Quietly Waiting:

Waiting on God Andrew Murray, 2018-07-02 Wait for the LORD be of good courage and he shall strengthen thine heart wait I say for the LORD Psalm 27 14 Too little time is given to waiting on the Lord at our conventions and assemblies and in our private devotions Isn't He willing to make things right in His own divine way Has the life of God's people reached the utmost limit of what He is willing to do for them Surely not We need to wait on Him and put away our experiences however blessed they have been our personal concept of truth however sound and scriptural we think it is our plans however needful and suitable they appear We must give the Lord time and place to show us what He could do and what He will do The Lord has new developments and new resources He can do new things unheard of things and hidden things Let us enlarge our hearts and not limit Him Precedes Working for God also by Andrew Murray

Watching, Waiting, Walking Andy Rider, 2012-10-18 Watching Waiting Walking is structured around three key moments in the transformation of one of Jesus' closest friends St Peter In the garden of Gethsemane Peter is told to watch his life Then along with the other disciples on the Mount of Transfiguration he is told to wait for the Holy Spirit And in Jerusalem following Pentecost he walks out to address the crowd and subsequently heals a crippled man who begins to walk himself Andy Rider believes that reflecting on this pattern of watching waiting and walking can not only help to shape our prayers on a daily basis but also to deepen our ability to perceive where we are in the cycle of discipleship And given the author's honesty about his own times of struggle and reassurance this warm hearted volume cannot fail to encourage us whatever our circumstances to become more open to the work of God's transforming spirit
