Race And Class Politics In New York City Before The Civil War

Jon Scott Logel

Race And Class Politics In New York City Before The Civil War:

Race and Class Politics in New York City Before the Civil War Anthony Gronowicz,1998 Challenging the studies of several historians regarding 19th century politics Anthony Gronowicz reveals how the Democratic Party employed the racist ideology of democratic republicanism to shape the political values of New York s labor force This insightful volume enriches one s understanding of antebellum politics economics and culture Illustrations , **The Making of Urban America** Raymond A. Mohl,Roger Biles,2023-10-03 The revised and updated third edition of The Making of Urban America includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined The Making of Urban America is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject *Between Freedom and Bondage* Christopher Malone,2012-09-10 Between Freedom and Bondage looks at the fluctuations of black suffrage in the ante bellum North using the four states of New York Pennsylvania Massachusetts and Rhode Island as examples In each of these states a different outcome was obtained for blacks in their quest to share the vote By analyzing the various outcomes of state struggles Malone offers a framework for understanding and explaining how the issue of voting rights for blacks unfolded between the drafting of the Constitution and the end of the Civil War **Black Identity and Black Protest in the Antebellum North** Patrick Rael,2003-01-14 Frederick Douglass Sojourner Truth Martin Delany these figures stand out in the annals of black protest for their vital antislavery efforts But what of the rest of their generation the thousands of other free blacks in the North Patrick Rael explores the tradition of protest and sense of racial identity forged by both famous and lesser known black leaders in antebellum America and illuminates the ideas that united these activists across a wide array of divisions In so doing he reveals the roots of the arguments that still resound in the struggle for justice today Mining sources that include newspapers and pamphlets of the black national press speeches and sermons slave narratives and personal memoirs Rael recovers the voices of an extraordinary range of black leaders in the first half of the nineteenth century He traces how these activists constructed a black American identity through their participation in the discourse of the public sphere and how this identity in turn informed their critiques of a nation predicated on freedom but devoted to white supremacy His analysis explains how their place in the industrializing urbanizing antebellum North offered black leaders a unique opportunity to smooth over class and other tensions among themselves and successfully galvanize the race against slavery *John Jay and Alexander Hamilton on Black Enslavement* Arthur Scherr,2025-01-10 In this

groundbreaking study Arthur Scherr examines the positions on slavery held by two of the most famous New Yorkers of the early American Republic John Jay and Alexander Hamilton Using Hamilton s 1779 proposal to free Southern slaves on the condition that they fight in the Continental Army as a starting point Scherr assesses the pair s positions on enslavement Utilizing often untouched resources Scherr offers a re evaluation of Hamilton and Jay s modern status as antislavery icons

The A to Z of the Jacksonian Era and Manifest Destiny Terry Corps,2009-07-27 The brief period from 1829 to 1849 was one of the most important in American history During just two decades the American government was strengthened the political system consolidated and the economy diversified All the while literature and the arts the press and philanthropy urbanization and religious revivalism sparked other changes The belief in Manifest Destiny simultaneously caused expansion across the continent and the wretched treatment of the Native Americans while arguments over slavery slowly tore a rift in the country as sectional divisions grew and a national crisis became almost inevitable The A to Z of the Jacksonian Era and Manifest Destiny takes a close look at these sensitive years Through a chronology that traces events year by year and sometimes even month by month actions are clearly delineated The introduction summarizes the major trends of the epoch and the four administrations therein The details are then supplied in several hundred cross referenced dictionary entries and the bibliography concludes this essential tool for anyone interested in history *Law and Economics* Margaret

