contemporary fields in philosophy logic ethics epistemology philosophy of language and political theory in order to demonstrate the ways in which contemporary feminist thought is challenging basic presuppositions in each of these fields In every case she offers fair and articulate summaries of the major debates for and against incorporating feminist perspectives in mainstream philosophy while presenting compelling arguments for her own vision of the crucial role that feminist philosophy should play in transforming her discipline Feminism on the Border Sonia Saldívar-Hull,2000-05-09 Sonia Saldívar Hull's book proposes two moves that will no doubt leave a mark on Chicano a and Latin American Studies as well as in cultural theory The first consists in establishing alliances between Chicana and Latin American writers activists like Gloria Anzaldúa and Cherrie Moraga on the one hand and Rigoberta Menchú and Domitilla Barrios de Chungara on the other The second move consists in looking for theories where you can find them in the non places of theories such as prefaces interviews and narratives By underscoring the non places of theories Sonia Saldívar Hull indirectly shows the geopolitical distribution of knowledge between the place of theory in white feminism and the theoretical non places of women of color and of third world women Saldívar Hull has made a signal contribution to Chicano a Studies Latin American Studies and cultural theory Walter D Mignolo author of Local Histories Global Designs Coloniality Subaltern Knowledges and Border Thinking This is a major critical claim for the sociohistorical contextualization of Chicanas who are subject to processes of colonization our conditions of existence Through a reading of Anzaldúa Cisneros and Viramontes Saldívar Hull asks us to consider how the subalternized text speaks how and why it is muted How do testimonio autobiography and history give shape to the literary where embodied wholeness may be possible It is a critical de centering of American Studies and Mexican Studies as usual as she traces our cross ed genealogies situated on the borders Norma Alarcon Professor of Ethnic Studies University of California Berkeley

Feminist Philosophy Herta Nagl-Docekal,2018-03-08 Are we in a post feminist era Has the term feminist grown out of its resisted stance What from today's standpoint is an appropriate concept of feminist philosophy And is it not the case that all people thinking democratically must share its central concern In this book internationally acclaimed philosopher Herta Nagl-Docekal discusses and critiques the theories of today Her study ranges across philosophical anthropology aesthetics philosophy of science the critique of reason political theory and philosophy of law Continually confronting the persistent problem of the hierarchical relations of the sexes Nagl-Docekal affirms the importance of feminist thought as she presses for effective approaches to common problems Ethnography at the Border Pablo Vila,2003 Focusing on a particular area of the U S Mexico border Ciudad Juárez El Paso Ethnography at the Border brings out the complexity of the border experience through the voices of the diverse people who inhabit the region In a series of essays that investigate specific aspects of border existence the contributors provide rich and detailed insights into such topics as life in illegal subdivisions called

colonias in Texas the experience of actually crossing the bridge between El Paso and Ciudad Juarez the impact of Operation Blockade on illegal crossings the controversy surrounding the El Paso Border Patrol's proposal for a border wall in Sunland Park the paradoxes of making American products using Mexican workers and the relevance of grassroots efforts environmental problems and the multiple meanings of Mexican The final chapter offers a critique of the all too metaphorical border often depicted by cultural studies Book jacket

Global Border Crossings Kathryn Norsworthy, Ellyn Kaschak, 2013-09-13 This book brings together a group of feminist activists psychologists and peace workers from countries on every continent who describe how they apply global transnational feminism in their activist peace and justice projects in the cultures and countries in which they live and work The contributors who are from different locations in the global village reflect on their engagement in Global South North border crossings and partnerships taking into consideration such variables as the gender economic class ethnic racial political and imperializing colonizing tensions inherent in the work Authors discuss the feminist principles that guide their work describe a project or set of projects illustrating how they apply feminist theory and practice and reflect on the complexities tensions and conundrums inherent in negotiating cross national feminist partnerships in research practice and activism This book was originally published as a special issue of Women Therapy

Border Transgression Eva Youkhana, 2017-10-02 This volume addresses processes of human mobility in times of crisis from different scientific perspectives and at a global and trans regional level The first part sets out to discuss established paradigms in migration studies and politics in order to suggest new approaches to analyse mobility migration and to challenge boundary making approaches The second part presents empirical cases from Latin America and Spain to demonstrate how migrants challenge negotiate and mobilize citizenship and belonging The third part deals with the question how belonging is produced and identity is constructed at a transnational level New information and communication technologies human mobility but also the mobility of concepts ideas and values foster these collectivization processes across and within physical and symbolic borders

Decolonial Voices Arturo J. Aldama, Naomi Helena Quiñonez, 2002-04-04 Decolonial Voices brings together a body of theoretically rigorous interdisciplinary essays that articulate and expand the contours of Chicana and Chicano cultural studies

