Excerpt from *The Story of St Patrick's Purgatory* Hark amid the prayers of pilgrims plying Round the Isle of shrine and bed
How the wind is sadder for the crying Of the unremembered dead Whom the hunger scourged across the breakers Whom the
ships of exile sped Hear them crying Will ye all forsake us To the seas that sweep the dead Brothers where your footprints
pass unheeding Once our paths and lifeways led Brothers pray ere ye be gone and needing Mass and dirges for the dead Pray
for us where Patrick's lips were praying Pray for us by Brendan's bed Soon in turn your children may be laying You among
the watchful dead Almost may you hear the wan half sleepers From their purgatorial bed Crying unto God O Reaper reap us
Lest we droop for ever dead About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books

Seymour,2015-06-14 Excerpt from St Patrick s Purgatory A Medi val Pilgrimage in Ireland The subject of St Patrick s Purgatory the visits paid to it by pilgrims from distant lands the visions seen therein by them and the literature that subsequently and consequently arose is of extreme interest When I commenced to study the subject for my own edification and entertainment the idea of writing a book had not then occurred to me I was astonished to discover how much strange and out of the way information might be gathered together and yet how little knowledge my fellow countrymen possessed of the past history of a place that was once of European fame The only book that dealt with it in anything approaching a satisfactory manner was Canon O Connor s St Patrick s Purgatory Lough Derg of this I have used the revised edition published in Dublin in 1910 I differ from him on one or two points but I must admit my indebtedness to him for many allusions and suggestions which otherwise I might easily have overlooked He has written a most useful popular history of Lough Derg and the surrounding district and has given a very good account of the later period down to the present day which I have consequently passed over very rapidly I have dealt with the subject on an entirely different plan as the most superficial comparison will show and have endeavoured to present the reader with a fairly exhaustive account of an almost forgotten episode in the ecclesiastical and social history of Ireland For the profound scholar I have not attempted to write but as there are many bypaths in the history of Ireland as yet almost untrodden perhaps I may be pardoned for venturing down one of them with somewhat halting steps The authorities of which I have made use are sufficiently referred to in the notes I should state however that Father Delchaye s most valuable article in *Analecta Bollandiana* tom XXVII has been for me as it will be for all other writers on the subject a basis and a starting point About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works St. Patrick's Purgatory, Lough Derg ,1924 *The Pilgrimage to St. Patrick's Purgatory* Laurence Rathbold de Pasztho,D.P. Curtin,2022-09-07 The narrative details Lord Laurence Rathbold s pilgrimage to the Purgatory of Saint Patrick highlighting the divine purpose behind the creation of such holy sites to guide the faithful away from sin It critiques the unbelief of schismatics and heretics urging them to acknowledge the miracles and enduring faith associated with Saint Patrick who liberated Ireland from spiritual and physical evils The text also describes Laurence s arrival in Dublin his veneration of holy relics and his presentation of letters from the King of Hungary reinforcing the legitimacy of his pilgrimage and mission *Lough Derg in Ulster* Shane

Leslie, 1912 **Island of Daemons** Terence Dewsnap, 2008 *Island of Daemons* interprets accounts of the Donegal pilgrimage including histories guidebooks devotional writing newspaper and magazine articles as well as three major poems by twentieth century Irish poets The pilgrimage history documents religious and political themes as well as the experience of pilgrimage as arduous enlightening and humbling Early writings often stressed the sensational with miracles devils and hideous torture Most Lough Derg writings have been devotional but there is a strong tradition of satire as well Skepticism competes with reverence It is important to locate each modern poet within a tradition of choices made in times past This study attempting to register the variety of attitudes associated with Lough Derg depends at times on hypothesis speculative possibilities rather than definite sources or influences This study will be useful to Irish Studies students teachers of Irish literature and history as well as those interested in cultural studies and religion BOOK JACKET
