## **Photographic History Of The Civil War 5vol:**

**The Publishers Weekly** ,1917      Double Duty in the Civil War George S Burkhardt,2009-06-10 In 1861 at the age of eighteen Edward Woolsey Bacon a Yale student and son of well known abolitionist minister Leonard Bacon left his home in New Haven Connecticut to fight for the United States Over the next four years Bacon served in both the Union navy and army which gave him a sweeping view of the Civil War His postings included being a captain s clerk on the USS Iroquois a hospital clerk in his hometown a captain in the 29th Connecticut Infantry Colored and a major in the 117th U S Colored Infantry and he described these experiences in vibrant letters to his friends and family Historian George S Burkhardt has compiled these letters as well as Bacon s diary in the impressive Double Duty in the Civil War The Letters of Sailor and Soldier Edward W Bacon Bacon tells of hunting Confederate commerce raiders on the high seas enduring the tedium of blockade duty and taking part in riverine warfare on the Mississippi He recalls sweating in South Carolina as an infantry officer during drill and picket duty suffering constant danger in the battlefield trenches of Virginia marching victoriously on fallen Richmond and tolerating the boredom of occupation duty in Texas His highly entertaining letters shed new light on naval affairs and reveal a close knit family life The narrative of his duty with black troops is especially valuable since few first hand accounts from white officers of the U S Colored Troops exist Furthermore his beliefs about race slavery and the Union cause were unconventional for the time and stand in contrast to those held by many of his contemporaries Double Duty in the Civil War is filled with lively descriptions of the men Bacon met and the events he experienced With Burkhardt s careful editing and useful annotations Bacon s letters and diary excerpts give rare insight into areas of the Civil War that have been neglected because of a lack of available sources Given the scarcity of eyewitness testimonies to navy life and life in African American regiments this book is a rarity indeed      Civil War Times Illustrated ,1976      *AB Bookman's Weekly* ,1998

**The Photographic History of the Civil War 5 Volume Set** ,2011-11-01 The Photographic History of the Civil War was first published in 1911 to commemorate the fiftieth anniversary of the great conflict Extremely popular then it has become a rare book Here in five double volumes is the complete and unabridged original edition text and photographs carefully reproduced in the original format and full size The thousands of photographs contained within are remarkable in their immediacy spontaneity and authenticity They demonstrate the power of the camera as well as the importance of the photographer They are a unique record of one of the greatest conflicts in the history of mankind These pictures can be viewed as art as history and as journalism Covering every aspect of the war from the front to weapons from tactics to the wounded from everyday life to grief from victory to defeat these volumes are a testament to a mighty conflict and to the great nation which emerged from it      *Krieg und Literatur* ,1992      **The Booklovers' Marketplace** ,1959      Books from the U.S.A. ,1957      **The New Encyclopaedia Britannica** ,1987      *Connecting the Nation* Paul Ashton,Tracy Ireland,Jaya Keaney,Alison Wain,Mitchell Whitelaw,2017-01-01 Aviation has played an important part in shaping Australia s culture and

history through the course of the twentieth century Australia embraced aviation from its earliest days eagerly responding to its potential to cover a challenging country to bring far flung communities closer and to provide services that could not be delivered any other way Add the romance of pioneer heroes the vital role of aviation in wartime and the capacity to deliver aid to people in need in Australia and beyond and it is clear why aviation is at the heart of Australia s recent history This book aims to set out the major themes that characterise Australia s aviation history for a broad audience and to provide a foundation for a broader discussion and for further research about how aviation transformed Australia Connecting the Nation is a vital and timely introduction to the history of civil aviation in Australia as we prepare for the centenary of civil aviation services in 2020    *Antiquarian Bookman* ,1963    *The New Encyclopaedia Britannica: Macropaedia (19 v.)* ,1983

**Transactions 5 Vol 29** ,1979-12    *Prologue* ,2003    **The PHOTOGRAPHIC HISTORY OF THE CIVIL WAR**  
FRANCIS T. (ED.) MILLER,1912    **Catalogue of the London library. [With] Robert Harrison,1875    The New**  
**Encyclopædia Britannica in 30 Volumes** ,1974    **America's Civil War** ,1994    *Acta* International Commission of  
Military History,1977    New York Times Saturday Review of Books and Art ,1970
