 and many other topics      How Christians Grow Andrew James Prince,2022-09-27 When someone becomes a Christian they  
 enter into a lifelong journey of God driven transformation into the likeness of Christ But what does this transformation  
 process look like and what means does God use to bring about spiritual growth How does a Christian continue growing  
 spiritually How do they prevent the practice of the spiritual discipline of meditating on God's word from become mechanical  
 when they may have read through the Bible many times How do they mature in prayer And how do they continue being  
 conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and  
 coasting into eternity This book seeks to answer such questions It begins by exploring the contours of this spiritual  
 transformation into Christlikeness before introducing various means God uses to bring this about The book seeks to give  
 hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of grace  
 that God has provided      **Overcoming the 7 Obstacles to Spiritual Growth** Dwight Carlson,2006 Dr Carlson identifies

biblical and comprehensive strategy for raising healthy kids in a world that is morally bankrupt spiritually desolate and increasingly dangerous That strategy is clear and specific rooted in the Bible proved successful and communicated in a fun entertaining way Dr David Clarke has written many books on family This book stands out for all of the following Extremely practical Clarke s trademark humor Gives good attention to the teen years Strategies tested in his own home and by counseling clients     *A Searcher's Treasures* Paul M Sivey,2019-04-26 A Searcher s Treasures An Independent Study of God s Word This book presents interpretations both old and new both from the writer s own studies and from the learned works of others It is intended to help get Bible reading and study above the horizon and into view so that society can realize the greatness of God and better understand Him The book challenges common beliefs to a degree but to a greater degree it builds upon the foundations laid by the Church of which Jesus Christ is the Chief Cornerstone The writer s hope is that the more we know about God the less we will question His ways and the more we will want to love serve and obey Him The author feels that the greatest goal is to be precious in the Lord s eyes and there is no better way to do that than to introduce souls to His kingdom The book delves into the realms of questions long begging for answers such as the role of evil spirits their potential purposes and how they can be accepted as real but yet responsive to mental health treatments The book also searches out such things as the beginning of man in God s image the age of the earth and an intriguing study of how God may have always had specific time intervals in the working of His will     **You can really grow** John Hindley,2015-02-27 The Christian life can be about thriving not merely surviving Discover what Christian growth actually is and how to enjoy it God does not want us simply to survive in our faith He wants us to thrive to enjoy growing as part of his family Many of us want to grow but don t know how to Many of us feel stuck in a rut in our faith or are following routines that don t seem to work John shows us what growth actually is why growth is hugely exciting and how to grow into the people we long to be You can really grow and this book shows you how     *How to Give Away Your Faith* Paul E.
