

RABBINIC AUTHORITY

Is rabbinic authority based solely on the contemporary rabbi's powers of persuasion in granting personal support? What role, if any, do a rabbi's scholarly attainments or qualifications play as determinants of that rabbi's sense of authenticity? How is the rabbi, as it is a rabbi, affected by his or her personal religious? How should rabbinic authority be applied toward the Christian community?

The essays included in this important collection traverse a broad spectrum of views, reflecting some of the broad issues in rabbinic authority gathered into a single volume. Authors, including the Rabbinic Union College Jewish Institute of Religion, join with thoughtful, learned colleagues in the rabbi's struggle to debate the many ramifications of the complex question: From whence derives a rabbi's authority, and toward what end?

From Tradition to Commentary Steven D. Fraade, 1991-01-01 This book examines Torah and its interpretation both as a recurring theme in the early rabbinic commentary and as the very practice of the commentary It studies the phenomenon of ancient rabbinic scriptural commentary in relation to the perspectives of literary and historical criticisms and their complex intersection The author discusses extensively the nature of ancient commentary comparing and contrasting it with the antecedents in the pesharim of the Dead Sea Scrolls and the allegorical commentaries of Philo of Alexandria He develops a model for a dynamic understanding of the literary structure and sociohistorical function of early rabbinic commentary and then applies this model to the Sifre to the oldest extant running commentary to Deuteronomy and one of the oldest rabbinic collections of exegesis Fraade examines the commentary s representation of revelation and its reception at Mt Sinai with particular attention to its fractured refiguration and interrelation of Scripture tradition and history He discusses the commentary s discursive empowering of the class of sages in their collective self understanding as Israel s authorized teachers leaders legislators and judges The author also probes the tension between Torah and nature as witnesses to Israel s covenant with God

From Maimonides to Microsoft Neil Netanel, David Nimmer, 2016 From *Maimonides to Microsoft* traces the historical development of Jewish copyright law by comparing rabbinic reprinting bans with secular and papal book privileges and by relaying the stories of dramatic disputes among publishers of books of Jewish learning and liturgy He describes each dispute in its historical context and examines the rabbinic rulings that sought to resolve it Remarkably the rabbinic reprinting bans and copyright rulings address some of the same issues that animate copyright jurisprudence today Is copyright a property right or just a right to receive fair compensation How long should copyrights last What purposes does copyright serve While Jewish copyright law has borrowed from its secular law counterpart at key junctures it fashions strikingly different answers to those key questions

Authority and Dissent in

Jewish Life Leonard J. Greenspoon, 2020-10-15 Throughout the long history of Judaism many individuals and groups have sought to wield authority on the basis of unique religious social familial military or political claims Moving historically from the biblical period to the modern day State of Israel Authority and Dissent in Jewish Life discusses a range of those claims to authority from within the Jewish community itself There is no single paradigm that characterizes these instances Yet again and again the same causes of disagreement arise interpretation and application of authoritative texts appropriate ways to remember and memorialize figures from the past the extent to which traditional leadership roles should or should not change in keeping with new cultural or political contexts the degree to which long held beliefs and long practiced rituals are or are not susceptible to modification or abandonment and the tension members of a Jewish community may feel when their leaders make pronouncements at odds with the political policies of the secular state in which they live Written accessibly the essays in this collection examine these phenomena from a wide variety of approaches genres and media They pay close attention to the historical and religious settings of the controversies they analyze yet also allow for ample reflection on the larger issues of authority and dissent that each occurrence raises Routledge Handbook of Religious Laws Silvio Ferrari, Rossella Bottoni, 2019-04-09 Much has been written on specific religious legal systems yet substantial comparative studies that strive to compare systems identifying their analogies and differences have been relatively few This absence undermines the capacity to understand religions and becomes particularly serious when the faithful of these religions live together in the same geographical space as happens today with increasing frequency Both interreligious dialogue and dialogue between States and religions presuppose a set of data and information that only comparative research can provide This book seeks to address this gap in the literature by presenting a comparative analysis of Christian Jewish Islamic and Hindu laws and traditions Divided into five parts the first part of the book offers the historical background for the legal analysis that is developed in the subsequent parts Part II deals with the sources of law in the four religions under discussion Part III addresses the dynamics of belonging and status and Part IV looks at issues relating to the conclusion of marriage and its dissolution The fifth and final part discusses how each religion views the legal other Each part concludes with exploring what we can learn from a comparative examination of the topic that is dealt with in that part Written by leading experts in the field this book presents a clear and comprehensive picture of key religious legal systems along with a substantial bibliography It provides a state of the art overview of scholarship in this area accompanied by a critical evaluation As such it will be an invaluable resource for all those concerned with religious legal systems multiculturalism and comparative law **Preaching in Judaism and Christianity** Alexander Deeg, Walter Homolka, Heinz-Günther Schöttler, 2008-08-27 It is a widespread idea that the roots of the Christian sermon can be found in the Jewish derasha But the story of the interrelation of the two homiletical traditions Jewish and Christian from New Testament times to the present day is still untold Can homiletical encounters be registered Is there a common homiletical history not only in the modern era but also in rabbinic times and in

the Middle Ages Which current developments affect Jewish and Christian preaching today in the 21st century And most important what consequences may result from this mutual perception of Jewish and Christian homiletics for homiletical research and the practice of preaching This book offers the papers of the first international conference Bamberg Germany 6th to 8th March 2007 which brought together Jewish and Christian scholars to discuss Jewish and Christian homiletics in their historical development and relationship and to sketch out common homiletical projects **Dictionary of Jewish**