Bodily Exchanges, Bioethics and Border Crossing Erik Malmqvist, Kristin Zeiler, 2015-12-14 Medical therapy research and technology enable us to make our bodies or parts of them available to others in an increasing number of ways This is the case in organ tissue egg and sperm donation as well as in surrogate motherhood and clinical research Bringing together leading scholars working on the ethical social and cultural aspects of such bodily exchanges this cutting edge book develops new ways of understanding them Bodily Exchanges Bioethics and Border Crossing both probes the established giving and selling frameworks for conceptualising bodily exchanges in medicine and seeks to develop and examine another less familiar framework that of sharing A framework of sharing can capture practices that involve giving up and giving away part of one's body such as organ and tissue donation

and practices that do not such as surrogacy and research participation Sharing also recognizes the multiple relationalities that these exchanges can involve and invites inquiry into the context in which they occur In addition the book explores the multiple forms of border crossing that bodily exchanges in medicine involve from the physical boundaries of the body to relational borders as can happen in surrogacy to national borders and the range of ethical issues that these various border crossings can give rise to Engaging with anthropology sociology philosophy and feminist and postcolonial perspectives this is an original and timely contribution to contemporary bioethics in a time of increasing globalization It will be of use to students and researchers from a range of humanities and social science backgrounds as well as medical and other healthcare professionals with an interest in bioethics

Border Crossings Fred Dallmayr, 1999-08-25 Comparative political theory is at best an embryonic and marginalized endeavor As practiced in most Western universities the study of political theory generally involves a rehearsal of the canon of Western political thought from Plato to Marx Only rarely are practitioners of political thought willing and professionally encouraged to transgress the canon and thereby the cultural boundaries of North America and Europe in the direction of genuine comparative investigation Border Crossings presents an effort to remedy this situation fully launching a new era in political theory Thirteen scholars from around the world examine the various political traditions of West South and East Asia and engage in a reflective cross cultural discussion that belies the assumptions of an Asian essence and of an unbridgeable gulf between West and non West The denial of essential differences does not however amount to an endorsement of essential sameness As viewed and as practiced by contributors to this ground breaking volume comparative political theorizing must steer a course between uniformity and radical separation this is the path of border crossings

Beyond the Border Steven Aschheim, 2018-06-05 The modern German Jewish experience through the rise of Nazism in 1933 was characterized by an explosion of cultural and intellectual creativity Yet well after that history has ended the influence of Weimar German Jewish intellectuals has become ever greater Hannah Arendt Gershom Scholem Theodor Adorno Walter Benjamin Franz Rosenzweig and Leo Strauss have become household names and possess a continuing resonance Beyond the Border seeks to explain this phenomenon and analyze how the German Jewish legacy has continuingly permeated wider modes of Western thought and sensibility and why these migr s occupy an increasingly iconic place in contemporary society Steven Aschheim traces the odyssey of a fascinating group of German speaking Zionists among them Martin Buber and Hans Kohn who recognized the moral dilemmas of Jewish settlement in pre Israel Palestine and sought a binationalist solution to the Arab Israel conflict He explores how German Jewish migr historians like Fritz Stern and George Mosse created a new kind of cultural history written against the background of their exile from Nazi Germany and in implicit tension with postwar German social historians And finally he examines the reasons behind the remarkable contemporary canonization of these Weimar intellectuals from Arendt to Strauss within Western academic and cultural life Beyond the Border is about more than the physical act of departure It also points to the pioneering ways these migr s questioned

normative cognitive boundaries and have continued to play a vital role in addressing the predicaments that engage and perplex us today

In-Between Mariana Ortega, 2016-03-14 Draws from Latina feminism existential phenomenology and race theory to explore the concept of selfhood This original study intertwining Latina feminism existential phenomenology and race theory offers a new philosophical approach to understanding selfhood and identity Focusing on writings by Gloria Anzaldúa María Lugones and Linda Martín Alcoff Mariana Ortega articulates a phenomenology that introduces a conception of selfhood as both multiple and singular Her Latina feminist phenomenological approach can account for identities belonging simultaneously to different worlds including immigrants exiles and inhabitants of borderlands Ortega's project forges new directions not only in Latina feminist thinking on such issues as borders mestizaje marginality resistance and identity politics but also connects this analysis to the existential phenomenology of Martin Heidegger and to such concepts as being in the world authenticity and intersubjectivity The pairing of the personal and the political in Ortega's work is illustrative of the primacy of lived experience in the development of theoretical understandings of who we are In addition to bringing to light central metaphysical issues regarding the temporality and continuity of the self Ortega models a practice of philosophy that draws from work in other disciplines and that recognizes the important contributions of Latina feminists and other theorists of color to philosophical pursuits

