News for All the People: The

Epic Story of Race and the American Media Juan González, Joseph Torres, 2011-10-31 A landmark narrative history of American media that puts race at the center of the story Here is a new sweeping narrative history of American news media that puts race at the center of the story From the earliest colonial newspapers to the Internet age America's racial divisions have played a central role in the creation of the country's media system just as the media has contributed to and every so often combated racial oppression News for All the People reveals how racial segregation distorted the information Americans received from the mainstream media It unearths numerous examples of how publishers and broadcasters actually fomented racial violence and discrimination through their coverage And it chronicles the influence federal media policies exerted in such conflicts It depicts the struggle of Black Latino Asian and Native American journalists who fought to create a vibrant yet little known alternative democratic press and then beginning in the 1970s forced open the doors of the major media companies The writing is fast paced story driven and replete with memorable portraits of individual journalists and media executives both famous and obscure heroes and villains It weaves back and forth between the corporate and government leaders who built our segregated media system such as Herbert Hoover whose Federal Radio Commission eagerly awarded a license to a notorious Ku Klux Klan organization in the nation's capital and those who rebelled against that system like Pittsburgh Courier publisher Robert L Vann who led a remarkable national campaign to get the black face comedy Amos n Andy off the air Based on years of original archival research and up to the minute reporting and written by two veteran journalists and leading advocates for a more inclusive and democratic media system News for All the People should become the standard history of American media

Race the Time Vidya Gopaul, 2015-07-13 This novel RACE THE TIME that I have written is first of a kind Its about a man who while trying to locate his birth father ended up marrying his own sister because his father was the same father of the girl he was marrying It so happened because his father deserted his mother when she was pregnant and married to another woman who then gave birth to a baby girl Since the man lived in one country and the girl lived in another country when they met they did not know that they had the same father Eventually on their wedding day they found out that both had the same father But it was too late because many unethical acts had been committed between them What inspired me to write this novel is that such true story has taken place in many occasions in

this country and in many others and has been kept in the background The families who have been affected by it have been devastated morally Moreover the idea of writing this book also came to my mind while I participated in a bioethical course in my undergraduate programs at university I believe that such true story will keep occurring as long as there will be divorces family break ups unwanted pregnancies sex freedom artificial insemination and many other methods of artificially conceiving babies I also believe that once this novel is in the market many people will become aware of such story and perhaps will educate them As a result it may help prevent further occurrence of similar incidents *Ridpath's Universal History* John Clark Ridpath,1897 Fallen Race: The Inheritance Melissa Saulnier,2018-12-12 Kaira Munroe a New York Journalist for East Coast Traveler arrives at Meadow Manor to attend her grandmother s Wake and a major announcement regarding forbidden history the unveiling of a family secret that will change the face of her view of the Vatican and the world forever As the Wake begins Father Murphy introduces Alex Mirabelli a Jesuit Priest and Astronomer Kaira finds she is captivated as she awaits the unveiling of her grandmother s secret which Kaira is beginning to realize will be more controversial than she could have dreamed The beautiful wake is suddenly disrupted and the revealing of the last wish of Kaira s grandmother Victoria teeters on the brink of being lost forever Facing imminent danger from an invisible secret Order who think nothing of murder Kaira is forced into a desperate escape With her is Jonathan Bell her high school sweetheart Together Kaira and Jonathan flee on a perilous quest to unlock the ancient forbidden secret **Race the Atlantic Wind** Oisín McGann,2019-06-10 In the spring of 1919 after the end of the First World War teams of pilots and navigators begin to gather on the North American island of Newfoundland They are attempting what many believe to be impossible to fly non stop across the Atlantic Ocean Equipped with machines made mostly from wood fabric and wire they intend to fly the 1 800 miles to Ireland in the face of the merciless North Atlantic weather John Alcock and Arthur Whitten Brown are late to arrive Competing against some of Europe s most famous pilots these two British war veterans are considered rank outsiders Maggie McRory is a sixteen year old girl who sees the gathering of all these aircraft and their crews as a chance to escape her narrow existence Her war scarred uncle however views them as a threat to the island and his way of life This absurdly dangerous contest is going to change the world FALLEN RACE: The Celestial Clock Melissa Saulnier,2019-02-23 When heiress Kaira Munroe and world renowned Oceanographer Jonathan Bell are summoned to a remote location in the Caribbean to analyze a mysterious golden disc set between the pillars of an ancient Stonehenge they discover evidence of the unimaginable Their worst fears are confirmed when on the verge of documenting the golden disc the earth s magnetic field opens over 200 feet below the Caribbean ocean Fallen Race The Celestial Clock careens from enlightening epiphanies to dark truths in the battle between science physics and religion The truth they will learn is the most shocking of all Who was on the earth thousands of years ago Were they human or something else and are they planning on returning through the earth magnetic portals This exciting fast paced thrill the second book in the Fallen Race Trilogy is guaranteed to take you for
