Quick And Easy Writing Quick And Easy Learning Centers:

Learning to Teach Linda Shalaway, 1998 An essential guide for all teachers Learning to Teach Not Just for Beginners offers a wealth of great strategies for all those who desire to instruct others as a career **Quick and Easy Learning Centers, Writing** Cynde Gregory, **Research in Basic Writing** Martin Jacobi, Michael G. Moran, 1990-02-15 This reference handbook surveys research on the central issue associated with the teaching of unprepared writers Though basic writing has only been recognized as a distinct area of teaching and research since 1975 the existing bibliographic texts already seem limited due to their age or lack of annotation This volume provides current and extensive bibliographic essays and will help to define this new field of study for teachers and researchers Following an introduction that summarizes the origins and significant texts in basic writing the book is divided into three sections Social Science Perspectives Linguistic Perspectives and Pedagogical Perspectives The first section which contains three essays views the field through the lens of social psychological and political issues The second section also containing three essays examines contributions made from studies of grammar dialects and second language acquisition The third section in its four essays focuses on the design development administration and evaluation of basic writing courses the use of computers in basic writing classrooms the role of the writing lab and the preparation of basic writing teachers An appendix that reviews current textbooks for basic writing courses is also included as well as an index This book will be a valuable resource for teachers of basic writing in education courses and workshops that train teachers and tutors and in fields such as linguistics technical writing and Teaching English as a Second Language It will also be an important addition to public and university libraries and many education programs

The Quick Fix Guide to Academic Writing Phillip C. Shon, 2017-10-30 Whether you re writing a paper essay assignment or dissertation this short and punchy book helps you improve your writing skills through minimal effort Providing you with a quick set of writing rules to follow this tried and tested guide uses a unique and easy to follow grid based system Packed with advice on understanding big and little common errors made in academic writing it helps you identify patterns in your own writing and demonstrates how to reshape or re evaluate them and raise your writing game in any academic context How to tutorials include Synthesizing and critiquing literature and using your coding sheet to develop critical arguments Shaping abstracts introductions discussions and conclusions to improve the logic and structure of your writing Applying lessons learned to future projects whatever format of academic writing Save time and improve your grades with this essential quick fix guide The Student Success series are essential guides for students of all levels From how to think critically and write great essays to planning your dream career the Student Success series helps you study smarter and get the best from your time at university Create Your School Library Writing Center Timothy Horan, 2016-10-16 Colleges typically have writing centers to which students can bring their writing assignments to a peer tutor for assistance but most high schools and middle schools do not This book advocates for the creation of writing centers in 7 12 schools and explains why the school

library is the best place for the writing center There is a glaring absence of writing centers in today's K 12 schools More and more students are being asked in college entrance testing to submit samples of their writing and employers are expecting their workers to write correctly and clearly This book addresses the critical lack of writing centers below the undergraduate level It demonstrates how middle school and high school librarians can create writing centers in their school libraries explains how to assist students through a one on one writing tutorial method and gives students and teachers the tools for learning and understanding the complex art of writing Author Timothy Horan inventor of the School Library Writing Center establishes why school libraries represent the best and most logical places to create writing centers and why school librarians are the natural choice to direct writing center operations He then takes readers through the process of creating a writing center from original conception up through opening day Additional topics covered include how to publicize and grow your School Library Writing Center maintaining your writing center for efficient operation on a daily basis as well as for years to come how to become an effective writing center director and writing tutor the most current technology that can be used to assist in the writing composition and research process and working with English language learner ELL students within your writing center
