Quiet Heroes Navy Nurses Of The Korean War 1950-1953:

Quiet Heroes Frances Omori, 2000 Navy nurses serving in the Korean War 50 years ago were called saved lives and came home quietly

Navy Medicine in the Forgotten War Eugene H. Ginchereau, 2005 *Navy Medicine*, 2005 *The Korean War* Keith D. McFarland, 2009-12-04 The Korean War is the most comprehensive and detailed bibliography compiled to date on the American involvement in The Forgotten War In this revised and expanded second edition Keith D McFarland's clearly written annotations provide concise descriptions of more than 2 600 of the most important books articles and documents written in English on the conflict in Korea Key topics include origins of the war the political and military roles of North and South Korea the United States the Soviet Union China Great Britain Canada Australia South Africa Turkey and other United Nations members campaigns and battles weapons and uniforms and the military and diplomatic aspects of the war Specific subjects are easy to find using the index organized by topic and author making The Korean War a necessity for every academic or research library

Historical Dictionary of the Korean War Paul M. Edwards, 2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This Historical Dictionary of the Korean War now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography

Korean War Almanac Paul M. Edwards, 2006 Presents a comprehensive reference to American involvement in the Korean War including a chronology of major events biographical sketches related articles and a collection of maps

Megan Davis, 2009-03-19 *In the Shadow of the Greatest Generation* Melinda L. Pash, 2014-05-22 Largely overshadowed by World War II's greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way A Companion to Women's Military History Barton Hacker, Margaret Vining, 2012-08-17 This volume addresses the changing relationships between women and armed forces from antiquity to the present eight chapters review the existing literature an extended picture essay visually documents women's military work and eight chapters illustrate more restricted topics *Women in the United States Military* Judith A. Bellafaire, 2011-01-26 Women's participation in the U S Armed Forces has grown over time in response to the national need for their services Throughout each era of American history patriotic women volunteered to serve their country in a wide variety of official and unofficially sanctioned capacities When there was a call to duty the United States Armed Forces always relied upon women to be a part of the effort *Women in the United States Military An Annotated Bibliography* is the most complete and up to date listing of resources to help students and scholars understand the effect women have had on the wars that have shaped the United States Covering everything from the American Revolution to Operations in Iraq *Women in the United States Military* is essential for all academic and research libraries Chicken Soup for the Veteran's Soul Jack Canfield, Mark Victor Hansen, 2012-08-28 *Chicken Soup for the Veteran's Soul* will inspire and touch any veterans and their families and allow others to appreciate the freedom for which they fought Women in American History Peg A. Lamphier, Rosanne Welch, 2017-01-23 This four volume set documents the complexity and richness of women's contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to

America's history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter

Women at War James Wise, Scott Baron, 2011-08-15 Wise and Baron relate the compelling war experiences of thirty American female soldiers in the war zones of Iraq and Afghanistan highlighting their extraordinary display of dedication to their mission and to the soldiers and sailors with whom they served While the book's focus is on today's women in combat it also reaches back to Korea Vietnam and World War II to offer stories of inspiring women who served at the cusp of the spear as they fought and died for their country

Small United States and United Nations Warships in the Korean War Paul M. Edwards, 2015-01-28 From rubber landing boats to picket boats to minesweepers smaller support vessels did much of the work of the Korean War and endured many of the dangers and hardships Rarely mentioned in histories of the war they served functions essential to keeping the United States Navy and the United Nations partners in active duty This volume delivers an overview of the various kinds of vessels involved the difficulties of mobilizing the aging American fleet at a time when a significant downsizing had been expected and the design and specification considerations of the support vessels needed for the new war effort It lists the individual support vessels and details the degree of their involvement often providing photographs as well as comments from men who served aboard the ships
