Journey to Oneness Dr Ron Hitchcock Dmin, Ron Hitchcock, 2016-05-17

The Journey to Oneness has helped thousands of premarital and married couples to develop enrich and experience vibrant relationships Hundreds of crisis couples have reconciled their marriages using the Journey to Oneness Model What Should You Expect from the Journey to Oneness The Journey to Oneness shows how relationships transition from individualism towards interdependence and a shared identity Couples will discover that intimacy and commitment increase as they progress from one stage to the next Premarital couples will find that the Journey to Oneness empowers them to establish healthy boundaries that promote mutuality in friendships and validation of each others values Dating couples are responsible to encourage each others pursuit of their dreams and goals Couples in the friendship dating stage are not a we but two friends who are learning to have each others best interest in mind Married couples will be revisiting or reinvesting in one or more of the stages of the Journey to Oneness that are underdeveloped in order to cultivate the characteristics of friendship or shared values in their relationship At times couples will prioritize their parenting responsibilities careers or hobbies above their friendship with each other When this happens couples feel disconnected even though they are committed to their marriage and family life Couples will be able to rekindle their friendship by reinvesting in areas of communication conflict resolution or sexual intimacy The Journey to Oneness offers resources and practical application that allow couples to establish the foundations of friendship and shared values For some couples values were underdeveloped while others began their marriage without a strong friendship

How to Use Journey to Oneness Throughout this book you will read the stories of premarital and married couples who are addressing topics such as communication conflict resolution financial management or marital crisis These stories represent real life circumstances that will help couples to learn new ways of communicating and resolving conflict Journey to Oneness can be used individually or in group settings by premarital or married couples The first half of the book will enrich friendship and shared values in premarital and marriage relationships The second half of the book reveals how to restore broken trust and reconcile crisis relationships In order to enrich couple satisfaction in dating engaged and marriage relationships Life In Motion Resources tm is offering a free Relationships Growth Plan for my readers The Life In Motion Relationships Inventory LIMRI measures friendship shared values and couple satisfaction in dating engaged and married relationships You can find out more about the LIMRI at www.lifeinmotionresources.com To receive the free inventory go to www.limri.org/relationships The LIMRI is an online assessment tool that churches counselors and Christian organizations can utilize to enrich the relationships of their members clients staff leadership or employees Couples answer demographic questions that generate personalized inventories for dating engaged or married couples The LIMRI is a values based inventory that uses Scriptures biblical principles and healthy relationship practices to increase couple

satisfaction in couple and parenting relationships