Views Beyond the Border Country Dennis Dworin, Leslie Roman, 2013-12-16 This collection examines the influence of Raymond Williams on the work of radical intellectuals It especially looks at the limitation of Williams political vision and commitment

Theories of the Flesh Andrea J. Pitts, 2020 A theory in the flesh means one where the physical realities of our lives all fuse to create a politic born of necessity writes activist Cherríe L. Moraga This volume of new essays stages an intergenerational dialogue among philosophers to introduce and deepen engagement with U.S. Latinx and Latin American feminist philosophy and to explore their theories in the flesh It explores specific intellectual contributions in various topics in U.S. Latinx and Latin American feminisms that stand alone and are unique and valuable analyzes critical contributions that U.S. Latinx and Latin American interventions have made in feminist thought more generally over the last several decades and shows the intellectual and transformative value of reading U.S. Latinx and Latin American feminist theorizing The collection features a series of essays analyzing decolonial approaches within U.S. Latinx and Latin American feminist philosophy including studies of the functions of gender within feminist theory everyday modes of resistance and methodological questions regarding the scope and breadth of decolonization as a critical praxis Additionally essays examine theoretical contributions to feminist discussions of selfhood narrativity and genealogy as well as novel epistemic and hermeneutical approaches within the field A number of contributors in the book address themes of aesthetics and embodiment including issues of visual representation queer desire and disability within U.S. Latinx and Latin American feminisms Together the essays in this volume are groundbreaking and powerful contributions in the fields of U.S. Latinx and Latin American feminist philosophy

Border Identifications Pablo Vila, 2009-06-03 From poets to

sociologists many people who write about life on the U S Mexico border use terms such as border crossing and hybridity which suggest that a unified culture neither Mexican nor American but an amalgamation of both has arisen in the borderlands But talking to people who actually live on either side of the border reveals no single commonly shared sense of identity as Pablo Vila demonstrated in his book *Crossing Borders Reinforcing Borders Social Categories Metaphors and Narrative Identities on the U S Mexico Frontier* Instead people living near the border like people everywhere base their sense of identity on a constellation of interacting factors that includes regional identity but also nationality ethnicity and race In this book Vila continues the exploration of identities he began in *Crossing Borders Reinforcing Borders* by looking at how religion gender and class also affect people s identifications of self and others among Mexican nationals Mexican immigrants Mexican Americans Anglos and African Americans in the Ciudad Ju rez El Paso area Among the many fascinating issues he raises are how the perception that all Mexicans are Catholic affects Mexican Protestants and Pentecostals how the discourse about proper gender roles may feed the violence against women that has made Ju rez the women s murder capital of the world and why class consciousness is paradoxically absent in a region with great disparities of wealth His research underscores the complexity of the process of social identification and confirms that the idealized notion of hybridity is only partially adequate to define people s identity on the U S Mexico border

Contemporary Feminist Pragmatism Maurice Hamington, Celia Bardwell-Jones, 2012-08-21 The notion of feminist pragmatism or pragmatist feminism has been around since Charlene Haddock Seigfried introduced it two decades ago However the bulk of the work in this field has been directed toward recovering the feminist strain of classical American philosophy largely through renewed interest in the work of Jane Addams This exploration of the origins of feminism and pragmatism has been fruitful in building a foundation for theoretical considerations The editors of this volume believe the next logical step is the contemporary application to both theory and experience *Contemporary Feminist Pragmatism* is the first book to address the modern significance of the nexus of feminism and pragmatism The issues explored here include the relationship between community and identity particularly around the impact of gender and race reframing political practice regarding feminist pragmatist commitments including education sustainability movements and local efforts like community gardens and the association between ethics and inquiry including explorations of Buddhism hospitality and animal human relationships

Like an Animal: Critical Animal Studies Approaches to Borders, Displacement, and Othering, 2021-06-17 The contributors of *Like an Animal* challenge most fundamental concepts in the fields of racism dehumanization borders displacement and refugees that rest on the assumption of humanism They show how we can bend the arc of the moral universe toward justice at the border The goal of this interdisciplinary collection is twofold First to invite border migration studies to consider a broader social justice perspective that includes nonhuman animals Second to start a discussion if nonhumans maybe refugees of a kind and how humans can address nonhumans interests and needs from the perspective of addressing refugee issues As capitalism and the climate

crisis are taking a catastrophic toll on the planet this timely volume exposes the alternative origins of violence that lie at the heart of the planet's destruction

