Foster, 2011-02-22 A trapped cosmic creature may drive the whole world mad unless the spellsinger can set it free Foster knows how to spin a yarn Starlog It's an ordinary day in the Bellwoods save for the fact that Jon Tom the spellsinger has awoken as a six foot blue crab He soon reverts to normal as normal as a college student trapped in a world of magic and talking animals can be anyway but the bizarre changes keep happening affecting not just him but the whole of this strange world His wizardly mentor suspects these are the effects of the perambulator a cosmic being whose presence distorts reality One has been imprisoned in the mountains and unless they free it it will rip the world to shreds one insane illusion at a time So Jon Tom sets out backed by the wizard a boozehound owl a gutter minded otter and a warrior koala with a taste for leather Saving the world will be a cinch as long as they don't lose their minds along the way
