Playthings ,1929 **The Play's the Thing** Elizabeth Jones,Gretchen Reynolds,1992 The traditional role for teachers in children s play was to structure it setting rules and interrupting if things got out of hand However for children three to five sociodramatic play is a way to invent and make familiar the rhythms and actions of everyday life This text describes why play is a fundamentally important part of children s development and shows how adults can support and promote play The authors offer systematic descriptions and analyses of the different roles a teacher adopts toward this end including those of stage manager mediator player scribe assessor communicator and planner and describe both highly interactive and inhibited children from different economic backgrounds The authors integrate cognitive and psycho dynamic theory as well regarding the scripts children play in both cognitive and affective terms and they discuss the importance of fantasy and reality play themes demonstrating the implications of play for literacy learning Designing for Play Ms Barbara E

Hendricks,2013-06-28 10 years ago Barbara Hendricks brought together thinking from child development and child psychology perspectives on play with practical issues confronted by designers and policy makers The result was a beautifully crafted well illustrated guide challenging established notions of play provision This second edition brings the text up to date from 2001 to 2010 with added discussion about new ideas for play area designs and what has not worked in the past decade
