**In Struggle** Clayborne Carson, 1995-04-03 With its radical ideology and effective tactics the Student Nonviolent Coordinating Committee SNCC was the cutting edge of the civil rights movement during the 1960s This sympathetic yet evenhanded book records for the first time the complete story of SNCC s evolution of its successes and its difficulties in the ongoing struggle to end white oppression At its birth SNCC was composed of black college students who shared an ideology of moral radicalism This ideology with its emphasis on nonviolence challenged Southern segregation SNCC students were the earliest civil rights fighters of the Second Reconstruction They conducted sit ins at lunch counters

spearheaded the freedom rides and organized voter registration which shook white complacency and awakened black political consciousness In the process Clayborne Carson shows SNCC changed from a group that endorsed white middle class values to one that questioned the basic assumptions of liberal ideology and raised the fist for black power Indeed SNCC's radical and penetrating analysis of the American power structure reached beyond the black community to help spark wider social protests of the 1960s such as the anti Vietnam War movement Carson's history of SNCC goes behind the scene to determine why the group's ideological evolution was accompanied by bitter power struggles within the organization Using interviews transcripts of meetings unpublished position papers and recently released FBI documents he reveals how a radical group is subject to enormous often divisive pressures as it fights the difficult battle for social change **The Southern**

black students and the universities themselves who name campus buildings after racist men and women It also takes a deep dive into anti affirmative action policies and how they effectively segregate predominately white universities providing ample room for white privilege A bold mix of history and the current climate Blackballed is a call to action for universities to make radical changes to their policies and standards to foster a better legacy for all students
