**Ying-Ying Zheng**

## **Paths To Psychiatric Hospitalisation A Sociological Analysis:**

Paths to Psychiatric Hospitalisation Roger Manktelow, 1994 Admission to psychiatric hospital is the end result of a complicated social process This book unravels the social influences medical contingencies and decision making which determine outcome The process is described in terms of the individual the family and the professionals involved *Routes to Hospital* Roger Manktelow, 1987 *The Recognition and Management of Early Psychosis* Patrick D. McGorry, Henry J. Jackson, 1999-07-28 The treatment of early psychosis has been bedevilled by an entrenched pessimism stemming from the asylum era and the Kraepelinian model of schizophrenia More recently however there has been a surge of interest in preventively oriented treatment of patients showing the first signs of psychotic illness with the realization that these illnesses are frequently highly responsive to early treatment This is the first text to focus on the potential of early detection of psychosis and the practicalities of treatment Based on the pioneering experience and research of a now well established prevention and intervention centre and with contributions from international authorities the book outlines a framework for intervention reviews the evidence available to guide clinical practice and describes models of treatment Incorporating many personal narratives and case histories it is strong on theory sensitive on practical issues and will challenge inform and guide clinicians

**Social Class and Paths to Psychiatric Hospitalization** Stephan P. Spitzer, Herbert L. Nelson, Gary J. Zouzoulas, 1971 *Journeys Through Mental Illness* Juliet Foster, 2018-06-26 At a time when service users perspectives are increasingly recognized in healthcare this seminal book highlights the importance of clients perceptions of all aspects of mental illness It examines the implications of these understandings especially in relation to clients relationships with services

*Working with Aggression and Resistance in Social Work* Brian J. Taylor, 2011-06-16 Social workers have roles that require them to engage with clients and families who may be reluctant clients ambivalent or resistant towards those seeking to help and protect This includes safeguarding roles in relation to children and vulnerable adults and work to engage with marginalised groups such as young offenders and those with mental health and substance misuse problems The text addresses issues in relation to the main client groups and specific chapters take an overview of issues such as understanding and defusing aggressive behavior and keeping yourself safe from assault

Psychiatric Clinical Pathways Patricia C. Dykes, 1998 The only reference tool of its kind for psychiatric health care professionals and agencies *Psychiatric Clinical Pathways An Interdisciplinary Approach* gives a wealth of practical guidance and useful real world models you can put to work immediately You and your staff will discover the many ways clinical pathways can be used to deliver cost effective quality care in a variety of settings You ll benefit from useful models of outcomes based care delivery systems and practical guidelines For The delivery of quality health care and continuous quality improvement This book is packed with information you can use immediately including a bonus Clinical Pathways Diskette packed with formats and checklists your can customize to meet your needs *British Reports, Translations and Theses* British Library. Document Supply Centre, 1991

**Verging on Reality** Patrick D McGorry,1998      **The SAGE Handbook of Mental Health and Illness** David Pilgrim,Bernice Pescosolido,Anne Rogers,2011 This title integrates the conceptual empirical and evidence based threads of mental health as an area of study research and practice It approaches mental health from two perspectives firstly as a positive state of well being and secondly as psychological difference or abnormality in its social context      [Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards](#) ,2008 Theses on any subject submitted by the academic libraries in the UK and Ireland      [Sociological Abstracts](#) Leo P. Chall,1991      **Obstacles in the Pathways to Prepaid Mental Health Care** Melvin A. Glasser,Thomas J. Duggan,William Sydney Hoffman,1977      **Handbook of the Sociology of Mental Health** Carol S. Aneshensel,Jo C. Phelan,2006-11-22 Within American society mental disorder is commonly understood as an attribute of the individual This intuitive understanding reflects the experiential reality that it is individuals who are beset by feelings of fear and despair confused by intrusive or jumbled thoughts addicted to drugs and so forth In this regard everyday thinking is consistent with contemporary psychiatry which also individualizes pathology increasingly in biological terms The contributors to this handbook collectively articulate an alternative vision one in which the individual experience of psychopathology is inextricably embedded within its social context This theme the interface between society and the inward experience of its constituents is developed here in a more encompassing manner than has been previously undertaken Although this perspective may seem self evident especially in a handbook on the sociology of mental health the widespread adoption of a medical model of aberrant states especially by sociologists has we submit obscured the relevance of social organization and processes      **Psychiatry: An evidence-based text** Bassant Puri,Ian Treasaden,2009-11-27 Succinct user friendly thoroughly referenced and prepared by leading experts in the field this book is the only single textbook you will need to succeed in the Royal College of Psychiatrists MRCPsych and other related higher examinations Chapters follow the structure and syllabus of the examination ensuring that you receive the necessary essence      **Developing Recovery Pathways for Mental Health Disorders through Creative Coproduction** Jean Haslam,Mita Sykes,2025-08-29 This book explores the potential of Creative Coproduction as a recovery tool for severe mental disorder using case study examples of service users with anorexia nervosa Written by authors with expertise in both mental health provision and experience of mental health services the book advocates a creative coproductive approach to treating mental disorders Creative Coproduction involves significant interaction and collaboration between health and social care professionals sufferers recovered patients educational establishments families and scientists at all levels of interaction The book emphasises the importance of working together creatively as a diverse yet cohesive team adding to existing knowledge through every interaction and discovering and developing alternative recovery pathways It challenges the stigma faced by people with mental health difficulties using Foucault's concept and theory of unreason The book further uses the neuroscience of creativity as a lens by which to identify

creative characteristics and actions discussing ways this can be harnessed to transform recovery pathways through creative practices Centering the voices of service users and their families alongside mental health professionals this important book will be valuable reading for advanced undergraduate and postgraduate students in health and allied sciences mental health and social work programmes It will also be highly relevant for health and social care professionals including mental health nurses allied practitioners managers of community mental health teams and community practitioners
