

Speaking of nudes, I have always had a great
fondness for this subject, both in my
paintings and in my photos, and I must admit,
not for purely artistic reasons.

Quotations In Nudes:

Some Shakespeare Quotes and Nude Shots C. M. Martin, 2009-05 This experimental novel merges the classic plays of Shakespeare with the modern reality talk show so as to prove both the timeless applicability of Shakespeare's words and the dangers of our natural inclination to twist credible quotes into horrific justifications

The Female Nude Lynda Nead, 2024-05-01 The history of Western art is saturated with images of the female body Lynda Nead's *The Female Nude* was the first book to critically examine this phenomenon from a feminist perspective and ask how and why did the female nude acquire this status In a deft and engaging manner Lynda Nead explores the ways in which acceptable and unacceptable images of the female body are produced issues which have been reignited by current controversies around the patriarchy objectification and pornography Nead brilliantly illustrates the two opposing poles occupied by the female nude in the history of art at one extreme the visual culmination of enlightenment aesthetics at the other spilling over into the degraded and the obscene What both have in common however is the aim of containing the female body Drawing on examples of art and artists from the classical period to the 1980s *The Female Nude* paints a devastating picture of the depiction of the female body and remains as fresh and invigorating today as it was at the time of its first publication This Routledge Classics edition includes a new Preface by the author

Rembrandt and the Female Nude Eric Jan Sluijter, Rembrandt Harmenszoon van Rijn, 2006 Rembrandt's extraordinary paintings of female nudes Andromeda Susanna Diana and her Nymphs Dana Bathsheba as well as his etchings of nude women have fascinated many generations of art lovers and art historians But they also elicited vehement criticism when first shown described as against the grain anticlassical even ugly and unpleasant However Rembrandt chose conventional subjects kept close to time honored pictorial schemes and was well aware of the high prestige accorded to the depiction of the naked female body Why then do these works deviate so radically from the depictions of nude women by other artists To answer this question Eric Jan Sluijter in *Rembrandt and the Female Nude* examines Rembrandt's paintings and etchings against the background of established pictorial traditions in the Netherlands and Italy Exploring Rembrandt's intense dialogue with the works of predecessors and peers Sluijter demonstrates that more than any other artist Rembrandt set out to incite the greatest possible empathy in the viewer an approach that had far reaching consequences for the moral and erotic implications of the subjects Rembrandt chose to depict In this richly illustrated study Sluijter presents an innovative approach to Rembrandt's views on the art of painting his attitude towards antiquity and Italian art of the Renaissance his sustained rivalry with the works of other artists his handling of the moral and erotic issues inherent in subjects with female nudes and the nature of his artistic choices

The Nude Kenneth Clark, 2023-10-17 A landmark study of the nude in art from the ancient Greeks to Henry Moore by a towering figure in art history In this classic book Kenneth Clark one of the most eminent art historians of the twentieth century examines the ever changing fashion in what constitutes the ideal nude as a basis of humanist form from the art of the ancient Greeks to that of Renoir Matisse and Henry Moore The

Nude reveals the sensitivity of aesthetic theory to fashion what distinguishes the naked from the nude and just why the nude has played such an important role in art history As Clark writes The nude gains its enduring value from the fact that it reconciles several contrary states It takes the most sensual and immediately interesting object the human body and puts it out of reach of time and desire it takes the most purely rational concept of which man is capable mathematical order and makes it a delight to the senses and it takes the vague fears of the unknown and sweetens them by showing that the gods are like men and may be worshipped for their life giving beauty rather than their death dealing powers Please note All images in this ebook are presented in black and white and have been reduced in size

