Philosophy And Theistic Mysticism Of The Alvars:

Philosophy and Theistic Mysticism of the Ālvārs S. M. Srinivasa Chari, 1997-01-01 The Buddhist monk Upagupta who preached and taught meditative practices in Northwest India over two thousand years ago is venerated today by the laity in parts of Burma Thailand and Laos as a protective figure endowed with magical powers The author demonstrates a remarkable continuity among traditions focused on Upagupta in ancient Sarvastivadin Sanskrit materials key Pali texts medieval Thai and Burmese texts and rituals in Southeast Asia In so doing he reflects the orientation of popular Sanskrit Hinayana Buddhism which allows for new perspectives on such classic questions as the nature of enlightenment the evil the worship of the Buddha image the veneration of saints master disciple relationships the treatment of heterodoxy and the relation of myth and ritual Language, Culture and Power C. T. Indra, R. Rajagopalan, 2017-11-13 This volume examines the relationship between language and power across cultural boundaries It evaluates the vital role of translation in redefining culture and ethnic identity During the first phase of colonialism mid 18th to late 19th century the English speaking missionaries and East India Company functionaries in South India were impelled to master Tamil the local language in order to transact their business Tamil also comprised ancient classical literary works especially ethical and moral literature which were found especially suited to the preferences of Christian missionaries This interface between English and Tamil acted as a conduit for cultural transmission among different groups The essays in this volume explore the symbiotic relation between English and Tamil during the late colonial and postcolonial as also the modernist and the postmodernist periods The book showcases the modernity of contemporary Tamil culture as reflected in its literary and artistic productions poetry fiction short fiction and drama and outlines the aesthetics philosophy and methodology of these translations This volume and its companion which looks at the period between 1750 to 1900 CE cover the late colonial and postcolonial era and will be of interest to students scholars and researchers of translation studies literature linguistics sociology and social anthropology South Asian studies colonial and postcolonial studies literary and critical theory as well as culture studies **Childhoods in India** T. S. Saraswathi, Shailaja Menon, Ankur Madan, 2017-08-31 This book highlights the significance of an interdisciplinary approach to understanding children and childhoods in the Indian context While it is recognised that multiple kinds of childhoods exist in India policy and practice approaches to working with children are still based on a singular model of the ideal child rooted in certain Western traditions The book challenges readers to go beyond the acknowledgement of differences to evolving alternate models to this conception of children and childhoods Bringing together well known scholars from history politics sociology child development paediatrics and education the volume represents four major themes the history and politics of childhoods deconstructing childhoods by analysing their representations in art mythology and culture in India selected facets of childhoods as constructed through education and schooling and understanding issues related to law policy and practice as they pertain to children and childhoods This important book will be useful to scholars and