Oppenheimer,Nicholas Mercurio,2015-06-01 The economic analysis of legal and regulatory issues need not be limited to the neoclassical economic approach The expert contributors to this work employ a variety of heterodox legal economic theories to address a broad range of legal issues They demonstrate how these various approaches can lead to very different conclusions concerning the role of the law and legal intervention in a wide array of contexts The schools of thought and methodologies represented here include institutional economics new institutional economics socio economics social economics behavioral economics game theory feminist economics Rawlsian economics radical economics Austrian economics and personalist economics The legal and regulatory issues examined include anti trust and competition corporate governance the environment and natural resources land use and property rights unions and collective bargaining welfare benefits work time regulation and standards sexual harassment in the workplace obligations of employers and employees to each other crime torts and even the structure of government Each contributor brings a different emphasis and provides thoughtful sometimes provocative analysis and conclusions Together these heterodox insights will provide valuable supplementary reading for courses in law and economics as well as public policy and business courses at both the graduate and undergraduate levels **Walt Whitman and the Class Struggle** Andrew Lawson,2009-11 By reconsidering Whitman not

as the proletarian voice of American diversity but as a historically specific poet with roots in the antebellum lower middle class Andrew Lawson in *Walt Whitman and the Class Struggle* defines the tensions and ambiguities about culture class and politics that underlie his poetry Drawing on a wealth of primary sources from across the range of antebellum print culture

Lawson uses close readings of *Leaves of Grass* to reveal Whitman as an artisan and an autodidact ambivalently balanced between his sense of the injustice of class privilege and his desire for distinction. Consciously drawing upon the languages of both the elite culture above him and the vernacular culture below him, Whitman constructed a kind of middle linguistic register that attempted to filter these conflicting strata and defuse their tensions. You shall not look through my eyes either nor take things from me. You shall listen to all sides and filter them from yourself. By exploring Whitman's internal struggle with the contradictions and tensions of his class identity, Lawson locates the source of his poetic innovation. By revealing a class-conscious and conflicted Whitman, he realigns our understanding of the poet's political identity and distinctive use of language and thus valuably alters our perspective on his poetry. **How Class Works** Stanley Aronowitz, 2003-01-01

Although Americans like to believe that they live in a classless society, Stanley Aronowitz demonstrates that class remains a potent force. Defining class as the power of social groups to make a difference, he explains that social groups such as labor movements, environmental activists, and feminists become classes when they make demands that change the course of history. With *How Class Works*, Aronowitz puts the subject of social class squarely on the intellectual agenda, though in a new, inclusive, and dynamic form. Like his influential *False Promises*, *How Class Works* is both intellectually exciting and morally challenging. Barbara Ehrenreich. In *How Class Works*, Aronowitz argues for the enduring vitality of the concept of social class as a way of understanding social relations. This is a significant contribution to social theory, an argument certain to be widely considered, debated, and tested. George Lipsitz, author of *American Studies in a Moment of Danger*. An intellectually captivating book on a topic that remains as timely and significant as ever. Howard Kimeldorf, University of Michigan.

Historic Cities of the Americas David F. Marley, 2005-09-12. With rare maps, prints, and photographs, this unique volume explores the dramatic history of the Americas through the birth and development of the hemisphere's great cities. Written by award-winning author David F. Marley, *Historic Cities of the Americas* covers the hard-to-find information of these cities' earliest years, including the unique aspects of each region's economy and demography, such as the growth of local mining, trade, or industry. The chronological layout, aided by the numerous maps and photographs, reveals the exceptional changes, relocations, destruction, and transformations these cities endured to become the metropolises they are today. *Historic Cities of the Americas* provides over 70 extensively detailed entries covering the foundation and evolution of the most significant urban areas in the western hemisphere. Critically researched, this work offers a rare look into the times prior to Christopher Columbus' arrival in 1492 and explores the common difficulties overcome by these European-conquered or founded cities as they flourished into some of the most influential locations in the world. **A History of Affirmative Action, 1619-2000** Philip F. Rubio, 2009-09-18. A readable history that puts the current debates in historical context.

New York Ric Burns, James Sanders, Lisa Ades, 2021-11-23. An expanded edition of the only comprehensive illustrated history of New York with more than 600 ravishing photographs and illustrations that tells the remarkable 400-year-long story.

