Putting God First The Tithe:

Putting God First Norma Wimberly, 1988-05 **The Great Tithing Debate** A. Bruce Wells, 2007-03-16 Finally there is a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions clichés wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8:32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the NT likewise tithing is no longer obligatory Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn't it be nice to have a royal ring put on your finger a kingly robe put on your back and a big hug of approval without having to sleep in the bunk house as a servant until it is decided that you can be trusted So this is a book about salvation something that the church seems to know little about Beyond forgiveness of sins today's church seems to be unaware and uninterested in understanding redemption This vacuum has left us open to a myriad of opinions questionable doctrines and even deception This book endeavors to fill some of that vacuum You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy Examine the free preview below and taste and see that the Lord is good even much better than we've been taught Hopefully pride a rampant byproduct of legalism and performance won't keep you from hearing Maybe you're still teachable and open to God's leading even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian DO YOU KNOW THAT Malachi was *The Nitty-Gritty of Money* Brad Brunkow, 2015-05-01 Ryan and Kayla are looking forward to spending a few weeks with their grandparents during summer vacation During the visit their grandparents present twelve basic principles to help guide the children in successfully managing money as Christians Through games activities and biblical references Ryan

and Kayla learn about tithing and setting financial priorities setting and working within a budget the difference between wants and needs and the time value of money This educational guidebook teaches practical faith inspired financial lessons that encourage financial independence wise spending habits and a charitable mindset **The Sabbath Recorder** ,1926

Work. The purpose and blessing of your daily labor Март-Ола Исхоел, 2020-12-07. Man is created to admire, to love, to rest, and to worship. But he is also created to work. What all of us who work have in common is that we are a part of God's order for this world. To work to learn, to be creative, to complete a mission, are all part of what it is to be human. God did not create man to simply sit in a garden and smell flowers; he also made him to carry responsibility and be productive.

[Rejecting Mammon](#) Chris Cree, 2020-01-26. If you are a follower of Jesus who knows the Bible says you are supposed to be prosperous but feel stuck, at just enough just in time survival provision or less, which is causing stress, worry, and strained relationships in your life, then this book is for you. Many believers don't know how to prosper financially in the Kingdom of God. They give but rarely if ever see increase. They see where Jesus said, "give and it will be given back to you," but it isn't working for them in the area of their finances. They sow financial seed but don't know how to harvest. God's ways are higher than the world's ways. And His ways are almost exactly backwards from the world's ways too. In the world's way of doing things, the strong dominate the weak and the rich oppress the poor. But the Kingdom of God is different. In the Kingdom of God, the strong defend the weak and the wealthy bless the poor. God's Kingdom is designed so that everyone can prosper. God truly does have answers to all our questions, even the tough ones about money. God's grace has made perfect provision for our every need. His Kingdom provides ways for us to prosper in every area of our lives, including financially. It is God's desire that you become a financial resource for His Kingdom. But you cannot give away what you don't yet have. Therefore, we must leave the world's ways of prospering financially behind and start walking in God's ways instead.

The B.U.I.L.D. Project Bernard Ruffin, 2021-08. They say that a good book can change your life. That's the mindset Bernard Ruffin took hold of when putting together *The B U I L D Project*. So often people find themselves stranded and astray from the lives they hoped for or feel like they deserve, and once you're lost to the world, it's hard to find your way back to the position you want to be in. No one should face up against the hardships of the world alone, and you don't have to. *The B U I L D Project* is about providing you with a life plan template that will result in an overall positive change to your experience. Yes, the roots are based in Christianity, but this book is about

so much more Through the pages of The B U I L D Project you will learn the importance of family and personal health while also tackling business and your financial life Prayer is a necessary part of many of our lives but with this piece of work Bernard Ruffin and PRAYpare take a look at why it s important to prepare and pray not one or the other The B U I L D Project is itself built upon 5 key bricks B Begin with Family Making a positive change starts at home and if we can t even reconcile with those to whom we are bonded by blood then how can we ever expect to actualize our own goals and desires U Understand your Ministry This is where we get in touch with our lord and savior and unpack our own relationship with him and the house in which he presides It s vital that we have a comprehensive understanding of how the church impacts our lives and equally important to know how to balance it with every other moving part of being a human I Implement Better Health Healthy body healthy mind healthy soul These are three core building blocks for a happier more fulfilling life and unsurprisingly they all inform one another Ensuring that we feel our best physically mentally and spiritually is key to achieving real progress L Lead in Business This is where you get down to brass tax to begin implementing the teachings in this text With empathy and knowledge of self you will be more capable than ever to tackle the dog eat dog world of business and finance D Develop a Better Financial Life Life does not begin and end with money but without it there s not much good we can do for the kingdom Taking everything you ve learned from the project so far and using it to secure a more stable future is the best way to set yourself up for success personally and as a contributor to others
