Play Your Best:

Play Real Golf K. Tracy Roberts, Stephen Plummer, 2006-10 Play REAL Golf is an unbelievably simple and effective approach for learning and improving one's golf game. This is a must read for golfers, parents, and coaches. Alan Ochiai, PGA Master Professional 1999 So Cal Teacher of the Year. From the beginner to the PGA Tour player, everyone who plays golf is on a journey to improve, constantly looking to answer the question, how can I get better? So while nearly all golfers want to create change, most simply don't know how to initiate long-lasting improvement. Play REAL Golf offers an effective interactive system to create positive emotional/behavioral changes that will improve golf performance and more importantly, enjoyment of the amazing game of golf. Play REAL Golf is formatted as a workbook to coach players through a process to relax and achieve better golf. The REAL Golf Process features a systematic yet flexible approach to golf, ensuring the positive emotions necessary to perform better and truly enjoy golf. Play REAL Golf is based on nearly four decades of combined teaching and coaching experiences. PGA Professional Coach K. Tracy Roberts, along with PGA Professional Stephen Plummer, developed Play REAL Golf, which takes players of all abilities from the beginner to seasoned professional through a proven and reliable emotional/behavioral process that helps golfers of all skill levels reach their performance goals. Coach K. Tracy Roberts' REAL approach to golf, as well as life, has resulted in success and happiness on and off the course. He is a certified PGA Class A Teaching Professional and has been coaching golf and other sports at the championship level for the better part of two and a half decades. He has served as a coach of Championship California Interscholastic Federation golf and basketball teams, as well as individual golf champions. He has competed on both the amateur and professional level. As a longtime teaching professional at one of the largest instructional facilities in the country, Coach has been afforded the opportunity to share The REAL Golf Process with students of all ages and abilities. Coach holds a Masters Degree in Education and a B.A. in Social Sciences. PGA Class A Teaching Professional Stephen Plummer has been playing the great game of golf for more than two decades and has been sharing his expertise with golf students of all ages and abilities for 13 years. Stephen has proven to be a fierce competitor at the amateur and professional level with a competitive low score of 63. Although competing is a vital part of Stephen's career, teaching the REAL Golf Process at one of the most successful golf instructional facilities in the country also brings joy to his life.

Play Your Bigger Game Rick Tamlyn, 2013-10-01 More than just a book, Play Your Bigger Game is a concept that will take you only nine minutes to understand but a lifetime to play. It was designed from the premise that life itself is one big game. And if it is, then why not play one that excites, fulfills, and challenges you to develop and express your talents completely? By the way, there's nothing wrong with wanting that. It's a natural expression of who we are, and since each of us is blessed with talents, we're naturally hungry to develop and put them to use. Too often we suppress that desire for full engagement and self-expression because we think it's the grown-up thing to do. We consciously turn down our hunger dial because we're afraid of expecting too much from life. We also think, If I settle for less, I won't be disappointed.

Play Your Bigger Game was created to counteract that self limiting fear based approach to life It s also designed to keep you forever in play meaning that you ll never be stuck again since you ll always have the game board to guide your next move Michelangelo said The great danger for most of us lies not in setting our aim too high and falling short but in setting our aim too low and hitting the mark This book is not just about making a living it s about making an impact Curiously enough I find that once players begin to make a positive impact their incomes often rise too Still if you re interested in simply making a living and just surviving in life I m afraid that this book is not for you If you want to make an impact in the world and thrive in your life while earning a very good living please read on The purpose of this book is to Reveal the Bigger Game player you already are help you find the Bigger Games that excite and challenge you to fully deploy all of your energy and gifts teach you to consciously design the person you re destined to become allow you to feed the hunger in your soul help you to make a major impact and allow you to leave a lasting legacy The Link Ola A.T. Onikoyi,2014 There is clear evidence of discontent and disconnection in the life of many individuals resulting to lack and limitations The population of the poor is increasing in the midst of plenty The hardworking people have little or nothing to show for their effort The rich also cry profusely for one need or another Those who claim to be men of God have no general answer to the immediate needs of their congregation all these are proofs of an urgent need for a more pragmatic approach to solving our numerous problems We urgently require knowing what links us to solutions and what connects us to the main domain of power We are not totally impervious to the facts but we need to get used to it For instance we know the air we breathe but not all of us know the contents of this vitality of life We know the mind as in man but many are ignorant of it as the powerhouse creative theater and the link to the spiritual mass where the creations and the Creator meet We know the world but many are yet to know that we are the world we are the children of the most high God so we should start giving what we want If you need love give it first If you need wealth give service Whatsoever you need be prepared to pay the price and link it up with what you have The world is a masterpiece of abundance There is enough wealth to go round in the universe Each and every one can be what he or she desires to be All we need to know is how to link our inheritance how to connect with our aspirations and how to attract our yearnings The eighty two topics in this book will assist you to link up with yourself connect with your God and be able to attract solutions and the best things of life Read passionately keep thinking and keep linking **Play Your Way Sane** Clay Drinko,2021-01-19 Stop negative thoughts assuage anxiety and live in the moment with these fun easy games from improv expert Clay Drinko If you ve been feeling lost lately you re not alone Even before the Covid 19 pandemic Americans were experiencing record levels of loneliness and anxiety And in our current political turmoil it s safe to say that people are looking for new tools to help them feel more present positive and in sync with the world So what better way to get there than play In Play Your Way Sane Dr Clay Drinko offers 120 low key accessible activities that draw on the popular principles of improv comedy to help you tackle your everyday stress and reconnect with the people around you Divided into twelve fun