of the city from its beginning in 1624 up to the current moment The companion volume to the acclaimed PBS series This landmark book traces the spectacular growth of New York from its initial settlement on the tip of Manhattan through the destruction wrought by the Revolutionary War to its rise as the nation's premier commercial capital and industrial center and as a magnet for immigrant hopes and dreams in the 19th century to its standing as a beacon of modern culture in the 20th century and as a worldwide symbol of resilience in the 21st century The story continues here with new chapters delivering a sweeping portrait of New York at the dawn of the 21st century when it emerged after decades of decline to assert its place at the very center of a new globalized culture Here is a city challenged indeed sometimes shaken to its core by a series of profound crises the aftermath of 9/11 the continual struggle with racial injustice the financial crisis of 2008 the devastation of Superstorm Sandy the still unfolding cataclysm of the COVID-19 pandemic whose earliest and deadliest urban epicenter was New York itself Here too is a lively portrait of the city's vibrant street life and culture the birth of hip hop in the South Bronx Christo and Jeanne Claude's Gates in Central Park the musicals of Broadway the explosion in location filmmaking in every borough the pivotal rise of the tech industry and so much more The history of this city especially in the tumultuous and transformative two decades detailed in the new chapters is an epic story of rebirth and growth an astonishing transfiguration still in progress of the world's first modern city into a model and prototype for the global city of the future

From Slavery to Poverty Gunja SenGupta, 2010-11 The racially charged stereotype of welfare queen an allegedly promiscuous waster who uses her children as meal tickets funded by tax payers is a familiar icon in modern America but as Gunja SenGupta reveals in *From Slavery to Poverty* her historical roots run deep For SenGupta argues the language and institutions of poor relief and reform have historically served as forums for inventing and negotiating identity Mining a broad array of sources on nineteenth century New York City's interlocking network of private benevolence and municipal relief SenGupta shows that these institutions promoted a racialized definition of poverty and citizenship But they also offered a framework within which working poor New Yorkers recently freed slaves and disfranchised free blacks Afro Caribbean sojourners and Irish immigrants sex workers and unemployed laborers and mothers and children could challenge stereotypes and offer alternative visions of community Thus SenGupta argues long before the advent of the twentieth century welfare state the discourse of welfare in its nineteenth century incarnation created a space to talk about community race and nation about what it meant to be American who belonged and who did not Her work provides historical context for understanding why today the notion of welfare with all its derogatory un-American connotations is associated not with middle class entitlements like Social Security and Medicare but rather with programs targeted at the poor which are wrongly assumed to benefit primarily urban African Americans

Historical Dictionary of the Jacksonian Era and Manifest Destiny Mark R. Cheatham, Terry Corps, 2016-12-13 The Jacksonian period under review in this dictionary served as a transition period for the United States The growing pains of the republic's infancy during which time Americans learned that their nation would survive transitions

of political power gave way to the uncertainty of adolescence While the United States did not win its second war the War of 1812 with its mother country it reaffirmed its independence and experienced significant maturation in many areas following the conflict s end in 1815 As the second generation of leaders took charge in the 1820s the United States experienced the challenges of adulthood The height of those adult years from 1829 to 1849 is the focus of the Historical Dictionary of the Jacksonian Era and Manifest Destiny This second edition of Historical Dictionary of the Jacksonian Era and Manifest Destiny contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about this era in American history **Tunneling to the Future** Peter Derrick,2002-04 Derrick archivist Bronx County Historical Society tells the story of what was at the time the largest and most expensive single municipal project ever attempted the 1913 expansion of the New York City Dual System of Rapid Transit He considers the factors motivating the expansion the process of its design the controversies surrounding financing it and its impact on New York then and today Appendixes summarize the contracts and related certificates and list the opening dates of Dual System lines Twenty four pages of photographs are also included c Book News Inc **Wealth and Democracy** Kevin Phillips,2002-06-18 For more than thirty years Kevin Phillips insight into American politics and economics has helped to make history as well as record it His bestselling books including The Emerging Republican Majority 1969 and The Politics of Rich and Poor 1990 have influenced presidential campaigns and changed the way America sees itself Widely acknowledging Phillips as one of the nation s most perceptive thinkers reviewers have called him a latter day Nostradamus and our modern Thomas Paine Now in the first major book of its kind since the 1930s he turns his attention to the United States history of great wealth and power a sweeping cavalcade from the American Revolution to what he calls the Second Gilded Age at the turn of the twenty first century The Second Gilded Age has been staggering enough in its concentration of wealth to dwarf the original Gilded Age a hundred years earlier However the tech crash and then the horrible events of September 11 2001 pointed out that great riches are as vulnerable as they have ever been In Wealth and Democracy Kevin Phillips charts the ongoing American saga of great wealth how it has been accumulated its shifting sources and its ups and downs over more than two centuries He explores how the rich and politically powerful have frequently worked together to create or perpetuate privilege often at the expense of the national interest and usually at the expense of the middle and lower classes With intriguing chapters on history and bold analysis of present day America Phillips illuminates the dangerous politics that go with excessive concentration of wealth Profiling wealthy Americans from Astor to Carnegie and Rockefeller to contemporary wealth holders Phillips provides fascinating details about the peculiarly American ways of becoming and staying a multimillionaire He exposes the subtle corruption spawned by a money culture and financial power evident in economic philosophy tax favoritism and selective bailouts in the name of free enterprise economic stimulus

