The French Army 1914-18

'I have never yet met a British historian who shows
such understanding of the reality and actual
experience of France in that war'

GENERAL ANDRÉ BACH

Paths Of Glory The French Army 1914 18

Spencer C. Tucker

Paths Of Glory The French Army 1914 18:

Paths of Glory Anthony Clayton,2015-11-05 Anthony Clayton is an acknowledged expert on the French military and his book is a major contribution to the study and understanding of the First World War He reveals why and how the French army fought as it did He profiles its senior commanders Joffre Petain Nivelle and Foch and analyses its major campaigns both on the Western Front and in the Near East and Africa PATHS OF GLORY also considers in detail the officers how they kept their trenches and how men from very different areas of France fought and died together He scrutinises the make up and performance of France s large colonial armies and investigates the mutinies of 1917 Ultimately he reveals how the traumatic French experience of the 1914 18 war indelibly shaped a nation

1918 Matthias Strohn,2018-03-09 This wide ranging collection of articles by some of the most renowned names in the subject explores the tumultuous events of the final year of the First World War In 2018 the world commemorated the centenary of the end of the First World War In many ways 1918 was the most dramatic year of the conflict After the defeat of Russia in 1917 the Germans were able to concentrate their forces on the Western Front for the first time in the war and the German offensives launched from March 1918 onward brought the Western Allies close to defeat Having stopped the German offensives the Entente started its counter attacks on all fronts with the assistance of fresh US troops driving the Germans back and by November 1918 the Central Powers had been defeated This study is a multi author work containing ten chapters by some of the best historians of the First World War from around the world writing today It provides an overview and analysis of the different levels of war for each of the main armies involved within the changing context of the reality of warfare in 1918 It also looks in detail at the war at sea and in the air and considers the aftermath and legacy of the First World War

Breaking Point of the French Army David Murphy,2015-10-30 This historical analysis of the ill fated Franco British operation reveals how it nearly spelled defeat for the Triple Entente in WWI In December of 1916 General Robert Nivelle was appointed Commander in Chief of the French armies fighting the Germans on the Western Front A national hero he had enjoyed a meteoric rise to high command and public acclaim since the beginning of the Great War In return he proclaimed he had the formula that would ensure victory and end the conflict in 1917 But his offensive was a bloody and humiliating failure for France one that could have opened the way for French defeat Historian David Murphy presents a penetrating in depth analysis of The Nivelle Offensive demonstrating why it failed and underscoring its importance in the course of the First World War Murphy describes how the charismatic officer used his charm and intelligence to win the support of French and British politicians but also how his vanity and braggadocio displayed no sense of operational security By the opening of the campaign his plan was an open secret and he had lost the ability to critically assess the operation as it developed The result was disaster

[The French Army and the First World War](#) Elizabeth Greenhalgh,2014-11-13 This is a comprehensive new history of the French army s critical contribution to the Great War Ranging across all fronts Elizabeth Greenhalgh examines the French army s

achievements and failures and sets these in the context of the difficulties of coalition warfare and the relative strengths and weaknesses of the enemy forces it faced Drawing from new archival sources she reveals the challenges of dealing with and replenishing a mass conscript army in the face of slaughter on an unprecedented scale and shows how through trials and defeats French generals and their troops learned to adapt and develop techniques which eventually led to victory In a unique account of the largest Allied army on the Western Front she revises our understanding not only of wartime strategy and combat but also of other crucial aspects of France's war from mutinies and mail censorship to medical services railways and weapons development

