Paths Of Resistance Tradition And Dignity In Industrializing Missouri

Daniel Horowitz

Paths Of Resistance Tradition And Dignity In Industrializing Missouri:

Paths of Resistance David Paul Thelen, 1986 This book looks at economic development and social change in one specific state Missouri between the Civil War and the First World War *Paths of Resistance* David R. Thelen, 1986-01-23 The years between 1865 and 1920 were eventful ones for the state of Missouri It was not only the time of Jesse James Scott Joplin and Mark Twain of progressive governors Joseph Folk and Herbert Hadley of the first general strike in St Louis and some especially vicious vigilante activity it was also the time when Missouri like many other states was being transformed by the tides of industrialism and economic growth This social history examines the social and economic forces that resisted economic development in Missouri Here Thelen explores the various ways that people attempted to maintain their values and dignity in the face of overwhelming new economic cultural and political pressures and analyzes the grassroots patterns that emerged in response to rapid social change Thelen who is one of the leading historians of the Progressive period in America contends that people found their strength not in class solidarity or other Marxist responses but in what he calls the resistance of folk memories which allowed them to call upon the best elements of their collective past to help them cope with the new situation **Jesse's Lineage** Jennifer L. Koosed, Robert Seesengood, 2013-05-09 Jesse's Lineage explores the interconnections between David Jesus and Jesse James All three of these figures evoked complicated and conflicted reactions from their contemporaries considered criminals by some saviors by others David lives the life of a bandit while on the run from Saul Jesus dies the death of a bandit alongside other bandits Jesse James is the paragon of the bandit in the American West and yet his life and death is also understood in biblical terms Iron Age Judah Roman Galilee and Reconstruction era Missouri alike invoke the context of colonial territories and areas of resistance Such contexts give birth to bandits the heroes of the subaltern After their deaths David Jesus and Jesse James live on thorough equally complicated and conflicted textual ritual and cultural memories Their stories intertwine through reference and allusion as Jesus mission is understood in terms of David's promise and Jesse's death is understood in terms of Jesus betrayal The biography of each figure is further complicated by the processes of folk memory and oral transmission *A Missouri Railroad Pioneer* Joel P. Rhodes, 2017-08-15 Lawyer and journalist entrepreneur and philanthropist Louis Houck is often called the Father of Southeast Missouri because he brought the railroad to the region and opened this backwater area to industrialization and modernization Although Houck's name is little known today outside Missouri Joel Rhodes shows how his story has relevance for both the state and the nation Rhodes presents a more complete picture of Houck than has ever been available reviewing his life from his German immigrant roots considering his career from both social and political perspectives and grounding the story in both state and national history He especially tells how from 1880 to the 1920s this self taught railroader constructed a network of five hundred miles of track through the wilderness of wetlands known as Swamp East Missouri and how these Houck Roads provided a boost for population agriculture lumbering and commerce that transformed Cape Girardeau and the

surrounding area Rhodes discusses how Houck fits into the era of economic individualism a time when men with little formal training shaped modern industry and also gives voice to Houck's critics and shows that he was not always an easy man to work with In telling the story of his railroading enterprise Rhodes chronicles Houck's battle with the Jay Gould railroad empire and offers key insight into the development of America's railway system from the cutthroat practices of ruthless entrepreneurs to the often comic ineptness of start up rail lines More than simply a biography of a business entrepreneur the book tells how Houck not only developed the region economically but also followed the lead of Andrew Carnegie by making art culture and formal education available to all social classes Houck also served for thirty six years as president of the Board of Regents of Southeast Missouri State Teacher's College and as a self taught historian he wrote the first comprehensive accounts of Missouri's territorial period A Missouri Railroad Pioneer chronicles a multifaceted career that transformed a region Solidly researched this lively narrative also offers an entertaining read for anyone interested in Missouri history

