On the Window Licks the Night John Mitchell, 1994 South is a mental patient at the State Hospital at Camarillo California In a literary interview writes Publishers Weekly South an institutionalized writer recounts his life before his breakdown Reality is a friend South only occasionally entertains The subject of writer as basketcase certainly is not new but the comic pant of the author s prose as well as the unconventional combination of narrative and records of a literary interview with South make this slim book worth reading

On the Seventh Day John Mitchell, 1997 In the tradition of Joyce s *A Portrait of the Artist as a Young Man* and Dylan Thomas s wry *Portrait of the Artist as a Young Dog* is John Mitchell s intriguing little novella about a writer coming to grips with his art and the so called real world

Small Press , 1992 *Gray Skies Tomorrow* Silvia Molina, 1993 Winner of the Xavier Villaurrutia Prize *Gray Skies Tomorrow* is a superior telling of an age old story that of a young woman s first love The story takes place in England where her relationship with a fellow countryman and poet causes a painful rupture with traditional Mexican values He is a mature man who has already found his own voice while she is living with an intolerant aunt who will not explain the simplest word in the new language which is also that of adulthood requiring her to look everything up in the dictionary As the need to escape the matrix of her past increases conflicting directions present themselves in the form of a teacher who tries to win her away from the poet and through a friend of her aunt who offers refuge in her apartment The safety of a mother s love is never more than a long distance call away and yet the heroine knows instinctively that to rely on home at this juncture is to abdicate her future as a person Meanwhile the clock is ticking and the result is one which can only be attributed to indecision The fact that the author reveals the outcome early in the novel only re enforces our interest in the perilous psychological path by which the ending is achieved at the same time cementing its legitimacy To read Silvia Molina s *Gray Skies Tomorrow* is to hold the threads of human lives in our hands