The French Army's Tank Force and Armoured Warfare in the Great War Tim

Gale,2016-03-16 Recent scholarship has challenged the assumption that military commanders during the First World War were inflexible backward looking and unwilling to exploit new technologies Instead a very different picture is now emerging of armies desperately looking to a wide range of often untested and immature scientific and technological innovations to help break the deadlock of the Western Front Nowhere is this better illustrated than in the development of tank warfare which both the British and the French hoped would give them a decisive edge in their offensives of 1917 and 1918 Whilst the British efforts to develop armoured warfare have been well chronicled there has been no academic study in English on the French tank force the Artillerie Sp ciale during the Great War As such this book provides a welcome new perspective on an important but much misunderstood area of the war Such was the scale of the French tanks failure in their first engagement in 1917 it was rumoured that the Artillerie Sp ciale was in danger of being disbanded yet by the end of the war it was the world's largest and most technologically advanced tank force This work examines this important facet of the French army's performance in the First World War arguing that the AS fought the war in as intelligent and sensible a manner as was possible given the immature state of the technology available No amount of sound tank doctrine could compensate for the fragility of the material for the paucity of battlefield communication equipment and for the lack of tank infantry training opportunities Only by 1918 was the French army equipped with enough reliable tanks as well as aircraft and heavy artillery to begin to exercise a mastery of the new form of combined arms warfare The successful French armoured effort outlined in this study including a listing of all the combat engagements of the French tank service in the Great War highlights a level of military effectiveness within

Loos 1915 Nick Lloyd,2008-10-01

In little over three weeks of intensive fighting which not only witnessed the first British use of poison gas but also the debut of New Army divisions filled with citizen volunteers British forces at Loos managed to drive up to two miles into the German positions However they were unable to capitalise on their initial gains After suffering nearly 60 000 casualties three times the number suffered by their opponents and being driven from the German lines in disorder bitter recrimination followed Nick Lloyd presents a reassessment of the Battle of Loos arguing that it was vital to the development of new strategies and tactics He places it within its political and strategic context as well as discusses command and control and the tactical realities of war on the Western Front during 1915

French Soldier vs German Soldier David Campbell, 2020-03-19 On 21 February 1916 the German Army launched a major attack on the French fortress of Verdun. The Germans were confident that the ensuing battle would compel France to expend its strategic reserves in a savage attritional battle thereby wearing down Allied fighting power on the Western Front. However, initial German success in capturing a key early objective, Fort Douaumont, was swiftly stemmed by the French defences despite heavy French casualties. The Germans then switched objectives but made slow progress towards their goals. By July the battle had become a stalemate. During the protracted struggle for Verdun, the two sides' infantrymen faced appalling battlefield conditions; their training, equipment, and doctrine would be tested to the limit and beyond. New technologies including flamethrowers, hand grenades, trench mortars, and more mobile machine guns would play a key role in the hands of infantry specialists thrown into the developing battle, and innovations in combat communications were employed to overcome the confusion of the battlefield. This study outlines the two sides' wider approach to the evolving battle before assessing the preparations and combat record of the French and German fighting men who fought one another during three pivotal moments of the 101 2 month struggle for Verdun.

The Allure of Battle Cathal Nolan, 2017-01-02 History has tended to measure war's winners and losers in terms of its major engagements, battles in which the result was so clear cut that they could be considered decisive. Cannae, Konigsberg, Austerlitz, Midway, Agincourt, all resonate in the literature of war and in our imaginations as tide turning. But these legendary battles may or may not have determined the final outcome of the wars in which they were fought. Nor has the genius of the so called Great Captains, from Alexander the Great to Frederick the Great and Napoleon, played a major role. Wars are decided in other ways. Cathal J Nolan's *The Allure of Battle* systematically and engrossingly examines the great battles, tracing what he calls short war thinking, the hope that victory might be swift and wars brief. As he proves persuasively, however, such has almost never been the case. Even the major engagements have mainly contributed to victory or defeat by accelerating the erosion of the other side's defences. Massive conflicts, the so called people's wars, beginning with Napoleon and continuing until 1945, have consisted of and been determined by prolonged stalemate and attrition. Industrial wars, in which the determining factor has been not military but material, Nolan's masterful book places battles squarely and mercilessly within the context of the wider conflict in which they took place. In the process, it helps correct a distorted view of battle's role in war, replacing popular images of the battles of annihilation with a somber appreciation of the commitments and human sacrifices made throughout centuries of war, particularly among the Great Powers. Accessible, provocative, exhaustive, and illuminating, *The Allure of Battle* will spark fresh debate about the history and conduct of warfare.

