Patrick J. Hurley and American Foreign Policy Russell D. Buhite, 1973 *Franklin D. Roosevelt and American Foreign Policy, 1932-1945* Robert Dallek, 1995-05-25 Since the original publication of this classic book in 1979 Roosevelt's foreign policy has come under attack on three main points Was Roosevelt responsible for the confrontation with Japan that led to the attack at Pearl Harbor Did Roosevelt give away Eastern Europe to Stalin and the U S S R at Yalta And most significantly did Roosevelt abandon Europe's Jews to the Holocaust making no direct effort to aid them In a new Afterword to his definitive history Dallek vigorously and brilliantly defends Roosevelt's policy He emphasizes how Roosevelt operated as a master politician in maintaining a national consensus for his foreign policy throughout his presidency and how he brilliantly achieved his policy and military goals *George F. Kennan and the Making of American Foreign Policy, 1947-1950* Wilson D. Miscamble, 1992 Discussion and decision within the State Department and beyond Miscamble argues that American foreign policy from 1947 to 1950 was not simply a working out of a clearly delineated strategy of containment Far from dictating policies the famous containment doctrine was formed by them in a piecemeal and pragmatic manner **The Cambridge History of American Foreign Relations: Volume 4, America in the Age of Soviet Power, 1945-1991** Warren I. Cohen, 1993 Happily the new four volume book provides an opportunity to scan the past two centuries for indications of the shape of foreign policy in the post Cold War world Each of the four books stands on its own Each offers a clear overview of a particular period written by a distinguished historian drawing on considerable body of research itself the product of decades of scholarly endeavor None is simply a chronicle of events *World Policy Journal* *Presidents and Foreign Policy* Edward R. Drachman, Alan Shank, 1997-04-25 *Presidents and Foreign Policy* examines countdowns to ten important and controversial decisions in the post World War II period using the case study approach The authors include one major controversy for each president from Truman to Clinton The cases cover central issues of diplomacy war and peace and covert action that shaped the Cold War period and its aftermath in all major areas of the world After reviewing the historical background of each decision each case examines the foreign and domestic policy context the effectiveness of presidential decision making and results of the decision The reader is challenged to think about each decision by responding to a unique evaluation scheme the authors developed and tested **Foreign Relations of the United States** United States.