researchers of education especially those working in the domains of child development sociology of education educational psychology public policy and South Asian studies *Songs as Locus for a Lay Theology* Philip K. Mathai, 2019-02-07 Hymns and songs have long been the most frequent and characteristic expression of communal beliefs particularly among faith traditions that lack authoritarian or rigidly codified doctrinal statements Even among Christian traditions that do include a strong focus on creeds catechism and liturgy it is hymnody more than anything else that sustains their lay theology The hymns of Moshe Walsalam Sastriyar 1847 1916 and Sadhu Kochukunju Upadeshi 1883 1945 both from the Kingdom of Travancore in southwest India transcend denominational boundaries and have been embraced far beyond their historical communities of origin as a means of articulating faith and spirituality Against a missionizing backdrop of western dominated hymnody and theology these songs and writings from the fringes of colonialism were embraced by local communities and became their chosen expression of faith As such they evoked a lay consciousness quite distinct from official theologies of the church In Walsalam and Kochukunju along with other Christian writers of their period and culture we see a unique interweaving of local traditions and the global Christian message one that transformed social and spiritual relationships for individuals and their communities alike *Advaita and Viśiṣṭādvaita* S. M. Srinivasa Chari, 1999-01-01 This book presents a comprehensive exposition of Vedānta Desika's Satadusani a polemical classic of Viśiṣṭādvaita Vedānta devoted to the criticism of the doctrines of Advaita Vedānta The thought provoking arguments found in the Sixty six Vedas of the original text are brought together analysed and discussed in a systematic manner under eight broad headings Pramanas Perception Consciousness Individual self Brahman Universe Avidya Sadhana and Mukti In presenting the dialectics of Vedānta Desika in a vigorous and scholastic form the author deals with numerous issues that the Vadas raise epistemological ontological religious and ethical Thought the issues are many each discussing a specific problem they are ultimately directed to refute the central doctrine of Advaita viz that Brahman which is pure consciousness devoid of all determinations constitutes the sole Reality and every thing else is illusory While carefully tracing the fundamental differences between the two systems of Vedānta he points out that the differences are mostly due to the difference in the stand points they adopt Faithfully conforming to the original in letter and spirit this work will serve as a useful introduction to the study of the Sribhasya of Ramanuja A distincy contribution to the study of classical Hindu thought this book should be of interest to students of Philosophy in general and Vedānta in particular *The Lord of Vengadam* S R RAMANUJAN, 2014-08-15 The temple for the Lord of Vengadam in Tirumala Andhra Pradesh India is one of the richest places of worship in the entire world with ever increasing popularity the footfall of devotees on the Seven Hills touching a whopping figure of seventy thousand on weekdays and one hundred thousand during the weekends The Temples annual budget hovers around 25 billion rupees This world record to fame and riches is not without its flip side The temple has become the focal point for a variety of controversiessome created by the political class some by historians with an axe to grind and some more by Hindus with a sectarian outlook The

never ending dispute is over the identity of the idol as a result of the age old conflict between the worshippers of Siva and Vishnu the two most important deities of the Hindu pantheon Taking their cue from this Neo Buddhists joined the fray with the claim that the temple was a Buddhist shrine and that it was converted into Vishnu temple by wily Brahmins The book aims to unravel the mystery over the history of the temple providing a historical perspective to the issue and thus establishing the real identity of the Lord which is indisputably that of the Vishnu The Message and the Book John Bowker, Atlantic Books, an imprint of Grove Atlantic Ltd., 2012-03-27 Grand in its sweep this survey of the sacred writings of the major religions of the world offers a thoughtful introduction to the ideas and beliefs upon which great faiths are built Under the expert guidance of John Bowker a religious scholar and author of international stature readers explore the key texts of Jewish Christian Muslim Hindu Jain Sikh Buddhist Parsi Confucian Daoist and Shinto traditions The author discusses some 400 books among them such well known sacred texts as the Bible and the Quran but also spiritual writings by theologians philosophers poets and others Bowker provides clear and illuminating commentary on each text describing the content and core tenets of the work and quoting pertinent passages He also sets the writings in religious and historical contexts showing how they have influenced and in many cases continue to influence artistic musical literary and political traditions The Message and the Book is essential reading for anyone who wishes to understand the meaning and the deep significance of primary religious texts of civilizations around the globe *Models of God and Alternative Ultimate Realities* Jeanine Diller, Asa Kashner, 2013-06-13 The envisioned volume is a collection of recent essays about the philosophical exploration critique and comparison of a the major philosophical models of God gods and other ultimate realities implicit in the world s philosophical schools and religions and of b the ideas of such models and doing such modeling per se The aim is to identify exactly what a model of ultimate reality is create a comprehensive and accessible collection of extant models and determine how best philosophically to model ultimate reality if possible and desirable **Essential Hinduism** Steven Rosen, 2008-05-16 A review of Hindu teachings beliefs practices and history This volume focuses on Vaishnavism the most common form of Hinduism Venkatachala Nilayam S R Ramanujan, The Bhakti Movement P. Govinda Pillai, 2022-10-04 This is a Comprehensive Survey of the Bhakti Movement as it sprang in South India to spread across the subcontinent in independent and multifarious manifestations yet marked with amazing commonalities Spanning a period of 11 centuries starting from the 6th CE the movement encompassed in its sweep a vast range of dimensions Social political economic religious cultural linguistic ethical and philosophical Among the multifarious movements which contributed to the formation of India and its Culture the Bhakti was undoubtedly the most pervasive and persistent says the author Besides its sweep and depth what proved most remarkable about the movement was that it arose almost everywhere from the masses who belonged to the lowest class and castes Though spirituality was its leitmotif Bhakti proved to be a stirring song of the subaltern in their varied expressions of resistance and revolt A seemingly conservative phenomenon became a potent weapon against