The Verdun Regiment Johnathan Bracken, 2018-07-30 This book on French soldiers during WWI is a first class narrative with an abundance of personal testimony from the officers and men of the regiment. *The Great War Magazine* Editor's Choice. Although the French fielded the largest number of Allied troops on the Western Front in the First World War, the story of their soldiers is little known to English readers. The immense size of the French armies, the number of

battles they fought and the enormous losses they incurred make it difficult for us to comprehend their experience. But we can gain a genuine insight by focusing on one of the defining battles of that war at Verdun in 1916 and by looking at it through the eyes of a small group of soldiers who served there. That is what Johnathan Bracken does in this meticulously researched, detailed and vivid account. The French 151st Infantry Regiment spent fifty days under fire at Verdun in 1916 and another thirty five in 1917 and lost 3 200 soldiers killed or wounded. Yet their ordeal was no different from that of hundreds of other infantry units that fought and endured in this meat grinder of a battle. Their diaries and memoirs tell their story in the most compelling way and through their words the larger human story of the French soldier during the war comes to life. The book recounts the horror of intense artillery bombardments and men mown down in great waves. None of this is particularly pretty and the accounts do much to scatter notions of war as a glorious, thrilling experience. It was vicious and brutal, utterly cruel.

War History Online **World War I** Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage, detailed analyses and the latest historical interpretations of events, this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today. One hundred years after the beginning of World War I in 1914, this conflict still stands as perhaps the most important event of the 20th century. World War I toppled all of the existing empires at the time, transformed the Middle East and vaulted the United States to becoming the world's leading economic power. Its effects were profound and lasting and included outcomes that led to World War II. This multivolume encyclopedia provides a wide ranging examination of World War I that covers all of the important battles, key individuals, both civilian and military, weapons and technologies and diplomatic, social, political, cultural, military and economic developments. Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers.

World War I: The Definitive Encyclopedia and Document Collection offers accessible, in depth information and up to date analyses in a format that lends itself to quick and easy use. The set comprises alphabetically arranged, cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography. A fifth volume provides chronologically arranged documents and an A-Z index.

[The British Army Regular Mounted Infantry 1880-1913](#) Andrew Winrow, 2016-11-03 The regular Mounted Infantry was one of the most important innovations of the late Victorian and Edwardian British Army. Rather than fight on horseback in the traditional manner of cavalry, they used horses primarily to move swiftly about the battlefield where they would then dismount and fight on foot, thus anticipating the development of mechanised infantry tactics during the twentieth century. Yet despite this apparent foresight, the mounted infantry concept was abandoned by the British Army in 1913, just at the point when it may have made the transition from a colonial to a continental force as part of the British Expeditionary Force. Exploring the historical background to the Mounted Infantry, this book untangles the debates that raged in the army, Parliament and the press between its advocates and the supporters of the established cavalry. With its origins in the extemporised mounted detachments raised during times of crisis from infantry,

battalions on overseas imperial garrison duties Dr Winrow reveals how the Mounted Infantry model unique among European armies evolved into a formalised and apparently highly successful organisation of non cavalry mounted troops He then analyses why the Mounted Infantry concept fell out of favour just eleven years after its apogee during the South African Anglo Boer War of 1899 1902 As such the book will be of interest not only to historians of the nineteenth century British army but also those tracing the development of modern military doctrine and tactics to which the Mounted Infantry provided successful if short lived inspiration

World War I Eugene Edward Beiriger,2018-11-26 Focusing on the war on the Western and Southern fronts and inclusive of material from all sides of the conflict this book explores the novels and poems of significant soldier writers alongside important contemporary historical documents The literary works of the First World War are one of the richest sources we have for understanding one of the twentieth century s most significant conflicts Not only do many of them have historical merit but some were critically acclaimed by both contemporaries and subsequent scholars For example Henri Barbusse s *Under Fire* one of the earliest novels of the war won accolades in France and the respect of war poets Siegfried Sassoon and Wilfred Owen as well as novelists Erich Maria Remarque and Ernest Hemingway This book examines these works and those of war poets Rupert Brooke and John McCrae and others providing context as well as opportunities to explore thematic elements with primary source documents such as diaries letters memoirs newspaper and journal articles speeches and government publications It is unique in its use of literary and historical sources as mediums by which to both better understand the literature of the war and use literature to better understand the war itself

