and decadence of Shanghai's demimonde. He describes the romantic games played by sing song girls to lure men as well as the tragic consequences faced by those who unexpectedly fall in love with their customers. Han also tells the stories of male patrons who find themselves emotionally trapped between desire and their sense of propriety. First published in 1892 and made into a film by Hou Hsiao hsien in 1998, *The Sing song Girls of Shanghai* is recognized as a pioneering work of Chinese fiction in its use of psychological realism and its infusion of modernist sensibilities into the traditional genre of courtesan fiction. The novel's stature has grown with the recent discovery of Eileen Chang's previously unknown translation which was unearthed among her papers at the University of Southern California. Chang, who lived in Shanghai until 1956 when she moved to California and began to write in English, is one of the most acclaimed Chinese writers of the twentieth century.

Embrace Jessica Shirvington, 2012-03-13 I slowly opened my eyes. The sun speared its first bright rays of golden orange into the sky and I leapt from the cliff with the sorrowful knowledge that no matter what the outcome at least part of me would die that day. Violet Eden is dreading her seventeenth birthday dinner. After all, it's hard to get too excited about the day that marks the anniversary of your mother's death. The one bright spot is that Lincoln will be there. Sexy, mature and aloof, he is Violet's idea of perfection. But why does he seem so reluctant to be anything more than a friend? After he gives her the world's most incredible kiss and then abandons her on her front doorstep, Violet is determined to get some answers. But nothing could have prepared her for Lincoln's explanation. Without warning, Violet's world is turned upside down. She never believed in God, let alone angels. As Violet gets caught up in an ancient battle between dark and light, she must choose her path. The wrong choice could cost not only her life but her eternity. Beautifully written, sophisticated and exciting. Goodreads.com: A captivating story of destiny, love and dark forces that you won't be able to put down. Kate Waterhouse: smart, edgy and addictive. A must read for paranormal fans young and old. Kirkus Reviews: *The Violet Eden Chapters*. Book One: *Embrace*. Book Two: *Entice*. Book Three: *Emblaze*. Book Four: *Endless*. Book Five: *Empower*. [The Violet Eden Chapters](#) Jessica Shirvington, 2015-10-06 For those who loved *Twilight* and *Fallen*, comes a new heroine facing impossible choices. A collection of the first three books, *Embrace*, *Entice*, and *Emblaze*, in this darkly sexy paranormal romance series. Birthdays aren't Violet Eden's thing. Understandable. It's hard to get excited about the day that marks the anniversary of your mother's death. But this birthday is going to be hard to ignore. Turning seventeen means that Violet will find out she is Grigori: part angel, part human. Her destiny is to protect humans from the vengeance of exiled angels. It all sounds crazy to Violet. Up until this point, all she wanted was to get into art school and be with Lincoln. However, it turns out Lincoln carries a secret that could tear them apart. And then she meets Phoenix, intense, enigmatic, and it seems always there for her. Caught up in a battle between light and dark, Violet Eden will have to decide how much she's willing to sacrifice. And who exactly she should trust. Jessica Shirvington's action-packed paranormal romance series *The Violet Eden Chapters* has been sold around the world. The Violet Eden Chapters Empower Embrace Endless Emblaze Entice **DEVASTATION POINT**

Paul R. Kirk, 2015-05-19 **DEVASTATION POINT** What would you do if you were stranded halfway around the world when it crumbled? The world collapsed after the spread of the hyper aggressive H5N1 Avian plague and several airborne mutations. By simply breathing the air, billions upon billions around the world died in less than a few months' time. Soon after, technology and infrastructure disintegrated. Electricity is gone; there are no cell phones, Internet, television, or much else. Humanity lies in waste, disease, and ruin. Among the remaining survivors, one very rare gene in the human DNA surfaced as resistant to the onslaught. Stuck in the remote mining town of Mudgee, Australia, Airborne Special Forces Colonel Connor MacMillen survives the dark and dangerous times. Motivated by family, he intends to get home to Pittsburgh, Pennsylvania, or rather the Fayette Mountains south of Pittsburgh. He has unfinished business to attend to there. After four impossible years traveling in a post-apocalyptic world, Connor Mac lands in San Francisco and commences the last leg of his journey across the continental United States. **DEVASTATION POINT** begins. Connor Mac's exploits in the fifth year of the New Dark Ages, as he encounters a strange and changed America turned upside down by the Cuckoo Flu. Encountering new friends as well as making fierce enemies along the way, his personal journey reveals a furious and confident fight for life. But unbeknownst to Connor Mac, his journey to get home is noticed by those still in power in America, and they're looking for him. It seems he is decidedly different than most men left standing. While all living men are infertile, he is still able to reproduce. And that changes everything. **DEVASTATION POINT** takes a comprehensive look at how one man trained by America's best would respond to a world completely altered by the pandemic destruction. To Connor Mac, family connections are critical, and returning home can be a prime motivator for one last and final mission. **DEVASTATION POINT** stands head and shoulders over the pulp that permeates the post-apocalyptic genre. A full and complete first novel of over 250,000 words, aficionados of the post-apocalyptic genre will fully enjoy reading this. This is an exploration of what it might take to smartly survive the apocalypse and still retain the higher elements of what it means to be human. Sorry, but there are no Zombies. **Endless**

Jessica Shirvington, 2013-10-01 **Love Will Kill Us All** Violet Eden thought she was getting things under control. Then all hell breaks loose, literally. In the war between angels and exiles, she's about to face the biggest baddie of all time. Except she's not nearly ready. The dark exile Phoenix is still messing with her head, not to mention her heart. And her undeniable attraction to Lincoln has gotten downright dangerous. When Hell unleashes its worst, Violet must embrace every facet of her angel self to save the people she cares about and the world as she knows it. But death is not the worst thing she will face. **The Embrace Series** Embrace Book 1 Entice Book 2 Emblaze Book 3 Endless Book 4 Empower Book 5 Praise for the Embrace Series A delicious romantic triangle.