Missouri William E. Parrish, Lawrence O. Christensen, Brad D. Lookingbill, 2019-04-10 Comprehensively captures the robust history of the state of Missouri from the pre Columbian period to the present Combining a chronological overview with topical development this book by a team of esteemed historians presents the rich and varied history of Missouri a state that has played a pivotal role in the history of the nation In a clear engaging style that all students of Missouri history are certain to enjoy the authors of Missouri The Heart of the Nation explore such topics as Missouri's indigenous population French and Spanish colonialism territorial growth statehood slavery the Civil War and Reconstruction railroads modernization two world wars constitutional change Civil Rights political realignments and the difficult choices that Missourians face in the 21st century Featuring chapter revisions as well as new maps photographs reading lists a preface and index this latest edition of this beloved survey textbook will continue to engage all those celebrating Missouri's bicentennial A companion website features a student study guide Published to commemorate the bicentennial of Missouri statehood in 2021 Features fully updated chapters that bring the historical narrative up to the present Presents numerous images and maps that enrich the coverage of key events Provides suggestions for further reading Missouri The Heart of the Nation is an excellent book for colleges and universities offering survey courses on state history or state government It also will appeal to all lovers of American history and to those who call Missouri home

A History of the Ozarks, Volume 2 Brooks Blevins, 2019-09-30 The Ozarks of the mid 1800s was a land of divisions The uplands and its people inhabited a geographic and cultural borderland straddling Midwest and west North and South frontier and civilization and secessionist and Unionist As civil war raged across the region neighbor turned against neighbor unleashing a generation of animus and violence that lasted long after 1865 The second volume of Brooks Blevins's history begins with the region's distinctive relationship to slavery Largely unsuitable for plantation farming the Ozarks used enslaved persons on a smaller scale or in some places not at all Blevins moves on to the devastating Civil War years where the dehumanizing personal nature of Ozark conflict was made uglier by

the predations of marching armies and criminal gangs Blending personal stories with a wide narrative scope he examines how civilians and soldiers alike experienced the war from brutal partisan warfare to ill advised refugee policies to women s struggles to safeguard farms and stay alive in an atmosphere of constant danger The war stunted the region s growth delaying the development of Ozarks society and the processes of physical economic and social reconstruction More and more striving uplanders dedicated to modernization fought an image of the Ozarks as a land of mountaineers and hillbillies hostile to the idea of progress Yet the dawn of the twentieth century saw the uplands emerge as an increasingly uniform culture forged for better and worse in the tumult of a conflicted era

The Ghosts of Guerrilla Memory Matthew Christopher Hulbert,2016-10-15 The Civil War tends to be remembered as a vast sequence of battles with a turning point at Gettysburg and a culmination at Appomattox But in the guerrilla theater the conflict was a vast sequence of home invasions local traumas and social degeneration that did not necessarily end in 1865 This book chronicles the history of guerrilla memory the collision of the Civil War memory industry with the somber realities of irregular warfare in the borderlands of Missouri and Kansas In the first accounting of its kind Matthew Christopher Hulbert s book analyzes the cultural politics behind how Americans have remembered misremembered and re remembered guerrilla warfare in political rhetoric historical scholarship literature and film and at reunions and on the stage By probing how memories of the guerrilla war were intentionally designed created silenced updated and even destroyed Hulbert ultimately reveals a continent wide story in which Confederate bushwhackers pariahs of the eastern struggle over slavery were transformed into the vanguards of American imperialism in the West

Jesse James and the Movies Johnny D. Boggs,2014-01-10 This illustrated filmography analyzes the plots and players of the more than forty motion pictures about the legendary Missouri outlaw Jesse James 1847 1882 from the silent era to the 21st century Among the films and actors covered are Jesse James 1939 with Tyrone Power Kansas Raiders 1950 with Audie Murphy The Great Northfield Minnesota Raid 1972 with Robert Duvall and The Assassination of Jesse James by the Coward Robert Ford 2007 with Brad Pitt Each evaluation compares Hollywood s version of history to the hard facts A brief biography of the outlaw provides an overview of his life and career Also examined are European films made for television movies and continuing TV series that have featured episodes involving Jesse James