Changing War Gary Sheffield,Peter Gray,2013-10-24 In 1918 the British Expeditionary Force BEF played a critical role in defeating the German army and thus winning the First World War This Hundred Days campaign August to November 1918 was the greatest series of land victories in British military history 1918 also saw the creation of the Royal Air Force the world s first independent air service from the Royal Flying Corps and the Royal Naval Air Service Until recently British histories of the First World War have tended to concentrate on the earlier battles of 1916 and 1917 and often underplayed this vitally important period *Changing War* fills this significant gap in our knowledge by providing in depth examinations of key aspects of the operations of the British Army the Royal Air Force and its antecedents in the climactic year of the First World War Written by a group of established historians and emerging scholars it sheds light not only on 1918 but on the revolutionary changes in warfare that took place at that time

Scouts Out! The Development Of Reconnaissance Units In Modern Armies [Illustrated Edition] John J. McGrath,2014-08-15 Illustrated with 60 maps plans and diagrams Reconnaissance and counter reconnaissance are battlefield missions as old as military history itself and missions for which many armies have created specialized units to perform In most cases these units were trained equipped and used differently from the majority of an army s fighting units Horse cavalry performed these missions for centuries for it had speed and mobility far in excess of main battle units Once the horse was replaced by mechanization however the mobility advantage once enjoyed by the horse

cavalry disappeared Since the early 20th century the search for the proper mix of equipment the proper organization and the proper employment of reconnaissance units has bedeviled armies around the world This survey uses a diverse variety of historical cases to illustrate the enduring issues that surround the equipping organizing and employment of reconnaissance units It seems that these specialized units are either too heavily or too lightly equipped and too narrowly specialized or too conventionally organized Pre war reconnaissance doctrines tend to undergo significant change once fighting begins leading to post conflict analysis that reconnaissance units were misused in one way or another McGrath ends his study with an intriguing conclusion about the role that specialized reconnaissance units should have in the future that may surprise many readers

Untold War Heather Jones, Jennifer O'Brien, Christoph Schmidt-Supprian, 2008-05-31 Complex brutal and challenging the First World War continues to inspire dynamic research and debate The third volume to emerge from the pioneering work of the International Society for First World War Studies this collection of new essays reveals just how plural the conflict actually was its totalizing tendencies are shown here to have paradoxically produced diversity innovation and difference as much as they also gave rise to certain similarities across wartime societies Exploring the nature of this plural war the contributions to this volume cover diverse themes such as combat occupation civic identity juvenile delinquency chaplains art and remembrance across a wide range of societies including Germany France Britain German colonial Africa Belgium and Romania With chapters on both military and cultural history this book highlights how the first total war of the twentieth century changed social cultural and military perceptions to an untold extent Contributors Alan Kramer Dan Todman Claudia Siebrecht Vanessa Ther Jan Vermeiren Wencke Meteling Daniel Steinbach Aurore Francois Edward Madigan Catriona Pennell Francois Bouloc Sonja Moller Joelle Beurier Lisa Mayerhofer Heather Jones Christoph Schmidt Supprian Jennifer O'Brien

Artillery in the Great War Paul Strong, Sanders Marble, 2011-05-18 A year by year examination of key WWI battles and how the ongoing advances in artillery shaped strategy tactics and operations includes battlefield maps World War I is often said to have been an artillery war yet the decisive role artillery played in shaping military decisions and therefor the war itself has rarely been examined Artillery in the Great War traces the development of this all important technology the differing approaches to its use the many innovations it underwent on both sides and how those approaches and innovations in turn effected key battles such as the Battle of the Somme This highly readable and informative history is perfect for any reader interested in understanding the legacy of World War I or the evolution of modern warfare

