introduction charting the rise of the Militia Movement to which Timothy McVeigh and his co conspirators were connected Since then both the book and the documentary film that accompanied its release also titled BLOOD IN THE FACE have earned cult followings In the past 25 years Ridgeway s final warning that the fringe was becoming part of the fabric of American politics and culture have come to chilling fruition in the rise of the Tea Party the racist backlash against the presidency of Barack Obama the resurgence of anti immigrant Nativism the growth of racist far right media and the election of Donald Trump with the thunderous support of white nationalists

Blood on Their Hands Forrest P. Redd, 2009-08-16 In *Blood on Their Hands* author Forrest Redd unravels the past eight years of the Bush Administration in an attempt to prove why George W Bush should be convicted of inciting an illegal war Fueled by the outcome of the 2004 election Redd demonstrates how the right leaning media pundits assisted Bush in misleading the public

and why the American people share the responsibility of Bush's disappointing dangerous presidency. In reevaluating the way the American people handled the Bush Administration, Redd transfers the blame for eight years of failures and atrocities from Bush squarely to the shoulders of the American voters. Redd also includes chapters on the Supreme Court's role in determining the 2000 election, a side-by-side comparison of Kerry and Bush in the 2004 election, and a reaction to the proposed change brought about by the 2008 election. Ultimately, *Blood on Their Hands* is a call to the nation to come together and practice common sense, strive for enlightenment, and exercise decency, tolerance, and compassion. *The Congressional Globe*, United States Congress, 1856