The Deportation Express Ethan Blue,2021-10-19 Introduction the roots and routes of American deportation Building the deportation state Eastbound Westbound

Frank and Jesse James Ted Yeatman,2003-02 Yeatman has created a thorough narrative that will be satisfying to readers who know little about the James brothers and those who have read everything about them Included are 32 pages of rare illustrations and photos of the people places and artifacts associated with the notorious James bandits

Dictionary of Missouri Biography Lawrence O. Christensen,William E. Foley,Gary Kremer,1999-10

Vance Packard and American Social Criticism Daniel Horowitz,2000-11-09 Vance Packard s bestselling books Hidden Persuaders 1957 Status Seekers 1959 and Waste Makers 1960 taught the generation that came of age in the

late 1950s and early 1960s about the dangers posed by advertising social climbing and planned obsolescence Like Betty Friedan and William H Whyte Jr Packard 1914 was a journalist who played an important role in the nation's transition from the largely complacent 1950s to the tumultuous 1960s He was also one of the first social critics to benefit from and foster the newly energized social and political consciousness of this period Based in part on interviews with Packard Daniel Horowitz's intellectual biography focuses on the period during which Packard left magazine writing to author his most famous works of social criticism Horowitz traces the influence of Packard's education and early years in rural Pennsylvania providing a deeper understanding of his thought and his later books Packard's life Horowitz contends illuminates the dilemmas of a freelance social critic without inherited wealth or academic affiliation His career also expands our understanding of how one era shaped the next underscoring how the adversarial 1960s drew on the mass culture of the previous decade Originally published in 1994 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Art of Moral Protest James M. Jasper, 2008-04-15 In *The Art of Moral Protest* James Jasper integrates diverse examples of protest from nineteenth century boycotts to recent movements into a distinctive new understanding of how social movements work Jasper highlights their creativity not only in forging new morals but in adopting courses of action and inventing organizational forms A provocative perspective on the cultural implications of political and social protest Library Journal

Beyond Labor's Veil Robert E. Weir, 2010-11-01 The Noble and Holy Order of the Knights of Labor was founded in 1869 as a secret fraternal order committed to the goal of uniting American labor At its height in 1886 the Knights claimed the allegiance of perhaps a million workers Despite a host of local studies by the new labor historians of the 1970s and 1980s there has been no general study of the Knights since Norman Ware's 1929 book and no one has ever attempted a comprehensive study of the culture of the organization In *Beyond Labor's Veil* Robert E Weir presents a fascinating cultural portrait of the Knights across regions covering the years 1869 to 1893 From the start the Knights of Labor was an unusual organization equal parts fraternal order and labor union It was the only nineteenth century labor organization to organize African Americans women and unskilled workers on an equal basis with white craftsmen Weir goes beyond the rhetoric of public pronouncements and union politics to consider the real influence of the Knights in communities and homes as well as in the workplace Weir explores the many cultural expressions of the Knights ritual religion poetry music literature material objects graphics and leisure Although the Knights barely survived into the twentieth century Weir concludes that the creative cultural expressions of the Knights enabled it to do as well as it did in the face of powerful oppositional forces What emerges in *Beyond Labor's Veil* is a rich detailed description of the Knights as its members adapted to the confusion and contradiction of America's Gilded Age

Crime, Cultural Conflict, and Justice in Rural Russia, 1856-1914 Stephen P. Frank, 2023-12-22

This book is the first to explore the largely unknown world of rural crime and justice in post emancipation Imperial Russia Drawing upon previously untapped provincial archives and a wealth of other neglected primary material Stephen P Frank offers a major reassessment of the interactions between peasantry and the state in the decades leading up to World War I Viewing crime and punishment as contested metaphors about social order his revisionist study documents the varied understandings of criminality and justice that underlay deep conflicts in Russian society and it contrasts official and elite representations of rural criminality and of peasants with the realities of everyday crime at the village level This book is the first to explore the largely unknown world of rural crime and justice in post emancipation Imperial Russia Drawing upon previously untapped provincial archives and a wealth of other neglected primary material Stephen P Frank offers a m