and national security Finally Wealth and Democracy turns to the history of Britain and other leading world economic powers to examine the symptoms that signaled their declines speculative finance mounting international debt record wealth income polarization and disgruntled politics signs that we recognize in America at the start of the twenty first century In a time of national crisis Phillips worries that the growing parallels suggest the tide may already be turning for us all

Designing Gotham Jon Scott Logel, 2016-10-12 Between 1817 and 1898 New York City evolved from a vital Atlantic port of trade to the center of American commerce and culture With this rapid commercial growth and cultural development New York came to epitomize a nineteenth century metropolis Although this important urban transformation is well documented the critical role of select Union soldiers turned New York engineers has until now remained largely unexplored In Designing Gotham Jon Scott Logel examines the fascinating careers of George S Greene Egbert L Viele John Newton Henry Warner Slocum and Fitz John Porter all of whom studied engineering at West Point served in the United States Army during the Civil War and later advanced their civilian careers and status through the creation of Victorian New York These influential cadets trained at West Point in the nation's first engineering school a program designed by Sylvanus Thayer and Dennis Hart Mahan that would shape civil engineering in New York and beyond After the war these industrious professionals leveraged their education and military experience to wield significant influence during New York's social economic and political transformation Logel examines how each engineer's Civil War service shaped his contributions to postwar activities in the city including the construction of the Croton Aqueduct the creation of Central Park and the building of the Brooklyn Bridge Logel also delves into the administration of New York's municipal departments in which Military Academy alumni interacted with New York elites politicians and civilian trained engineers Examining the West Pointers' experiences as cadets military officers during the war and New Yorkers Logel assesses how these men impacted the growing metropolis the rise of professionalization and the advent of Progressivism at the end of the century

[The Elite of Our People: Joseph Willson's Sketches of Black Upper-Class Life in Antebellum Philadelphia](#) , **Cultural Anthropology** John H. Bodley, 2011-04-16 This introductory text introduces basic concepts in cultural anthropology by comparing cultures of increasing scale and focusing on specific universal issues throughout human history Cultural materials are presented in integrated ethnographic case studies organized by cultural and geographic areas to show how ideological social organization and material features fit together in specific sociocultural systems John H Bodley explicitly seeks a balance between ecological materialist and cultural ideological explanations of sociocultural systems while stressing the importance of individual power seeking and human agency Part One examines domestic scale autonomous tribal cultures Part Two presents politically organized class based civilizations and ancient empires in the imperial world Part Three surveys global industrial market based civilizations in the contemporary commercial world Cultural Anthropology uniquely challenges students to consider the big questions about the nature of cultural systems

Race And Class Politics In New York City Before The Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Race And Class Politics In New York City Before The Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Race And Class Politics In New York City Before The Civil War has opened up a world of possibilities. Downloading Race And Class Politics In New York City Before The Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Race And Class Politics In New York City Before The Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Race And Class Politics In New York City Before The Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Race And Class Politics In New York City Before The Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Race And Class Politics In New York City Before The Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Race And Class Politics In New York City Before The Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Race And Class Politics In New York City Before The Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Race And Class Politics In New York City Before The Civil War is one of the best book in our library for free trial. We provide copy of Race And Class Politics In New York City Before The Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Race And Class Politics In New York City Before The Civil War. Where to download Race And Class Politics In New York City Before The Civil War online for free? Are you looking for Race And Class Politics In New York City Before The Civil War PDF? This is definitely going to save you time and cash in something you should think about.
