Random Miracles Edward Martin Cifelli, 2009-11-10 Happy the Man Happy he and happy he alone is the man who can call today his own the man who secure within can say Tomorrow do thy worst for I have lived today Whether fair or foul or rain or shine all my days in spite of fate are mine Not even Heaven upon the past has power What has been has been and I have had my hour Horace First Century B C *"I" is for Innocent* Sue Grafton, 1992-05-15 Readers of Sue Grafton s fiction know she never writes the same book twice and *I Is For Innocent* is no exception Her most intricately plotted novel to date it is layered in enough complexity to baffle even the cleverest among us Lonnie Kingman is in a bind He s smack in the middle of assembling a civil suit and the private investigator who was doing his pretrial legwork has just dropped dead of a heart attack In a matter of weeks the court s statute of limitations will put paid to his case Five years ago David Barney walked when a jury acquitted him of the murder of his rich wife Isabelle Now Kingman acting as attorney for the dead woman s ex husband and their child and sure that the jury made a serious mistake is trying to divest David Barney of the profits of that murder But time is running out and David Barney still swears he s innocent Patterned along the lines of a legal case *I Is For Innocent* is seamlessly divided into thirds one third of the novel is

devoted to the prosecution one third to the defense and a final third to cross examination and rebuttal The result is a trial novel without a trial and a crime novel that resists solution right to the end When Kinsey Millhone agrees to take over Morley Shine s investigation she thinks it is a simple matter of tying up the loose ends Morley might have been careless about his health but he was an old pro at the business So it comes as a real shock when she finds his files in disarray his key informant less than credible and his witnesses denying ever having spoken with him It comes as a bigger shock when she finds that every claim David Barney has made checks out But if Barney didn t murder his wife who did It would seem the list of candidates is a long one In life Isabelle Barney had stepped on a lot of toes In *I Is For Innocent* Sue Grafton once again demonstrates her mastery of those telling details that reveal our most intimate and conflicted relationships As Kinsey comments on the give and take by which we humans deal with each other for better and sometimes for worse the reader is struck yet again by how acute a social observer Ms Grafton can be Frequently funny and sometimes caustic she is also surprisingly compassionate understanding how little in life is purely black and white Except for murder Somewhere out there a killer waits to see just what Kinsey will find out Somewhere out there someone s been getting away with murder and this time it just might turn out to be Kinsey s *I Is For Innocent* is Sue Grafton in peak form Fast paced Funny And very very devious A Is for Alibi B Is for Burglar C Is for Corpse D Is for Deadbeat E Is for Evidence F Is for Fugitive G Is for Gumshoe H Is for Homicide I Is for Innocent J Is for Judgment K Is for Killer L is for Lawless M Is for Malice N Is for Noose O Is for Outlaw P Is for Peril Q Is for Quarry R Is for Ricochet S Is for Silence T Is for Trespass U Is for Undertow V Is for Vengeance W Is for Wasted X

"H" is for Homicide Sue Grafton, 2010-04-01 His name was Parnell Perkins and until shortly after midnight he d been a claims adjustor for California Fidelity Then someone came along and put paid to that line of work And to any other Parnell Perkins had been shot at close range and left for dead in the parking lot outside California Fidelity s offices To the cops it looked like a robbery gone sour To Kinsey Millhone it looked like the cops were walking away from the case She didn t like the idea that a colleague and sometime drinking companion had been murdered Or the idea that his murderer was loose and on the prowl It made her feel exposed Vulnerable Bibianna Diaz was afraid for her life If there was one thing she knew for sure it was that you didn t cross Raymond Maldonado and live to tell the tale And Bibianna had well and truly crossed him running out on his crazy wedding plans and going into hiding in Santa Teresa light

years away from the Los Angeles barrio that was home turf to Raymond and his gang Now she needed money to buy time to make sure she'd put enough space between them And the quickest way she knew to get money was to work an insurance scam just like the ones Raymond was running down in L A The trouble was Bibianna picked California Fidelity as her mark And it wasn't long before her name surfaced in one of Parnell Perkins's open files and Kinsey was on her case But so too was her spurned suitor Raymond Maldonado He had a rap sheet as long as his arm a hair trigger temper that was best left untested and an inability to take no for an answer He also had Tourette's syndrome which did nothing to smooth out the kinks in his erratic and often violent behavior All in all Raymond Maldonado was not someone to spend a lot of time hanging out with Unfortunately for Kinsey she didn't have a lot of choice in the matter Not after the love sick Raymond kidnapped Bibianna Like it or not Kinsey was stuck babysitting Bibianna along with Raymond and his macho crew You might say she was a prisoner of love It may be Kinsey Millhone's most complicated and risk filled case It certainly is Sue Grafton's wittiest venture into low life crime It's H is for Homicide and it confirms yet again that Kinsey Millhone is a wonderful character tough but not brutish resourceful and sensitive a fit knight to walk those mean streets with her male predecessors the Los Angeles Times and that Sue Grafton is a heads up delight Detroit News