The Naked Truth Kevin Sandler,2007-08-22 From parents and teachers to politicians and policymakers there is a din of voices participating in the debate over how young people are affected by violence strong language and explicit sexual activity in films The Motion Picture Association of America MPAA responded to this concern in 1968 when it introduced a classification and rating system based on the now well known labels G PG PG 13 R and X For some these simple tags are an efficient way to protect children from viewing undesirable content But do the MPAA ratings actually protect children In *The Naked Truth* Kevin S Sandler argues that the rating system does not protect children but instead protects the Hollywood film industry One prime indicator of this is the collective abandonment of the NC 17 rating in 1990 by the major distributors of the MPAA and the main exhibitors of the National Association of Theatre Owners By categorizing all films released by Hollywood and destined for mainstream theaters into R ratings or lower the industry ensures that its products are perceived as responsible entertainment to all audiences and incontestable to politicians and moral reformers By embracing a no NC 17 rule the industry collapses mature subject matter with pornography creating a national cinema where certain representations of sex and nudity are taboo

The New Penguin Dictionary of Modern Quotations Robert Andrews,2003-10-30 The New Penguin Dictionary of Modern Quotations contains over 8 000 quotations from 1914 to the present As much a companion to the modern age as it is an entertaining and useful reference tool it takes the reader on a tour of the wit and wisdom of the great and the good from Margot Asquith to Monica Lewinsky from George V to Boutros Boutros Galli and Jonathan Aitken to

Frank Zappa **The Naked Truth** Alys X. George, 2022-01-21 In the popular imagination turn of the century Vienna is a cerebral place marked by Freud the discovery of the unconscious and the advent of high modernist culture But as historian Alys George argues this stereotype of Viennese Modernism as essentially heady overlooks a rich cultural history of the body in the period Spanning 1870 to 1930 *The Naked Truth* is an interdisciplinary tour de force that recasts the visual literary and performative cultures of the era and offers an alternative genealogy of this fascinating moment in the history of the West Starting with the Second Vienna Medical School and its innovations in anatomy and pathology George traces an emerging culture of bodily knowledge by analyzing a variety of written and visual media including theater and dance and by drawing connections between scientific and artistic discourses Paying equal attention to both low and high culture bringing gender and class issues back to the fore and highlighting the role of female thinkers and writers George's book makes a signal contribution to our understanding of late nineteenth and early twentieth century Viennese and European culture *The Naked Truth* shows us that the inward turn cannot be understood until it is set against the backdrop of a culture obsessed with exploring and displaying humanity in its embodied carnal form *The Victorian Nude* Alison Smith, 1996 Smith reveals how images of the nude were used at all levels of Victorian culture from prestigious high art paintings through to photographs and popular entertainments and discusses the many views as to whether these were legitimate forms of representation or in fact pornography and an incitement to unregulated sexual activity *Puck*, 1912 **Communal Nude** Robert Gluck, 2016-05-13 The collected essays of the cofounder of the New Narrative movement on theory identity poetry and muses from Kathy Acker to Georges Bataille I read and wrote to invoke what seemed impossible relation itself in order to take part in a world that ceaselessly makes itself up to wake up to the world to recognize the world to be convinced that the world exists to take revenge on the world for not existing from *Communal Nude* Since cofounding San Francisco's influential New Narrative circle in 1979 Robert Gluck has been one of America's finest prose stylists of innovative fiction bending narrative into the service of autobiography politics and gay writing This collection brings together for the first time Gluck's nonfiction a revelatory body of work that anchors his writing practice Gluck's essays explore the ways that storytelling and selfhood are mutually embedded cultural forms cohering a fractured social reality where generating narrative means generating identity means generating community I'd laugh at make art from any version of self Gluck writes I write about these forms that are myself to dispense with them to demonstrate how they disintegrate before the world the body For any body or text to know itself it must first see how it sees the world and understand itself as writing Gluck's essays affirm this radical narratorial precept in rich spirals of reading self reflection anecdote escapade and metatext These texts span the author's career and his creative affinities from lost manifestos theorizing the poetics of New Narrative to encomia for literary and philosophic muses Kathy Acker the HOW ever poets Frank O'Hara Georges Bataille and others to narrative journalism book reviews criticism and public talks Many of the texts are culled from obscure little magazines and ephemeral online sources others have never