entrenched hierarchies of orthodoxy and oppression in a wonderful dialectical expression This qualifies Bhakti movement to be reckoned on a par with European renaissance as it marked a massive upsurge in the societal value system to directly impact a range of fields like arts politics culture or religion Even as he takes note of the elements of reactionary revivalism that also marked the Bhakti movement the author convincingly argues that those of renaissance and progress far outweighed the former Genesis Of The Bhakti Movement And Engagements With Islam Mohammed Haneefa Thotty,2023-09-15

Bhakti that offers salvation to Sanathana Dharma followers through ardent devotion and love to God is considered as one of the three paths of Moksha and had triggered a popular movement that may have changed the course of Hinduism paving the way for two new religions Sikhism and Lingayatism Our work aims to explore and rightly present the genesis of Bhakti movement and contributions of Alvares and Nayanmars who were often neglected in Bhakti literature Since Islam entered south India and Bhakti originated there in the same period as well and it shows great similarity between principles of Islam and Bhakti's teachings on salvation its methods and social structure the work examines whether Islam had influenced or not Therefore the work will also contribute significantly to comprehend the genesis of Sufism and cross religious synchronizations Prabuddha Bharata ,2002 **T&T Clark Handbook of Sacraments and Sacramentality** Martha Moore-Keish,James Farwell,2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions baptism eucharist Lord's Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies *India's Greatest Minds* Mukunda Rao,2022-04-25 Indian spirituality from solemn sages to irreverent rebels A plethora of religions cultures languages and peoples have over the ages nurtured a plurality of ideas beliefs influences and practices thriving in India In India's Greatest Minds Mukunda Rao takes readers on an exhilarating exhaustive journey through the lives and teachings of India's most illustrious spiritual masters thinker activists and philosophers making their wisdom accessible to all Beginning from 700 BCE to the present day moving across the length and breadth of the subcontinent and covering every significant school of thought Rao provides a comprehensive view of the trajectory of Indian thought as it developed over

centuries enriching minds and shaping modern discourse Whether tackling profound questions on the meaning of life or plunging into the restless urgency of social reform this book showcases an intellectual and cultural heritage that is uniquely Indian From Kapila Patanjali Buddha and Mahavira to Andal Kabir Guru Nanak Bulleh Shah and Chaitanya and from Shishunala Sharifa Ramakrishna and Vemana to Birsa Munda Tagore Gandhi and Ambedkar the profiles of luminaries in this invaluable compendium will inspire and elevate its readers Rich in both essence and detail this treasury celebrates the individuals who rebelled against existing conventions and transcended every divide in their quest for enlightenment transforming themselves and the world along the way

An Introduction to Metaphysics Martin Heidegger,1999 This book contains a series of lectures delivered by Heidegger in 1935 at the University of Freiburg In this work Heidegger presents the broadest and the most intelligible account of the problem of being as he sees this problem First he discusses the relevance of it by pointing out how this problem lies at the root not only of the most basic metaphysical questions but also of our human existence in its present historical setting Then after a short digression into the grammatical forms and etymological roots of the word being Heidegger enters into a lengthy discussion of the meaning of being in Greek thinking letting pass at the same time no opportunity to stress the impact of this thinking about being on subsequent western speculation His contention is that the meaning of being in Greek thinking underwent a serious restriction through the opposition that was introduced between being on one hand and becoming appearance thinking and values on the other

An Introduction to Religion and Philosophy - Tevaram & Tivviyappirapantam R. Vijayalakshmy,2001 Study of T v ram and N l yirat tivviyap pirapantam anthology of aivite and Vaishnavite hymns by Tamil Hindu saints **Indian Books in Print**,2003 *Encyclopedia of Hinduism* Constance Jones,James D. Ryan,2006 An illustrated A to Z reference containing more than 700 entries providing information on the theology people historical events institutions and movements related to Hinduism **Kisan World** ,1998
