*Paths of Freedom* Charles Liverpool, 2002-10      **The Poetry and Poetics of Olga Sedakova** Stephanie Sandler, Maria Khotimsky, Margarita Krimmel, Oleg Novikov, 2019-02-12 Olga Sedakova stands out among contemporary Russian poets for the integrity erudition intellectual force and moral courage of her writing After years of flourishing quietly in the late Soviet underground she has increasingly brought her considered voice into public debates to speak out for freedom of belief and for those who have been treated unjustly This volume the first collection of scholarly essays to treat her work in English assesses her contributions as a poet and as a thinker presenting far reaching accounts of broad themes and patterns of thought across her writings as well as close readings of individual texts Essayists from Russia Ukraine Germany Italy and the United States show how Sedakova has contributed to ongoing aesthetic and cultural debates Like Sedakova s own work the volume affirms the capacity of words to convey meaning and to change our understanding of life itself The volume also includes dozens of elegant new translations of Sedakova s poems      Path of Freedom : Beyond The Words Aditya Tripathi, 2024-11-13 In English medium schools across India the stories and personalities being taught in English and moral education have no connection to Indian culture Situations are distorted in English literature where Halloween is taught instead of Holi Instead of explaining concepts like Karma Yoga scriptures like the Bible or foreign elements are imposed The responsibility for this lies with authors not governments or policymakers Those who write in English in India are mental slaves often distancing themselves from Indian philosophy and religion In this book stories are primarily based on the principles of religion and karma inspiring children to work hard Writer has made an effort to explain the concept of selfless action and also aimed to develop a sense of culture in children The sequence of inspirational stories includes both significant historical figures and lesser known revolutionaries Writer also tried to shed light on lesser known heroes like Tilka Manjhi and Avadh Bihari
