Philosopher's Stone volume V: the Living Stone Laing Z. Matthews, 2025-09-20 The journey through the Great Work has reached its final threshold In the four preceding volumes you walked the ancient alchemical path Calcination Burning away illusion and false identity Dissolution Melting into the soul's depth facing the waters of grief and surrender Coagulation Returning to sacred form grounding truth in the body Illumination Allowing spirit to move cleanly through form radiant and unforced Now in The Living Stone the Work is no longer something you do It is what you are This final volume speaks not of becoming but of being The quest is over The seeker has dissolved What remains is the clear steady presence of the Living Stone the human vessel in full coherence transmitting without display sanctifying the ordinary and walking the world as the Work itself Here the sacred and the mundane are no longer separate Making tea tending a garden sending an email each becomes a vessel for the same spirit that once drove the great transformations Love matures from hunger to resonance Service becomes invisible without loss of potency Devotion radiates quietly without demand for recognition Through fifteen chapters of luminous reflection Laing Z Matthews explores The End of Seeking when the hunger to arrive finally dissolves into peace Embodied Transmission offering what you have truly become beyond words or performance The Ordinary Made Holy consecrating daily acts through presence alone The Ethics of the Living Stone alignment as the foundation of invisible influence The Alchemical Heart love without need attraction transformed into resonance The Deathless Heart spiritual continuity beyond identity or circumstance

Living as Prayer carrying the Work in every breath every glance every choice This is not a book for those seeking dramatic spiritual events or peak experiences It will not give you a new practice to chase or a new identity to inhabit Instead it offers a mirror for what remains after the fire has burned the waters have receded and the light has settled into the marrow of your being Drawing from Hermetic Sufi Christian mystical Zen and Daoist traditions yet refusing to be confined by any of them The Living Stone distills the essence of the Great Work into its quietest most potent form It is a text to be read slowly lived with and returned to in the pauses of a day The closing words of the Preface set the tone for everything that follows You no longer walk toward the Work You walk as it With The Living Stone the five volume journey of The Philosopher s Stone series reaches its natural completion not with a final revelation to chase but with the lived knowing that nothing more needs to be chased at all

**Design for Living** Robert Friedmann, 2017-11-29 Written in 1954 but unpublished in his lifetime Robert Friedmann s Design for Living asks that pertinent existential question how should we live Drawing on literary philosophical and theological sources Friedmann s answer begins with a critique of utilitarian ethics and popular apathy and proceeds through an existential preparation that ascends in confessional style to the question of the meaning of human life culminating in a fourfold set of principles regard concern service and love Along the way Friedmann s critical eye remains clearly fixed on his object of study lived experience and not abstract principles detached from day to day life and he intentionally guides his reader step by step up the mountain of spiritual and ethical inquiry in a deliberate and serious attempt to educate the heart mind and soul At once accessible and scholarly while troubling our contemporary divide between religion and the secular Design for Living presents a rare vision of human meaning and purpose that will appeal to scholarly and public readers alike
