Philosophy Of Freemasonry 1870

Freemasons. Grand Lodge of Alberta

Philosophy Of Freemasonry 1870:

The History of Freemasonry Albert Gallatin Mackey, 1905 Two Centuries of Freemasonry International Bureau for Masonic Affairs, 1917 Freemasonry and the Press in the Twentieth Century Paul Calderwood, 2016-04-15 By the end of the twentieth century Freemasonry had acquired an unsavoury reputation as a secretive network of wealthy men looking out for each others interests The popular view is of an organisation that if not actually corrupt is certainly viewed with deep mistrust by the press and wider society Yet as this book makes clear this view contrasts sharply with the situation at the beginning of the century when the public s perception of Freemasonry in Britain was much more benevolent with numerous establishment figures including monarchs government ministers archbishops and civic worthies enthusiastically recommending Freemasonry as the key to model citizenship Focusing particularly on the role of the press this book investigates the transformation of the image of Freemasonry in Britain from respectability to suspicion It describes how the media projected a positive message of the organisation for almost forty years based on a mass of news emanating from the organisation itself before a change in public regard occurred during the later twentieth century This change in the public mood the book argues was due primarily to Masonic withdrawal from the public sphere and a disengagement with the press Through an examination of the subject of Freemasonry and the British press a number of related social trends are addressed including the decline of deference the erosion of privacy greater competition in the media the emergence of more aggressive and investigative journalism the consequences of media isolation and the rise of professional Public Relations The book also illuminates the organisation s collisions with nationalism communism and state welfare provision As such the study is illuminating not only for students of Freemasonry but those with an interest in the wider social history of modern Britain

Specimens of American Annuals, Directories, Reports, Etc ,1872 Proceedings of the Grand Lodge of Free and Accepted Masons of the State of New York Freemasons. Grand Lodge of the State of New York, 1872 The German Influence in France after 1870 Allan Mitchell, 2018-06-15 Mitchell believes that the history of the French Third Republic remains incomplete until one understands the German impact on France after the Franco Prussian War As the French groped unsteadily toward a redefinition of their national identity they were constantly under the influence of the victorious German reich indicating that the creation of a republican mentality cannot be explained in strictly French terms nor can its origins be traced solely from French sources Originally published in 1979 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Proceedings of the Grand Lodge of Iowa ...** Freemasons. Iowa. Grand Lodge, 1883 **Handbook of Freemasonry** ,2014-06-12 Freemasonry is the largest oldest and most influential secret society in the world The Brill Handbook of Freemasonry is a pioneering work that brings together for the first time leading

scholars on Freemasonry The first section covers historical perspectives such as the origins and early history of Freemasonry The second deals with the relationship between Freemasonry and specific religious traditions such as the Catholic Church Judaism and Islam In the third section organisational themes such as the use of rituals are explored while the fourth section deals with issues related to society and politics women blacks colonialism nationalism and war The fifth and final section is devoted to Freemasonry and culture including music literature modern art architecture and material culture

Proceedings of the M. W. Grand Lodge of Alberta, Ancient, Free and Accepted Masons Freemasons. Grand Lodge of Alberta,1920 **Catalogue of the Public Library of Cincinnati** Anonymous,2022-12-06 Reprint of the original first published in 1871 *Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 3: M-R* Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume three out of four and covering the letters M to R

The Freemason's Chronicle ,1892 **Catalogue of the Masonic Library, Masonic Medals, Washingtoniana, Ancient and Honorable Artillery Company's Sermons, Regimental Histories, and Other Literature Relating to the Late Civil War** Samuel Crocker Lawrence,1891 **The Greek Origin of Freemasonry** Jack Nicholas Casavis,1956 The History of Freemasonry Robert Freke Gould,1887 Masonic Voice and Review ,1922 **The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry** ,1869 *The History of Freemasonry* Gould,1887

Lost Symbols? David Ovason,2011-02-28 The secrets the myths and the facts behind Washington D C s design and its Masonic significance In this groundbreaking original work David Ovason reveals the intimate connections between the mysterious zodiacal symbols and the stellar lore of Washington D C and the secret plan for the city There are over fifty complete zodiacs in Washington D C all witness to an extraordinary stellar mystery Why did generations of architects and artists put their lives and energies on the line when designing this City of the Stars What was their shared secret language What or who drove them to create a city overflowing with such esoteric symbolism What is the meaning behind the secret symbolism of Washington D C s layout And what does it mean for America s future **The Year-book of Education for 1878 [and 1879]** ,1879
