

# PATRIARCHY

## DEFINITION

In sociology, patriarchy is described as a form of social organization where cultural and institutional beliefs and values are dominated by men. This leads to male-oriented decision-making and social organization. Patriarchy literally means the "rule of the fathers" (the opposite, matriarchy, means "role of the mothers").

## EXAMPLE

### Patriarchal Legal system

In patriarchal societies, the laws and rules are biased towards males. Legal provisions and laws are in favor of men, which leaves women exposed. For example, a patriarchal legal system may require men to sign documents on behalf of their wives.