The People's Lobby Elisabeth S. Clemens,1997-09-02 Clemens sheds new light on how farmers workers and women invented strategies to circumvent the parties Voters learned to monitor legislative processes to hold their representatives accountable at the polls and to institutionalize their ongoing participation in shaping policy Closely analyzing the organizational politics in three states California Washington and Wisconsin she demonstrates how the political opportunity structure of federalism allowed regional innovations to exert leverage on national political institutions *The Pure Food, Drink, and Drug Crusaders, 1879-1914* Lorine Swainston Goodwin,2015-08-01 Under a likeness of President Theodore Roosevelt in the Library of Congress a plaque lists the Pure Food and Drink Law of 1906 as one of the three landmark achievements of his administration Few authorities would disagree Designed to ensure the safety of foods drinks and drugs the law was one of the first pieces of social legislation enacted in the United States Among the most enthusiastic and persistent crusaders for the bill s passage were a wide array of women s groups many politically active for the first time Based in large part on primary sources this work examines the many groups involved in the passage of the Pure Food and Drink Law and how their work affected American society Part One examines the origins of the movement and why women became so involved Part Two focuses on the primary groups involved in the law s passage such as the National Woman s Christian Temperance Union and the General Federation of Women s Clubs How it was that such diverse groups rallied around this issue is also explored The industrial and political opposition to the law and how the crusaders overcame it is covered in Part Three along with details on how the law s proponents were able to pressure the U S Congress into passing it and how they worked to see it fully implemented **From Mutual Aid to the Welfare State** David T. Beito,2003-06-19 During the late nineteenth and early twentieth centuries more Americans belonged to fraternal societies than to any other kind of voluntary association with the possible exception of churches Despite the stereotypical image of the lodge as the exclusive domain of white men fraternalism cut across race class and gender lines to include women African Americans and immigrants Exploring the history and impact of fraternal societies in the United States David Beito uncovers the vital importance they had in the social and fiscal lives of millions of American families Much more than a means of addressing

deep seated cultural psychological and gender needs fraternal societies gave Americans a way to provide themselves with social welfare services that would otherwise have been inaccessible Beito argues In addition to creating vast social and mutual aid networks among the poor and in the working class they made affordable life and health insurance available to their members and established hospitals orphanages and homes for the elderly Fraternal societies continued their commitment to mutual aid even into the early years of the Great Depression Beito says but changing cultural attitudes and the expanding welfare state eventually propelled their decline Lynching in the New South W. Fitzhugh Brundage,2022-08-15 Lynching was a national crime But it obsessed the South W Fitzhugh Brundage s multidisciplinary approach to the complex nature of lynching delves into the such extrajudicial murders in two states Virginia the southern state with the fewest lynchings and Georgia where 460 lynchings made the state a measure of race relations in the Deep South Brundage s analysis addresses three central questions How can we explain variations in lynching over regions and time periods To what extent was lynching a social ritual that affirmed traditional white values and white supremacy And what were the causes of the decline of lynching at the end of the 1920s A groundbreaking study Lynching in the New South is a classic portrait of the tradition of violence that poisoned American life The Routledge Companion to Management and Organizational History Patricia Genoe McLaren,Albert J. Mills,Terrance G. Weatherbee,2015-05-15 The field of management and organizational history has reached a level of maturity that means an overview is long overdue Written by a team of globally renowned scholars this comprehensive companion analyses management and organizational history reflecting on the most influential periods and highlighting gaps for future research From the impact of the Cold War to Global Warming it examines the field from a wide array of perspectives from humanities to the social sciences Covering the entire spectrum of the field this volume provides an essential resource for researchers of business and management