The Art of Feminism, Revised Edition Helena Reckitt, 2022-11-01 Featuring a new package and an additional 60 pages of material this revised edition of *The Art of Feminism* covers an even more impressive range of artworks artists movements and perspectives Since the debut of the original volume in 2018 *The Art of Feminism* has offered readers an in depth examination of its subject that is still unparalleled in scope The comprehensive survey traces the ways in which feminists from the suffragettes and World War II era workers through twentieth century icons like Judy Chicago and Carrie Mae Weems to the contemporary cutting edge figures Zanele Muholi and Andrea Bowers have employed visual arts in transmitting their messages With more than 350 images of art illustration photography and graphic design this stunning volume showcases the vibrancy of the feminist aesthetic over two centuries The new updated edition of the book features revised and expanded material in each of the book's original sections as well as entirely new material dedicated to the art pieces that have shifted the landscape of feminist art today This new material includes women artists of the Bauhaus grassroots and experimental curatorial efforts a broader range of performance artists and recent art shows and works such as Kara Walker's *Fons Americanus* which debuted at London's Tate Modern museum in 2020

UNIQUE IN SCOPE The breadth and inclusiveness of this volume sets it apart and makes it the definitive book on international feminist art The new edition brings the book into the current moment ensuring that this groundbreaking volume remains relevant and fresh It features an astonishing roster of artists including Barbara Kruger Sophie Calle Marina Abramovic Judy Chicago Faith Ringgold Cindy Sherman Ana Mendieta Zanele Muholi Mickalene Thomas Louise Bourgeois Shirin Neshat Andrea Bowers Pina Bausch JEB Amrita Sher Gil Luchita Hurtado Ayana Jackson Patrisse Cullors

EXPERT AUTHORS Lead author Helena Reckitt has assembled a team of experts who are superbly qualified to unpack the rich history power and symbolism of feminist art for a new modern day audience

UPDATED AND INCLUSIVE This edition of the book features an even more diverse array of artists and artworks than the original from the beautiful figurative paintings of Hungarian Indian artist Amrita Sher Gil to the thoroughly researched and extravagantly costumed self portraits of American photographer Ayana Jackson

Perfect for Feminists and activists Art history lovers College and graduate students

Buddhist Feminism Sokthan Yeng, 2020-08-27 What is Buddhist Feminism This book examines reasons why Buddhism and feminism may seem to be incompatible and shows that Buddhist and feminist philosophies can work together to challenge patriarchal structures Current scholarship usually compares Buddhism and feminism to judge their compatibility rather than describing a Buddhist Feminist perspective or method Sokthan Yeng instead looks for a pattern that connects Buddhist and feminist traditions In particular she explores possible exchanges between feminist and Buddhist philosophies which highlight how they each contribute to a more nuanced understanding of anger Yeng explores how a Buddhist feminist approach would allow women's anger to be transformed from that which is outside the bounds of philosophy into that which contributes to philosophical

discourse in the East and West and between the two Border Traffic Maggie Humm, 1991 A work on the ways in which women writers from different races and cultures often choose similar alternative routes across the borders of their literary place For example Buchi Emecheta's and Bessie Head's exile in Britain and Botswana dictate the form and content of their writing *Significant Contemporary American Feminists* Jennifer Scanlon, 1999-02-28 Bevat korte levensschetsen en bibliografietjes van Bella Abzug Paula Gunn Allen Gloria Anzaldúa Frances Beale Rita Mae Brown Charlotte Bunch Pat Califia Judy Chicago Shirley Chisholm Esther Ngan Ling Chow Pearl Cleage Kate Clinton Mary Daly Angela Davis Susan Faludi Shulamith Firestone Jo Freeman Betty Friedan Ruth Bader Ginsburg Bell Hooks Dolores Huerta June Jordan Evelyn Fox Keller Florynce Kennedy Audre Lorde Catharine MacKinnon Olga Madar Wilma Mankiller Del Martin Kate Millett Cherríe Moraga Robin Morgan Pauli Murray Eleanor Holmes Norton Alice Paul Anna Quindlen Adrienne Rich Faith Ringgold Rosemary Redford Ruether Joanna Russ Patricia Schoeder Eleanor Smeal Barbara Smith Gloria Steinem Margo St James Alice Walker Rebecca Walker Michele Wallace Sarah Weddington Ellen Willis

Philosophy Feminism At The Border Introduction

In today's digital age, the availability of Philosophy Feminism At The Border books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Philosophy Feminism At The Border books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Philosophy Feminism At The Border books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Philosophy Feminism At The Border versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Philosophy Feminism At The Border books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Philosophy Feminism At The Border books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Philosophy Feminism At The Border books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Philosophy Feminism At The Border books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Philosophy Feminism At The Border books and manuals for download and embark on your journey of knowledge?

FAQs About Philosophy Feminism At The Border Books

1. Where can I buy Philosophy Feminism At The Border books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Philosophy Feminism At The Border book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
