Schrader, PhD., 2015 Beyond a Whistle and a Prayer will forever change the way you look at sports and coaching Society advocates sports as a means to instill virtue and character in our youth But we all know that the system is broken to a large extent from youth sports through college and beyond Too many coaches and parents are driven by the scoreboard the win at all costs model Is it any wonder that 70% of kids drop out of sports by age 12 Many of us remember the words and actions of coaches for a lifetime What memories are you leaving with your athletes Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well Join the journey and learn to coach with joy Gilbert Tuhabonye Author of This Voice in My Heart 8 time NCAA All American Distance Running Coach *Religious Telescope*, 1906 **Ecumenical Missionary Conference, New York, 1900: The story of the conference.