Germany at War David T. Zabecki, 2014-10-28 Written by experts for use by nonexperts this monumental work probes Germany's Genius for War and the unmistakable pattern of tactical and operational innovation and excellence evident throughout the nation's military history Despite having the best military forces in the world some of the most advanced weapons available and unparalleled tactical proficiency Germany still lost both World Wars This landmark four volume encyclopedia explores how and why that happened at the same time examining Germany as a military power from the start of

the Thirty Years War in 1618 to the present day Coverage includes the Federal Republic of Germany its predecessor states and the kingdoms and principalities that combined to form Imperial Germany in 1871 The Seven Years War is discussed as are the Napoleonic Wars the Wars of German Unification including the Franco Prussian War World War I World War II and the Cold War In all more than 1 000 entries illuminate battles organizations leaders armies weapons and other aspects of war and military life The most comprehensive overview of German military history ever to appear in English this work will enable students and others interested in military history to better understand the sociopolitical history of Germany the complex role conflict has played in the nation throughout its history and why Germany continues to be an important player on the European continent

Strategy and Command Roy A. Prete, 2021-06-16 Falling between the War of Movement in 1914 and the major attrition battles of 1916 1915 was a critical year in the First World War As France failed in ever larger offensives to break through the German trenches Britain shifted its strategy from defence of empire to total commitment to the continental war In the second of three planned volumes Roy Prete analyzes the political and military policies and strategies of Britain and France and their joint command relationship on the Western Front in 1915 The opposing strategies of the two governments proved to be the main determinant in the sometimes ragged relations between the French commander in chief Joseph Joffre and his British counterpart Sir John French as they sought to drive the German army out of France and to aid their hard pressed Russian ally With an impressive marshalling of evidence Strategy and Command demonstrates that the increased British commitment to the continental war manifested in sending Kitchener's New Armies to France in 1915 was largely due to the disastrous situation of the Russian army on the Eastern Front and the perceived weakness of the French government Based on extensive research in French and British political and military archives this new in depth study of Anglo French military relations on the Western Front in 1915 fills a major gap in the unfolding drama of the First World War

1918 Year of Victory Ashley Ekins, 2010 1918 Year of Victory convened by the Australian War Memorial in Canberra in November 2008 to mark the ninetieth anniversary of the end of the Great War Ashley Ekins volume editor is Head of the Military History Section at the Australian War Memorial in Canberra

Arms and the Man Michael S. Neiberg, 2011-05-10 These essays honor Dennis Showalter a pioneer in the field of military history Written by some of the most highly respected scholars in the field they cover a wide range of topics from the ancient world to the present day

Paths Of Glory The French Army 1914 18 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Paths Of Glory The French Army 1914 18 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Paths Of Glory The French Army 1914 18 has opened up a world of possibilities. Downloading Paths Of Glory The French Army 1914 18 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Paths Of Glory The French Army 1914 18 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Paths Of Glory The French Army 1914 18. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Paths Of Glory The French Army 1914 18. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Paths Of Glory The French Army 1914 18, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Paths Of Glory The French Army 1914 18 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Paths Of Glory The French Army 1914 18 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Paths Of Glory The French Army 1914 18 is one of the best book in our library for free trial. We provide copy of Paths Of Glory The French Army 1914 18 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Paths Of Glory The French Army 1914 18. Where to download Paths Of Glory The French Army 1914 18 online for free? Are you looking for Paths Of Glory The French Army 1914 18 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Paths Of Glory The French Army 1914 18. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Paths Of Glory The French Army 1914 18 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Paths Of Glory The French Army 1914 18. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook

without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Paths Of Glory The French Army 1914 18 To get started finding Paths Of Glory The French Army 1914 18, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Paths Of Glory The French Army 1914 18 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Paths Of Glory The French Army 1914 18. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Paths Of Glory The French Army 1914 18, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Paths Of Glory The French Army 1914 18 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Paths Of Glory The French Army 1914 18 is universally compatible with any devices to read.
